The Future

We must look to. The year just passed has done us all the good or evil it can. In some respects it has been a remarkable year as it has brought with it the usual unsteadiness in business affairs attending presidential years. Once more let's put our shoulders to the wheel and work together and success is sure. We thank you for your patronage in 1908 and ask a continuance for 1909.

Seasonable Goods

For white sewing next week we will place on sale a big line of white goods laces, embroideries, and etc. We have some special values for you. Come, look.

JUDGE CARSON.—Gov. Willson has appointed our old friend, Charles C. Carson, police judge of Liberty. His father, Judge W. R. Carson, was police judge here for many years and made a good one, as we predict his son will. To all parties holding certificates of county claims: You are notified that the money is now in the county treasury to pay your claims and that you must therefore pay your taxes at once, otherwise I will have to add the penalty. She was 21 years old and an excellent young woman.

THE directors of the Lincoln County National Bank, at a meeting held Dec. 26, 1908, adopted the following resolutions: "With deep regret we record the fact that a vacancy in the directory of the Lincoln County National Bank has been caused by the death of John F. Cash. For many years he has been a staunch supporter of this institution, and has contributed much to its success by his sagacity and counsel. In his death this Board loses one of its strongest and most valued members and Lincoln county loses a model citizen, a Christian gentleman, a successful man, whose example is well worthy of emulation. The heartfelt sympathy of this Board is tendered to his family."

By the way he did a splendid business last year and he asks us to thank through these columns the many who liberally patronized him. He asks a continuance through the year just begun.

MR. W. A. CARSON, who is making one of the best assessors the county has ever had, announces for the democratic nomination for jailer this issue. He has a strong following and will prove a dangerous factor in the race in which there are already a half dozen entries. Mr. Carson will have a card in this paper in a few days, which you are requested to read.

THE boys played the mischief here Christmas eve, as a half dozen broken window glasses, some of them of the finest plate, bear silent proof. Cannon crackers, dynamite, pistols, shot guns, etc., etc., were used and night was made hideous. A conservative business man remarked to us that he believed that the merchants lost hundreds of dollars in sales by the foolish pranks of the boys. A court of inquiry has been held but we have not heard of anybody being punished. We hope, however, that the thoughtless fellows will yet be made to pay for their fun, if such disorderly doings can be called fun.

THE many friends of Dr. W. Harry Higgins will be delighted to know that he is rapidly climbing the ladder of fame in his chosen profession. Graduating last year from the Johns Hopkins Medical University, of Baltimore, the most scientific medical school in the States, standing high in his classes, without any special preparation for competitive examination, he was entitled to internship in his alma-mater, but having signed a contract for one year with the board of directors of the Allegheny Hospital of Pittsburgh, Pa., he felt honor-bound to fill his contract. While at home last week on vacation he received a message of inquiry from Dr. Barker, who is professor of clinical medicine in the Johns Hopkins, to know if he would consider an assistantship in his clinic, which he wisely accepted. A high compliment, a merited honor, showing he has left an impression upon the minds of that great faculty which time and distance can not erase. With his immaculate character, energy, modesty and honor, he is destined to be the idol of his home, a blessing to his parents, the pride of his birthplace and a benefactor to his country.

THE county affairs are in ship shape. Every contract was completed and paid for before the year went out. We congratulate the fiscal court on its good work.

ACCORDING to Mr. John Bright (Red) the sky was clear enough yesterday morning to see the sunrise, it being the fourth time we have had that pleasure since Nov. 1.

HUNN & SWEENEY, general merchants of Shelby City, will do a cash business beginning Jan. 1. This will enable them to sell at much closer prices and they will be in better shape than ever to give you bargains. They thank you for past patronage and solicit a continuance.

THE Christmas tree at the Baptist church was a thing of beauty and the presents on it carried joy to many hearts. An enjoyable program, including a beautiful vocal solo by Miss Marie Mahony, was given before the presents were distributed. Russell Brown made a fine Santa Claus.

CRAIG.—Elizabeth Wearon Craig, the four-year-old daughter of Dr. and Mrs. W. N. Craig, of Middlesboro, died of diphtheria and was brought here and interred in Buffalo cemetery after services by Rev. J. L. Yandell at W. B. McKinney's residence at 10 o'clock Saturday morning. The bright little thing was ill only 48 hours. Great sympathy is felt for the bereaved family in their loss.

MISS LILLY P. EDMISTON was hostess yesterday at a very charming reception, given in honor of the young girls who are at home for the holidays. The house was elaborately decorated in smilax, palms, ferns and poinsetta. The dining room was in red and green. A tall cut glass vase filled with poinsetta and surrounded by silver candlesticks shaded with scarlet shades and holding red tapers, formed the center design. The ices were in the form of snow men, and the mints and confections were in white and red.—Louisville Herald.

To Our Customers:

We thank you for your liberal patronage for the year just closed and solicit a continuance of the same for the year 1909. We want to make the year 1909 our banner year. Without your support we can do nothing. With your help you can make us what we want to be. We ask you for your assistance in helping us to reach our expectation for this year. It is our aim to give value received for every dollar that goes into our cash drawer. All we ask for is a legitimate profit. We have never deemed it good business to blow trumpets, &c., and cut a few things to cost and a little under and then rob a customer by extortion on something else. An honest value for an honest dollar is our motto. Again soliciting your business for 1909, we are,
