"WAS SHE TO BLAME?" is one of the most realistic dramas placed before the public. Not one line in the entire play is over-drawn. It deals with every day life and is without a doubt the prettiest story ever written. The audience never loses interest during the play. It is a melange of pathos and comedy. "Was She to Blame," is a play that once seen is never forgotten. At Walton's Opera House one night only, Friday, Jan. 22.

SAM CORDIER, familiarly known as Pete, had both legs broken, one above the ankle and the other just below the knee, at the depot here Friday morning. MR. GEORGE E. COOPER, the best county clerk in the State and the cleverest human being on top of ground, announces this issue for re-nomination for county clerk at the primary Feb. 6. Mr. Cooper's physical condition and the fact that he has been busy waiting on the board of supervisors and with the arduous duties of his office, has kept him from making a canvass, but he desires the democrats to know that he greatly appreciates the favors shown him and asks that he be remembered again when the votes are cast in the primary two weeks from next Saturday.

"WAS SHE TO BLAME?" is a guaranteed attraction at Walton's Opera House, Friday night, next, Jan. 22, and the manager is to be congratulated on engaging an attraction of this class. An exchange says, "Was She to Blame?" is the best company visiting this section this season. It is a dramatic treat to the masses, endorsed by the press, public and pulpit at large. Sam Jones says it is a sermon that should be heard and seen by every man, woman and child in America. Rev. Abe Mulkey says it is one of those plays that make every one that sees it feel that they ought to live a better life. The comedy is pure and simple and plenty of it, all the way through the bill from the sublime to the ridiculous. A beautiful blending of pathos and comedy once seen never forgotten.

THE directors of the First National Bank of Stanford, at its annual meeting held Jan. 12, 1909, unanimously adopted the following resolutions:

Whereas it has pleased the Omnipotent Ruler of all persons to remove from the society of those who love him, our friend and associate for many years in business, Col. T. P. Hill, and whereas we desire to express in an official and personal manner our recognition of his ability, fidelity and faithfulness as a member of our board of directors, therefore be it resolved:

1st. That our board has lost one of its most conservative, wise and judicious counselors, ourselves an agreeable and faithful friend, his family a devoted father and husband, and the county one of its oldest, most useful and respected citizens and the State one of its greatest lawyers.

2nd. We extend to his family our sympathy for the irreparable loss it has sustained; and as a personal mark of respect to his memory and a just tribute to his greatness as a man, we now record these resolutions on the minute book of the bank and direct that a copy thereof be delivered to his family.
