CHAIRMAN G. L. PENNY has been unable so far to get a meeting of the democratic chairmen of this judicial district, notwithstanding the fact that he has made three calls and has been to Danville twice to meet the other chairmen. To the first and second calls Chairmen James I. Hamilton and Lee Curry, of Garrard and Mercer, respectively, sent reasons for their absence but they ignored the last one, which was for a meeting Tuesday. Mr. Penny has requested the gentlemen to meet Tuesday, and we hope all four of the chairmen will be present. In justice to Chairman Chenault Huguely, who like Mr. Penny, is for Judge Saufley in the race for judge, we will state that he has been present at each meeting. From what we can gather, Chairmen Hamilton and Curry are for Judge Bell. We are not informed as to why they desire to postpone action as to the time and method of nominating a candidate for circuit judge and Commonwealth's Attorney, but trust they have reasons that will prove satisfactory to their democratic constituency.

THE Pennsylvania Steel Company, employing 6,000 men, one of the largest of the independent companies, has announced a 10 per cent. reduction in wages, effective April 1. The Maryland Steel Co., with headquarters at Baltimore, employing 4,000 men, has made a similar reduction and the Richmond, Va., Pulp & Paper Co. has closed down indefinitely, throwing 300 men out of employment. And this in the face of the good times promised by the Taft administration.

PRESIDENT TAFT'S message on tariff revision was sent to Congress Tuesday. The message is brief, the President contenting himself with urging Congress to take speedy action in revising the tariff, and suggesting that other matters be sidetracked until the tariff bill is passed.
