KINGSVILLE.

C. D. Evans is building a dwelling. Kingsville was pretty well re-erected at Stanford court day if everybody who started got there. A Mr. Coleman, of Pike county, bought the M. J. Murphy place and has moved his family here. Mrs. J. W. Acton is able to be out again after a severe attack of grip. T. M. Alford, wife and son visited Wm. Hogue Sunday. W. C. Dye has moved into the house he recently bought of Major Smith. T. F. Dunaway will move into the house vacated by Mr. Dye. Virgil Bastin and wife are visiting relatives at Science Hill. Dr. C. M. Thompson, wife and children spent several days in the South. A considerable windstorm passed over this section Monday night and the roof was blown from the depot and fences were blown down. W. G. Routon sold to Robe Horton a horse for \$160. Mr. Horton also bought of G. W. Leach a work mare. Wallace Walter bought of G. M. Alford a mare and colt for \$130. A North-bound freight train wrecked at the North end of the tunnel Friday, ditching seven cars and three men, among them being Prof. E. L. Grubbs, one of our teachers. No one was injured. Mrs. Tabitha Davidson is visiting her son, George Gaines. A number of our people attended Easter services at the Catholic church at Ottenheim. W. C. Brown came home from Lexington, where he has been studying telegraphy. He went to Erlanger Sunday to work in the signal department of the C. S. A large crowd attended the burial of Marion Williams, who was killed while working on the section near Waynesburg. Mr. Williams was a Maccabee and was buried by that order in the Gooch cemetery. Funeral services were held at Daniel Hester's by Rev. W. R. Davidson. Much sympathy is felt for the wife and three small children.

MIDDLEBURG.

Jason Lawhorn went to Louisville this Wednesday morning, to take up his abode with his father-in-law, W. B. Cockran. Ambrose Hamilton and Miss Alice Emberson, two popular young people of the Walltown section, were married Monday at the home of the bride's father, Mr. Rufus Emberson. Several of our citizens will go to Liberty on the first Monday in May to whoop up the bridge question. Our people to a man are in earnest on the subject of good roads and bridges. Nearly everybody here celebrated Easter by going to church. The audience at the Baptist church was the best for several months and Rev. J. L. Owens preached quite an interesting sermon on the subject of "Final Preservation of the Saints." Miss Nona McDaniel has charge of the telephone exchange while F. L. Jones is nursing a spell of grip. A little daughter of Mr. and Mrs. O. L. Wilson has pneumonia. E. L. Gadsberry and A. B. Royalty attended the Sunday school at Antioch Sunday and got away with lots of good "grub." Willie Adams is at home from Louisville to see the homefolks. Foley's Honey and Tar is a safeguard against serious results from Spring colds, which inflame the lungs and develop into pneumonia. Avoid counterfeits by insisting upon having the genuine Foley's Honey and Tar, which contains no harmful drugs. New Stanford Drug Co.

SAMPSON

will make the 1909 season at my farm, where I live, 1/2 mile south of Stanford on the second piece as to insure a living colt. This young jack's colts won more premiums in 1907 and 1908 than any jack in the county. His two first colts have never been beaten in their class as colts and yearlings and look like winners for 1909. They were shown at all local fairs both years, and at Lexington and Kentucky State Fair in 1908. His 1908 colt was 1st winner at Kentucky State Fair and at several local fairs. None of his 1907, 1908 and 1909 colts are on my farm to show for themselves. J. H. BAUGHMAN, Phone 85, Stanford, Ky.

HIGHLAND.

The farmers are busy preparing to plant corn. There is also quite a lot of land being prepared for tobacco. Rev. J. M. Cook preached a very interesting Easter sermon at the M. E. church Sunday. He also preached at night. Jordan Floyd has moved to the Baker farm on Greasy Ridge. Adams & Hiatt are preparing to move their saw mill down on Green river. than have my feet cut off," said M. L. Bingham, of Princeville, Ill., "but you'll die from gangrene (which had eaten a way eight toes) if you don't," said all doctors. His death was due to a general breakdown. Prof. Roark was the author of several teachers' text books. Gov. Willson, who has been confined to his home for several weeks from an injury to his leg he received in a runaway accident, is reported as not doing so well. The member still annoys the Executive considerably and some fears are entertained that it is more serious than at first supposed. Articles of incorporation were filed at Frankfort for a complete traction system to connect Cincinnati, Louisville, Lexington and Maysville. The road is incorporated at \$10,000,000 and the promoters, who are chiefly Grant county men, say they have backing of Eastern capital to build the road. The proposed line will tap the rich white Burley tobacco district of the State in several places where there is no railroad of any description. Some 250 miles of track is proposed to be built by the promoters.

Swept Over Niagara.

This terrible calamity often happens because the careless boatman ignores the river's warnings—growing ripples and faster current—Nature's warnings are kind. That dull pain or ache in the back warns you the Kidneys need attention if you would escape fatal maladies—Dropsy, Diabetes or Bright's disease. Take Electric Bitters at once and see Backache fly and all your best feelings return. "After long suffering from weak kidneys and lame back, one 81 bottle wholly cured me," writes J. R. Blankenship, of Belk, Tenn. Only 50c at Penny's Drug Store.

HUSTONVILLE.

The West end of Main street is now without lights and there is no prospect of getting them. A large crowd attended the sale of Dr. Estes' effects last Saturday and good prices prevailed. The freeze Easter morning played havoc with the splendid prospect for a fruit crop in this locality. Quite a crowd from here is attending the Southern Electrical Exposition at Louisville and doing Spring shopping. McCormack, Myers & Vaughn bought 240 fat hogs of J. W. Allen at market prices and shipped them to Cincinnati. Chas. Wheeler will be the delegate from the church here to Presbytery, when it meets at Lawrenceburg on April 20. The citizens' petition to the city council asking that hogs be prohibited from running on the streets, was turned down. The excuse offered by one councilman was that all stock should have been included in the petition. The Northcott Produce & Poultry Co. will open their house for business here this week. These gentlemen come with high recommendations for straight and honest dealings, and success will surely attend their efforts when they become known. Mrs. Major Tombs, the beloved wife of the well-known major, passed into eternal life on Wednesday, 7th, aged 55. Pneumonia was the cause of her untimely demise.
