At the harmony banquet given to Senator Bradley at the Seelbach the other night, Toastmaster E. C. O'Rear read a number of "wireless" telegrams from prominent men not present. This alleged to be from Gov. Willson is a sample and a very laughable one: "Sorry I can't be with you. Don't go out at night any more. Have stopped night riding." As he prides himself that he has stopped night riders in their mad career, the point of this is peculiarly patent.

The question "what is whisky?" has been agitating the government experts for several months, but the answer has not been published. A British expert says: "Whisky is a spirit obtained from distillation from a mash of cereal grains saccharified by a diastase of malt." Why not let it go at that and add: That it is responsible for more headaches, crimes and sorrow than any thing ever invented. Look not upon it when red or any other color.

The Eminence man who contracted an "affinity" marriage recently, which slipped a cog when the woman turned up in New York and gave an interview that it was only a trial marriage, of which she had repented, has taken to himself a third spouse, after legally freeing himself from the consequences of the second venture. Some men do not profit by experience, but persist in running their heads into a hornet's nest.

The Jeffersonian barbecue at Louisville Tuesday and Wednesday was a big affair. Democratic oratory was on tap and burgo and other good things flowed freely. Our Congressman, Hon. Harvey Helm, was one of the orators, and his speech was a gem. Hundreds of democrats enjoyed the barbecue and went home determined to work harder for the success of the party.

OUR brother, Mr. W. P. Walton, could not stay out of the harness long. He is not built that way. On Wednesday he assumed control of the Lexington Gazette and from now hence his editorials will be the feature of that paper. The Gazette is an afternoon paper and one of the very best publications in the State.

If Christ had come some of the newspapers would not make as much ado as they do over the return of Harriman to the United States, notwithstanding Roosevelt dubbed him an undesirable citizen.

THE Louisville Herald refers to the sanguinary soul of Gen. P. P. Johnson. The writer should have a care. The general broke his best cane over an editor's head recently for a much less offense.

THAT good paper, the London Democrat, John Pearl editor, has just rounded out its first year. May it live and prosper forever, and its clever promoter never die.

THE Courier-Journal printed Hon. Harvey Helm's speech made at the Jefferson Barbecue Tuesday and it is mighty good reading.

A contest has been filed by John L. Wells against W. H. Jones, who received the certificate of nomination for county judge at the recent republican primary in Laurel.

POLITICAL.

Dan Borden, democratic county clerk of Pulaski, has resigned on account of ill health and Judge Barnett has appointed his son, M. H. Barnett, to succeed him.

Lawrence B. Finn, of Franklin, was nominated at the democratic convention at Owensboro for railroad commissioner to succeed the late McD. Ferguson.

In two weeks President Taft will leave Beverly on what will prove to be in many ways a record-breaking presidential tour. The president's first stop will be in Boston the evening of Sept. 14, where he will be the guest of honor at a big banquet given by the Boston Chamber of Commerce. The following morning he will start a 13,000-mile journey back to Washington.

Indications from returns in the republican primary in Whitley county are that the county judge's race is very close between B. F. Rose and J. C. Lovitt, with chances in favor of Lovitt. J. C. Bird was nominated for County Attorney; Jonathan Stanfill, Clerk; C. W. Renfro, Sheriff; Matt Morgan, Jailor; Frank Davis, Superintendent of Public Instruction; A. J. Silcox, Assessor; L. P. Lay, no opposition for Circuit Clerk. It is estimated that \$25,000 was spent in the election.

This and That.

The loss of life from flood along the Santa Catalina River and other streams in the vicinity of Monterey, Mex., is now estimated at over 3,000. Many small villages were totally wiped out.

A work train ran into a double-header freight train between Riddlesburg and Saxton, Pa., on the Huntingdon and Broad Top railroad. Three men were killed and two others were seriously scalded.

The new battleship Michigan was officially turned over to the United States Government by its builders. The latest acquisition to the United States fighting force is of the Dreadnought class and one of the largest battleships afloat.

James Littrall, aged eight years, shot and killed his six-year old sister, Gerie, at Nicholasville. The weapon used was a double-barreled shot gun, which the boy did not know was loaded, and picked up to play with. The top of the little girl's head was blown off and her brains scattered over the room.

Just over the State line, South of Somerset, Deputy Sheriff W. L. West was shot by Ewell Phillips, the ball passing entirely through his body, resulting in almost instant death. Phillips surrendered himself to the authorities, but would not discuss the shooting. There had been bad feeling between the two men for quite a while.

Washington's Plague Spots

lie in the low, marshy bottoms of the Potomac, the breeding ground of malaria germs. These germs cause chills, fever and ague, biliousness, jaundice, lassitude, weakness and general debility and bring suffering or death to thousands yearly. But Electric Bitters never fail to destroy them and cure malaria troubles. "They are the best all-round tonic and cure for malaria I ever used," writes R. M. James, of Louellen, S. C. They cure Stomach, Liver, Kidney and Blood Troubles and will prevent Typhoid. Try them, 50c. Guaranteed by Penny's Drug Store.

"We have again in our midst" that doughty antagonist and generous critic, Hon. W. P. Walton, whose Gazette, we may be certain, will have a no less personal flavor than that with which he speared the State Journal.—Louisville Times.

Pains of women, head pains, or any pain stopped in 20 minutes sure, with Dr. Shoop's Pink Pain Tablets. See full formula on 25c box. Sold by Penny's Drug Store.
