

THE INTERIOR JOURNAL. Established 1872. EVERY TUESDAY AND FRIDAY At \$1 Per Year in Advance.

SHELTON SAUFLEY, Publisher Entered at the Post Office at Stanford, Ky., as Second Class mail.

HON. HARVEY HELM of Lincoln county, is a candidate for re-nomination for Congress from the Eighth district, subject to the action of the democratic party.

NEWS NOTES.

SOME REAL GOOD, AFTER ALL.

PAPERS over the State are having much to say about the recent session of the General Assembly, and most of them agree that it did very little in the way of real benefit.

However negligible may have been the actual legislative benefits of the session just closed, there can be no doubt but that it accomplished much good in that it revealed in their true colors a number of hitherto so-called leaders of the democratic party, and some among the republicans, too.

It seems to us that fate has been unusually cruel, in a political way, to Will Price, of our neighboring county of Boyle. Three times he has been considered by the democrats of this district for high honors, only to become eliminated in one way or the other.

GOVERNOR WILSON vetoed the legislative act providing pensions for the ex-Confederate soldiers who live in Kentucky. During his campaign for governor, he frequently told on the stump of the assurances he had that he would receive a large part of the Confederate vote of the State.

SPEAKER CANNON finally got what has long been coming to him. The day of one-man rule is past and the sooner demagogues find it out the better for the country.

Lancaster.

W. K. Shugars, of Stanford, was over to see his father, Judge Wm. Shugars, Mr. R. Ziems, of New Liberty, Ind., was the guest of Mr. and Mrs. John Ballard. Mrs. Thos. P. Wherritt is at home, after a visit to her son, Claude Wherritt, at New Orleans.

San Angelo, Texas. Harry Tomlinson is back from Ashville, N. C., where he went to see his sister, Miss Maggie Tomlinson, and also to accompany her home. Mrs. Mary Taylor left Saturday for a short stay with Louisville relatives, after which she will go to Martinsville, Ind., for treatment for rheumatism.

Mr. Tram Conn celebrated his 88th birthday by giving a sumptuous dinner to a number of his friends at his home near Hiattsville. All the guests wished him many happy returns of the occasion.

Reconstruction work will begin on the Stanford pike in a short time with our new machinery. The entire outfit has been received and is now on the county lot.

Major Wm. H. Collier, one of the best known republican politicians in the State and one of the most popular leaders of the party in Garrard county, has been appointed district deputy collector in Collector Ludlow Pett'y office in Louisville.

Obituary.

David Thompson, who died at his home near Lancaster, on Feb. 25, 1910, was in many respects a remarkable man and possessed many excellent traits of character.

He moved to Garrard county in 1882. His wife died Aug. 2, 1901. His great grandfather was one of the first settlers of Kentucky, coming with Boone in 1774, his grandfather, David Warren, being the first male white child born in the territory now comprising Kentucky.

Personally, he was very attractive, courteous, affable, and possessed of strong mental powers. He was true to his convictions and had the courage to assert, advocate and defend them.

DON VARRICK

This magnificent bred young stallion will make the season of 1910 at my stable near Stanford, Ky., on the Shelby City pike at \$5 to insure a fine colt. Don Varrick is 10-2 a beautiful chestnut short back heavy bone in fact the highest type of the trotter and perfect disposition. He is by the great Onward Silver 2:30 1/2, that won the Kentucky Transylvania in a seven heat race in 1909 and the same year won the \$10,000 Bonner Memorial and the M. and M. all in broken heats and sold for \$21,000 and later for \$5,000. Don Varrick is bred exactly like spanish Queen that won the \$5,000 Transylvania in 1908 making a record of 2:27 and was classed as one of the big four, being one of the greatest money winners on the grand circuit in 1908.

Onward Silver is by Onward, one of the greatest and best sons of George Wilkes. Onward's dam was the dam of Director, the sire of that great family of trotters and pacers. Don Varrick's dam was by Wilkes Boy, by George Wilkes a full sister to the Way 2:15 1/2, and half sister to Madeline Patchen the dam of Rubber 2:10, Winchester 2:19 1/2, Billy Wilton 2:20, and Miss R. 2:20, 2nd dam Mary by Boggs's Grey Eagle the dam of The Way and Madeline Patchen.

Don Varrick's dam produced Dr. Conner that paced a public half mile on the Lexington track at 14 months. Don Varrick sold to N. W. Hubinger of New Haven for \$1,000, she also produced Maggie 1:50, that trotted a half mile on the same track at 18 months old in 1:11 and sold for \$50. Don Varrick is fast game and always on the trot, very rarely ever leaves his feet. In 6 weeks making last Fall he trotted a quarter on half mile track in 30 1/2. See half in 1:10 and the mile in 2:27 1/2 on the outside of track. Please note the rich inheritance of speed on both sides, not a missing link for generations. Breed to this fellow and you can't miss the four things every breeder looks for size, disposition, speed and looks. See him before booking your mares. Season money due when mares are parted with or bred to another horse. Mares kept at the breeder's all care taken, but will not be responsible for accidents or escapes. Don Varrick is a 2:10 trotter if he had the proper handling.

Also at same place will stand Two Mighty Jacks Two, CLIFTON and RUSSEL. CLIFTON is a black jack with light points, 4 years old last September, 15 1/2 hands high with a matchless head and ear, well set on a rangy neck, has plenty bone and substance and as a breeder he is not surpassed.

RUSSEL is a black jack with light points, 4-year-old last August, full 15 1/2 hands high with as much dash and action as a horse, and a breeder he is the equal of any jack. Both of these jacks will serve mares at \$10 to insure a living colt. Trading the mares for the insurance. Care will be taken to prevent accidents, but will not be responsible should any occur. Jennets will be cared for after sale list, and bred by private contract. E. P. WOODS, J. H. WOODS.
