POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

CAN'T BEAT HELM.

One of the best speeches of the campaign that we have seen is by Congressman Harvey Helm of the Eighth district, says Col W. P. Walton in the Lexington Herald. He presents facts and figures so gracefully that the wayfaring man, though a fool must be attracted by him. In addition to his arguments, he makes a good deal of sport of Cannon and his satellites and says that Champ Clark having promised to let him preside occasionally when he is elected speaker, the greatest delight of his congressional life will be when so presiding to say, when Mr. Cannon arises and addresses the chair, "The gentleman from Illinois is not in order." That may be fun for Helm but it will be wormwood and gall for the Czar who, shorn of power, will probably pine away and die.

By the way Mr. Helm has given one nominee of the Republican party "cold feet" and the other having been nominated by the committee out of form, the prospect is that his 1600 and over majority of two years ago may be increased to 2500.

Success Magazine gives the democrats 168 Congressional districts sure, the Republicans 169, with a total of probably a tie, with fifteen doubtful districts. In Kentucky it places both the Ninth and Tenth districts close, with probability of democrats being elected in both. The magazine's conclusions are that the next House of Representatives will be almost exactly in even balance. The probabilities are slightly in favor of a Republican majority of two or three, but it is impossible to predict with certainty at this writing, which of the two parties will organize the House.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as with-out fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

CAPT. BOGARDUS AGAIN HITS THE BULL'S EYE

This world famous rifle shot holds the championship record of 100 pigeons in 100 consecutive shots is living at Lincoln Ill. Recently interviewed he says: "I suffered a long time with kidney and bladder trouble and used several well-known kidney medicines, all of which gave no relief until I started taking Foley's Kidney Pills. Before I used Foley's Kidney Pills I had severe backaches and pains in my kidneys with suppression and a cloudy voiding. On arising in the morning I would get dull headaches. Now I have taken three bottles of Foley's Kidney Pills and feel 100 per cent better. I am never bothered with my kidneys or bladder and again feel like my own self." Shugars and Tanner.

Constipation Cure Free

With the first signs of constipation you resort to the home methods of relief, such as hot or cold water on arising, lots of stewed fruit with your breakfast, etc., but what do you do when these fail?

The majority then start on salts and purgative waters, then change to cathartic pills, etc. If you have gone through these various stages you know they were all useless, so far as permanent results go. Now you should try just once again, but try something practical and sensible, a remedy made and intended for the purpose you are trying to accomplish. Such a remedy, as thousands can testify, is Dr. Caldwell's Syrup Pepsin, which is guaranteed to be permanent in its results. Its ingredients are such that by a brief use of it the stomach and bowel muscles are trained to again do their work normally, so that in the end you can do away with medicines of all kinds. That it will do this Mr. G. Y. Dodson of Danville, Va., will gladly attest, and so will Mrs. S. A. Hampton of Portage, O. To those who are still skeptical there is a way to prove these assertions without a penny of expense: Simply send your name and address to Dr. Caldwell and obtain a free sample bottle. After using it, if you are then convinced it is the remedy you need, buy a fifty cent or one dollar bottle of your druggist and continue to use it for a brief time until cured. The directions are simple and the dose is small. It is pleasant to the taste, does not gripe and is promptly effective, and these statements are guaranteed or money will be refunded.

This remedy is over a quarter of a century old and is personally taken by more druggists than any other similar remedy on the American market. Because of its effectiveness, purity and pleasant taste it is the ideal laxative remedy for children, women and old folks generally. Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. R. Caldwell, R. 509 Caldwell building, Monticello, Ill.

One Doctor—Only One

No sense in running from one doctor to another! Select the best one, then stand by him. No sense either in trying this thing, that thing, for your cough. Carefully, deliberately select the best cough medicine, then take it. Stick to it. Ask your doctor about Ayer's Cherry Pectoral for throat and lung troubles. Sold for nearly seventy years. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Why try this thing, that thing, for your constipation? Why not stick to the good old reliable family laxative—Ayer's Pills? Ask your doctor if he approves this advice.
