The Famous Rayo

Does Not Strain the Eyes Don't use a small, concentrated light over one shoulder. It puts an unequal strain on your eyes. Use a diffused, soft, mellow light that cannot flicker, that equalizes the work of the eyes, such as the Rayo Lamp gives, and avoid eye strain. The Rayo is designed to give the best light, and it does. It has a strong, durable shade-holder that is held firm and true. A new burner gives added strength. Made of solid brass and finished in nickel. Easy to keep polished. The Rayo is low priced, but no other lamp gives a better light at any price. Once a Rayo User, Always One. Dealers Everywhere. If not at yours, write for descriptive circular to the nearest agency of The Standard Oil Company (Incorporated)

SUFFERED 23 YEARS

Constant Sufferer From Chronic Catarrh Relieved by Peruna.

Mrs. J. H. Bourland, San Saba, Texas, writes: "For twenty-three years I was a constant sufferer from chronic catarrh. I had a severe misery and burning in the top of my head. There was almost a continual dropping of mucus into my throat, which caused frequent expectoration. My entire system gradually became involved, and my condition grew worse. I had an incessant cough and frequent attacks of bilious colic, from which it seemed I could not recover. My bowels also became affected, causing alarming attacks of hemorrhages. I tried many remedies, which gave only temporary relief or no relief at all. I at last tried Peruna, and in three days I was relieved of the bowel derangement. After using five bottles I was entirely cured. I most cheerfully recommend the use of Peruna to any one similarly afflicted."

There is more Catarrh in this section of the country than at other places, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio, Room 108, Franklin Bldg. Take Hall's Family Pills for constipation.

A few minutes delay in treating some cases of croup, even the length of time it takes to go to a doctor often proves dangerous. In hundreds of cities in this country "Peck's Bad Boy" which is billed for Stanford, next Saturday night holds the record for attendance. There is scarcely a theatergoer in any community who cannot recall some time or other when this favorite old comedy with music, has not "stood them up" in a local playhouse. Particularly true is this of matinee performances, for "Peck's Bad Boy" is with-out an equal as a play for the children.

This old favorite has not been seen in this locality for some time, and its return will be welcomed by many people who remember it for the past enjoyment evenings. It has been brightened and refreshed with the addition of new songs and dances; and the interpreting company is the best which has ever been congregated for the play.
