THAT AWFUL BACKACHE

Cured by Lydia E. Pinkham's Vegetable Compound

Morton's Gap, Kentucky.—"I suffered two years with female disorders, my health was very bad and I had a continual backache which was simply awful. I could not stand on my feet long enough to cook a meal's victuals without my back nearly killing me, and I would have such dragging sensations I could hardly bear it. I had soreness in each side, could not stand tight clothing, and was irregular. I was completely run down. On advice I took Lydia E. Pinkham's Vegetable Compound and Liver Pills and in a few days I was enjoying good health. It is now more than two years and I have not had an ache or pain since. I do all my own work, washing and everything, and never have the backache any more. I think your medicine is grand and I praise it to all my neighbors. If you think my testimony will help others with my affliction, let Mrs. Ollie Woodruff, Morton's Gap, Kentucky, describe the symptoms of organic weakness or derangement. If you have backache don't neglect it. To get permanent relief you must reach the root of the trouble. Nothing we know of will do this so surely as Lydia E. Pinkham's Compound. Write to Mrs. Pinkham, at Lynn, Mass., for special advice. Your letter will be absolutely confidential, and the advice free.

Sold by Penny's Drug Store. There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Dr. J. C. Cheney's Catarrh Cure, manufactured by J. C. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 15 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: J. C. Doctors Said Health Gone

Suffered with Throat Trouble Mr. B. W. D. Barnes, ex-Sheriff of Warren County, Tennessee, in a letter from McMinnville, Tennessee, writes: "I had throat trouble and had three doctors treating me. All failed to do me any good, and pronounced my health gone. I concluded to try Peruna, and after using four bottles can say I was entirely cured." Unable to Work. Mr. Gustav Himmelreich, Hochheim, Texas, writes: "For a number of years I suffered whenever I took cold, with severe attacks of asthma, which usually yielded to the common home remedies. Last year, however, I suffered for eight months without interruption so that I could not do any work at all. The various medicines that were prescribed brought me no relief. After taking six bottles of Peruna, two of Lacuria and two of Manalin, I am free of my trouble so that I can do all my farm work again. I can heartily recommend this medicine to any one who suffers with this annoying complaint and believe that they will obtain good results." A new feature in our new Corn Planter. See it before placing your order. W. H. Higgins. Rev. J. J. Dieker will preach at Mt. Xenia school house next Sunday afternoon at 8 o'clock.

Mr. B. W. D. Barnes.

The Famous Rayo

Gives the Best Light at Any Price When you pay more than the Rayo price for a lamp, you are paying for extra decorations that cannot add to the quality of the light. You can't pay for a better light, because there is none. An oil light has the least effect on the human eye, and the Rayo Lamp is the best oil lamp made, though low in price. You can pay \$5, \$10, or \$20 for some other lamp, and although you get a more costly lamp, you can't get a better light than the white, mellow, diffused, unflattering light of the low-priced Rayo. Has 3 strong double shades. This season's favorite in the standard oil lamp. Made of solid brass, finished, and painted. Close a lamp over, always use Double Shade, it is the best. STILL A KENTUCKIAN. In entering his paper changed from Nashville to Memphis, Tenn. Dr. O. L. Meyer writes:

"Although I am located here in Tenn., it must be remembered that I write for several newspapers but always read the L. J., first of all. It keeps me in touch with all my friends in the Blue Grass and it is with a great deal of pleasure that I scan its sacred columns twice every week."

The Henry Clay Fire Insurance Company in which many Lincoln people are interested has declined the proposals and inducements offered to move the headquarters of the company from Lexington to Frankfort. The question was left to a committee of the board of directors, of which President James was chairman, and this committee has carefully considered the inducements offered by Frankfort, but decided to decline the proposition to move to the headquarters, though appreciation was expressed of the generous offer of the business men of Frankfort.

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

Take CARDUI

The Woman's Tonic. The pains from which many women suffer every month are unnecessary. It's not safe to trust to strong drugs, right at the time of the pains. Better to take Cardui for a while, before and after, to strengthen the system and cure the cause. This is the sensible, the scientific, the right way. Try it.
