Attention Poultry Raisers

Sick Fowls Don't Pay, Droopy Hens Won't Lay.

WHY LOSE YOUR FOWLS? Why take chances against disease? A few drops of Bourbon Poultry Cure, in the water keeps fowls strong, vigorous and thrifty, protects them against disease and puts them in prime condition for egg-laying. It is the only remedy that can be depended upon to cure rous, Cholera and Gapes simply because it destroys the germs which cause these diseases. One 50 cent bottle makes 12 gallons of medicine. Every Poultry raiser should keep a bottle of this medicine on hand.

OUR BOOKLET ON "DISEASE OF FOWLS CAUSE, SYMPTOMS AND TREATMENT," IS FREE. ASK YOUR DRUGGIST FOR IT.

Last year we lost an entire hatch from white diarrhoea; this year we have used Bourbon Poultry Cure in their drinking water continually and have not lost any. We highly recommend it to be all you claim for it, and we attribute our success to the use of it.—W. E. Johnson & Son, Lexington, Ky.

NOTE—This firm won first prize and color special for cockerels also gold medal for best bird in show at Missouri State Poultry Show. I have been raising chickens for nearly fifty years and Bourbon Poultry Cure is the most satisfactory remedy for cholera and gapes that I have ever used.—Mrs. W. W. Halston, Hopkinsville, Ky.

For turkeys and chickens Bourbon Poultry Cure does all that you claim for it. If you have no agents at Kansas City, I would like to take a hundred samples with me and distribute them among the large breeders.—S. A. Havens, Shelbyville, Ind.

NOTE—Mrs. Havens was awarded twenty six ribbons on his fowls, including first prize for best gobbler, at Missouri State Poultry Show. I feel it my duty to give my testimony in regard to Bourbon Poultry Cure. I bought some turkeys that were affected with cholera and rous, and I used it and did not lose a single bird in my flock. I think it is the best poultry remedy I know of. You are privileged to use my name to the public or to your customers, I have been raising poultry for many years, and have used many remedies of different kinds, and Bourbon Poultry Cure is the best remedy I ever used.—Mrs. Sallie Compton, Perryville, Ky.

We have hundreds of testimonials like these, in our circulars and booklets. The remedy doesn't work or these prominent poultry raisers wouldn't say so. They wouldn't buy it and then lie about it if it failed. Try and see for yourself what it will do for your fowls.

THE FARMERS

POSTED.—Father Leo, W. B. King. For Sale.—Double Standard Polled Durham Short Horn Bulls, model farms and choice breeding. 200 bushels rye and seed oats. 500 bales timothy hay. A. W. Carpenter, Moreland.

W. S. Wigham of Moreland, has posted his property against trespassers of all kinds. 11-6.

A bargain if sold in 30 days.—A tract of 87 acres of land on Crab Orchard and Stanford pike, 3 miles from Crab Orchard, Ky. Apply to W. T. Garner, Stanford, R. F. D. No. 1, 17-1f.

For Sale.—Three year old gray jack well bred good size. For Particulars address Jas. McKechnie, Hubble, Ky., Lancaster, Phone 384-S 17-2.

R. C. Arnold bought 7 cows of Thurlock Jones last week at 4-1-2 cents.

J. Lee Murphy bought 15 hogs at Middleburg last week at 7 cents.

J. B. Walker of Richmond bought 75 acres of the old Beazley farm between the Lexington and Sugar Creek turnpikes for \$80 per acre. This has always been considered one of the finest and most productive farms in Garrard county.

The mule sale held at G. S. Moore's barns, at Springfield, Tenn., recently by Morrow Bros., of Adairville, resulted in the highest prices that were ever paid for mules in that county. They were coming two years old and brought all the way from \$175 to \$249. Thirty-two head were sold by this firm, all being extra fine ones.

G. M. Owens, Hiseville, Ky., bought a pair of 15 hand, heavy horse mules from Mr. Henry Altscheller, of Horse Cave, Ky., for \$350.

J. N. Renaker an agent for Richard Oliver, Clark county, recently sold his four year old black jack to Mr. Floyd Lair, of near Cynthiana, Ky., for \$850. The jack has the reputation of being a fine animal.

Burton and Mullins bought of J. I. Hysinger 8 good cattle at \$20 per head. Hysinger bought of T. N. Noss, 10 cattle at \$17 per head. Mr. Hysinger also bought of James Hoiles 4 cattle at \$110.—Mt. Vernon Signal.

There were about 500 cattle on the market here Monday, court day but trading was rather dull owing to the high prices asked. Some extra good stock brought as high as 6 cents and many traders whose cattle were not so closely selected to think they ought to get to the notch figure too, hence the inactivity of the market. Cattle buyers and traders were here from a dozen counties and all agree that Stanford is now the best market in this part of the state.

W. Sloan of Hubble, sold a fine 2-year-old jack to Wilkes Rogers of upper Garrard for \$750. This jack is 15 1/2 hands high and is a fine individual. Mr. Sloan also sold a nice colt to Will Lillard for \$325 and bought the crack young stallion Silver Wood, from James Rogers. This stud is only four-year-old and gives much promise.

V. A. Lear sold to R. G. Pettus of Lincoln county a pair of 6-year-old mules for \$500 to be used by a West Virginia Coal Company. V. A. Lear sold a 3-year-old mule to James Duder for \$200. Mr. Lear sold a fat cow to T. S. Eikin for 4-3-4 cents per pound.

The Famous Rayo

The Lamp with Diffused Light should always be used where several people sit, because it does not strain the eyes of those sitting far from it.

The Rayo Lamp is constructed to give the maximum diffused whiter light. Every detail that increases its light-giving value has been included.

The Rayo is a low-priced lamp. You may pay \$5, \$10 or even \$20 for other lamps and get a more expensive center—but you cannot get a better light than a Rayo gives.

This woman's Rayo has a new and strengthened burner. A sturdy, durable shade-holder keeps the shade on firm and true. Easy to keep polished, so it is made of solid brass, finished in nickel.

Pinkham's Vegetable Compound cured me after everything else had failed, and I recommend it to other suffering women."—Mrs. W. M. SEALS, 605 W. Howard St., Creston, Iowa.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound, which is made exclusively from roots and herbs.

Women who suffer from those distressing ills should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you want special advice write to Mrs. Pinkham, at Lynn, Mass. She will treat your letter as strictly confidential. For 20 years she has been helping sick women in this way, free of charge. Don't hesitate—write at once.

Nervous

"I was very nervous," writes Mrs. Mollie Mirse, of Carrsville, Ky., "had palpitation of the heart, and was irregular."

"On the advice of Mrs. Hattie Cain I took 2 bottles of Cardui and it did me more good than any medicine I ever took."

"I am 44 years old and the change has not left me, but I am lots better since taking Cardui."

Take CARDUI

The Woman's Tonic

Cardui is advertised and sold by its loving friends. The lady who, advised Mrs. Mirse to take Cardui, had herself been cured of serious female trouble, by Cardui, so she knew what Cardui would do.

If Cardui cured Mrs. Cain and Mrs. Mirse, it surely will cure you too. Won't you try it? Please do.
