

WHAT I WENT THROUGH

Before taking Lydia E. Pinkham's Vegetable Compound.

Natick, Mass.—"I cannot express what I went through during the change of life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold, I had creepy sensations, and I could not sleep nights. I was finally told by two physicians that I also had a tumor. I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it had worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish my letter."—MRS. NATHAN B. GREATON, 51 N. Main Street, Natick, Mass.

The Change of Life is the most critical period of a woman's existence. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedy. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists. Take Hall's Family Pills for constipation.

A Welcome Change

Smoke curling up from the farmhouse chimney as the men are coming in from the fields, gives a pretty suggestion of a good supper and a comfortable home. But it also means a hot, tired woman, working hard over a blazing fire.

Your wife can escape this with a New Perfection Oil Cook-stove.

A New Perfection keeps a kitchen many degrees cooler than any other range, yet it does all a coal or wood range can do. It saves time, labor and fuel. No wood to cut; no coal to carry; no ashes; no soot. With the New Perfection oven it is the best cooking device you can find anywhere.

Made with 1, 2 and 3 burners, with long, turquoise blue enameled chimneys, flamelessly finished throughout. The 2 and 3 burner stoves can be had with or without a cabinet top, which is fitted with drop shelves, towel racks, etc.
Dealers everywhere or write for descriptive circular to the nearest agency of the Standard Oil Company (Incorporated)

The appointment of Thomas D. Newland, Jr., as Deputy Circuit Clerk will not mean that he is to retire from his father's large and prosperous grocery store on Main street. He will continue to devote all of his time to it, but is simply empowered by the appointment to sign papers and attend to other necessary details which may arise at any time when Col. Swope is out of the city.

Every lady of the Stanford Christian church is urgently requested to be present at a call meeting Saturday afternoon May 27th at 2:30. Don't fail to give this your careful attention. Interest of vital importance to be settled at this meeting.
