FOR REPRESENTATIVE
William H. Shanke announces his candidacy for Representative from Lincoln county, subject to the action of the Democratic party.

The Frankfort News-Journal says that State Librarian Frank Kavanaugh will probably have no opposition for re-election when the next session of the general assembly convenes. This is exactly as it should be. The legislators could not possibly find a more efficient librarian than Mr. Kavanaugh if they went over the United States with a fine toothed comb, nor an official more completely devoted or more faithful to his duty. The Interior Journal is for him, first, last and all the time and wants to move right now that he be elected for life.

The republican State convention suggested Senator Bradley as a running mate for Taft next year. Did the originator of the idea intend it as a boost for Taft or a slam at Bradley?

BOWEN

After quite a drought we had a good rain Sunday. It seems that growing vegetation has almost taken new life. This rain was appreciated by all for we had been slighted for some time. John F. Russell and family were visiting relatives in Junction City this week.

The funeral of Mrs. Sallie Crutcher, wife of Dosa Crutcher, was held at Harris Creek last Sunday in the presence of a large crowd of relatives and friends. The sermon was preached by Rev. Jas. Edwards. Mat Murphy has been with his father, of Fry's Creek, for some time. The elder Murphy passed into eternity after a long illness.

Mrs. Pearl Vaughn, of Butchertown, who is quite an accomplished nurse, is back with Mrs. Mack Moore, after a short visit with her relatives at home. Mrs. Moore remains quite ill. Dock Russell, of Hall's Gap, made a short visit in this section, calling on Ezekiah Young, one of his old Civil War comrades. We presume several battles were relived during his visit.

Mrs. H. Young, who has been ill for some time, is improving slowly. Wm. and Thomas Carney have recently arrived from Illinois. They report corn crops in that country suffering for want of rain, also the potato crop a failure.

Wm. Fuchanan and wife of Stanford, called on his sister, Mrs. John Russell last Saturday. Judge Moore, of Danville, visited his brother, Mack Moore Sunday. Owing to poor health, Mr. Moore has not been in this neighborhood since last year. He is now much improved.

A good protracted meeting has just been closed at our school house. Service were well attended and very good order prevailed. The meeting was conducted by W. D. Southern and of Moreland.

Our school began last week with a good attendance, considering the busy time, with almost all children. Up to date 37 have been enrolled and 36 are in attendance. School is being taught by J. H. Wolford, of the West End. We expect to have an excellent school this year. The school house premises are well equipped generally. The house was roofed this summer with a good metal roof, and a well dug which affords a nice supply of pure water. All children of school age are expected to attend without being compelled to do so, under the compulsory law.

Bring Your
Prescriptions
Here To Be
Compounded

When your physician has prescribed a medicine for you to take, the next important step is to have that prescription placed in the hands of a thoroughly reliable and competent pharmacist so it will be compounded exactly as directed. We have gained an enviable reputation for always being very careful and painstaking in our compounding and feel that, in all justice to your own good health, you should bring your next prescription here. Here, too, you will find a complete and inviting display of toilet articles, rubber goods, soaps, perfumes, toilet preparations and all standard remedies. For interior decorating we carry and recommend ALABASTINE, the beautiful wall coating. Call and see samples of tints and ask us about it.

Spring Suitings

My new spring and summer samples are now ready for your inspection. They comprise the best on the market I can suit anyone as to price who had his clothes made to order. A suit made to your measure is preferable to ready made clothes. To have them made to measure doesn't cost any more than ready made when quality and fit is considered. Come in and let me take your measure.

H. C. RUPLEY, The Practical Tailor.

DON'T BE TOO GENEROUS.

With the cement, lime, etc. you get from us. Remember that all our building materials are much stronger than the ordinary and you can therefore use less than ordinary quantities. If you like we'll tell you just how to mix them to get the best results at the least cost. Come in and ask us.

J. A. ALLEN, Stanford, Ky.

CONCRETING

We are in position to do all kinds of concreting, such as Block Work, Pavements and in fact, we can make any thing from a house down to a fence post. We can serve you promptly and guarantee first-class work and material. Call and get our prices before you buy your material at least.
