RASPBERRY CROP

Gathered By Chas. T. Wilson On His Farm November 1.

California and Florida are not the only states which produce fruits in the winter time. Kentucky has recently joined the procession. Various newspaper reports have recently been seen of apple trees in bloom while the summer crop had not been gathered, and other such unusual horticultural feats, but Lincoln county has an exhibit that is going to be hard to equal and that is a delicious crop of raspberries harvested on November 1st. That is what Charles T. Wilson did on his cozy little farm out on Rural Route No. 3, south of town, and to prove it, he brought a box of nice fresh raspberries in to the I. J. office and any doubting Thomas can come in and see them for himself. Mr. Wilson says "The crop is not a heavy one but shows that the Knobs can do on the fruit question."

MILD, GENTLE LAXATIVE FOR WOMEN GIVEN FREE

So many of the ills of women are due to habitual constipation, probably because of their false modesty on the subject, that their attention cannot be too strongly called to the importance of keeping the bowels open. It is always important to do that, regardless of the sex, but it is especially important in women. From the time the girl begins to menstruate until menopause ceases she has always vastly better prospects of coming through healthy if she watches her bowel movements. If you find yourself constipated, with bad breath, simply complexion, headaches, belching gas and other symptoms of indigestion and constipation, take a small dose of Dr. Caldwell's Syrup Pepsin. It is a woman's favorite laxative. You will find that you can do away with salts, strong cathartics, etc., which

are entirely unsuited to woman's requirements. Mrs. Katherine Haberstroch of McKees Rocks, Pa., and Mrs. A. E. Herrick of Wheeler, Mich., who was almost paralyzed in her stomach and bowels, are now cured by the use of this remedy. A free sample bottle can be obtained by addressing Dr. Caldwell, and after you are convinced of its merits buy it of your druggist at fifty cents and one dollar a bottle. Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 626 Caldwell building, Monticello, Ill.
