The Danville Advocate, published at the home of Hon Jennings Price, says that if Judge John W. Hughes, of Mercer, will run for Congress, he will get Boyle county's vote. The Judge is a mighty fine fellow, but he might as well stay out. All hades itself couldn't keep Harvey Helm out of Congress again after the great work he's been doing for the people of the country this term. Just put that in your pipe and smoke it, brethren of the Advocate.

Roosevelt managers in North Dakota have notified Senator Dixon in Washington that in their opinion Senator La Follette carried the State in the presidential primaries over former President Roosevelt and President Taft. La Follette supporters declare their majority to be from 15,000 to 20,000. President Taft figured little in the vote.

The Somerset Journal went into the hands of a receiver last week. We knew that with the good paper he is getting out, it would be a very short time till Ed Walton had put some of his competitors out of business.

Harry Sommers says in the Elizabethtown News that if Kentucky democrats want to instruct for a Kentuckian, they should instruct for Ollie James, who has more ability and brains than either Clark or Underwood.

Senator-elect Ollie James has declared himself as favoring the nomination of Woodrow Wilson for president.

Arizona's first legislature now in session will put the recall back in the constitution. It was voted out at the behest of Taft, as the price of statehood.

An engine boiler exploded in the Southern Pacific railroad shops at San Antonio and killed 32 men.

Gov. McCreary approved the bill which kills the hop joints in dry territory. It becomes effective in June.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O. Sold by all Druggists. "See Hall's Fam' V Pills for constipation."

HER HAIR GREW

That's Why a Thankful Woman Recommends Parsian Sage.

G. L. Penny will sell you a 50c bottle of PARISIAN SAGE and guarantee it to banish dandruff, stop falling hair and itching scalp, or money back. It's a delightful hair dressing that makes hair lustrous and fascinating.

"In the spring I was recovering from a severe case of erysipelas, which left me virtually bald on the front of my head and next to my ears. The hair kept coming out rapidly and nothing I used stopped my getting entirely bald, until I used two bottles of PARISIAN Sage, this tonic made my hair start to grow in and, in fact, grew me a good fair amount of hair, and it has entirely stopped my hair falling out. It is with pleasure that I give a public recommendation to PARISIAN SAGE, which I know is a wonder." Mrs. Ella Gillehrst, W. Pitt St. Bedford Pa.

MUST BELIEVE IT

When Well-Known Stanford People Tell It So Plainly.

When public endorsement is made by a representative citizen of Stanford the proof is positive. You must believe it. Read this testimony. Every sufferer of kidney back ache, every man, woman or child with kidney trouble will do well to read the following:

James Brackett, blacksmith, Whitely ave., Stanford Ky., says: "I used Doan's Kidney Pills a few years ago and they did me so much good that I am constantly speaking about them to my friends. My principal trouble was from my back, which pained me severely at times. I got a box of Doan's Kidney Pills at Shugars and Tanner's Drug Store and they helped me right away. I have had no back troubles for a long time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Doggett & Blanton, of Shelby North Carolina, fought in Boyle and Marion counties, a car of mules and horses last week. They were all good. They paid \$200 to \$225 each for the seven horses, and \$175 to \$275 each for the twenty-seven mules. Hollis Brown of Shellman, Ga., bought fourteen horses in Boyle paying \$150 to \$225 each.

J. A. Hammonds, the well-known farmer of the West End of the county, formerly of the Hubble section, had a ewe to bear two lambs last week, which is not an unusual thing, but the funny thing about the affair was that one was born on Tuesday and the other the following Saturday. The weather was very bad, and after the birth of the first lamb, mother ewe was penned up in a shed to herself, so as to protect the little one. It progressed nicely all week. Mr. Hammonds was greatly surprised on Saturday morning, when going down to feed the ewe to find her nursing two lambs, one showing plainly that it had been only recently born. Mr. Hammonds says that he never heard before of an ewe bearing twin lambs with several days' interval between them.

W. J. Powell, of Boyle county, has sold his farm on Chaplain river below Perryville, to Thomas Bowler, of Franklin county. The place is one of the best in the county, being mostly river bottom land. The price paid was \$9,000.

TURNERSVILLE

A wee little girl has arrived to brighten the home of Mr. and Mrs. Elbert Moore.

Everyone in this community was deeply grieved to learn that Mrs. Belle Cash Tevis is dead. She was always ready to work in the church Sunday school, and C. W. B. M. also organist. No one ever heard her say, "I am tired." Our sympathy is extended to her bereaved sister, Mrs. Alice Cloyd.

Miss Anna Bower and family are visiting her parents, Mr. and Mrs. J. F. Gover.

Mr. Lucien Bobbitt, of Illinois is visiting his mother and brother here.

Miss Margaret and Master George Rout visited their grandfather, Mr. Walker Rout, Saturday.

Miss Isa Floyd who is teaching a subscription school here, is proving an efficient teacher.

Miss Clara Cash has entered school here.

Miss Mary Zeller of Stanford was the guest of Mrs. George Rout last week. Mrs. George Rout is visiting Mrs. Wheelon at Eubanks.

Miss Ruth Coffey is visiting her aunt, Mrs. Martin.

We are glad to hear that Master James Peck is improving after a severe spell of pneumonia. Cash and Rout have entered their

store. Mr. and Mrs. Marion Koger visited the latter's parents at Danville last week.

Mr. and Mrs. Henry Thompson, of Wayne county were visiting Mrs. Thompson's sister, Mrs. G. W. Koger who continues ill.

Bro. Berry came down from Hustonville Sunday and made an interesting talk on the Sunday school. We feel that this has been needed here for some time, and hope that he will visit us again soon.

Hello Hustonville, indeed that's a unique collection box, but I fear it would get my likeness too often, if we had one here.
