

Why Women Are Not RICH.

Man is a millionaire many times over in the possession of blood cells. Woman is not quite so rich, for scientists have proven that the normal man has five million—the woman only four and a half million to a cubic millimetre of blood.

A decrease in number of red blood corpuscles and a person "looks pale"—in fact, is anemic, the blood does not get the right food and probably the stomach is disordered.

Dr. R. V. Pierce found years ago that a glyceric extract of golden seal and Oregon grape roots, queen's root and bloodroot with black cherrybark, would help the assimilation of the food in the stomach, correct liver ills and in Nature's own way increase the red blood corpuscles. This medicine he called Dr. Pierce's Golden Medical Discovery. By assimilating the food eaten the system is nourished and the blood takes on a rich red color. Nervousness is only "the cry of the starved nerves for food," and when the nerves are fed on rich red blood the person loses those irritable feelings, sleeps well at night and is refreshed in the morning.

"I was attacked with a severe nervous disease, which was caused by a disordered stomach and liver," writes Mr. JAS. D. LIVERY, of Washburn, Tenn., Route 2, Box 25. "All my friends thought I would die and the best physicians gave me up. I was advised to try Dr. Pierce's Golden Medical Discovery, and derived much benefit from same. My case had run so long, it had become so chronic that nothing would effect a permanent cure, but Dr. Pierce's medicine has done much for me and I highly recommend it. I heartily advise its use as a spring tonic, and further advise ailing people to take Dr. Pierce's medicine before their diseases have run so long that there is no chance to be cured."

Dr. Pierce's Medical Adviser, 31 stamps, to pay for wrapping and mailing only.

JOHN WHITE & CO., LOUISVILLE, KY.

LANCASTER

A handsome new graded school building is under contemplation for this city.

The Chautauqua Circle met on last Saturday afternoon with Mrs. F. P. Frisbie on Water street.

An interesting Easter service will be held by the Junior C. E. Society on next Sunday evening.

The Republicans will hold a mass convention here on April 6th to elect their delegates to the district and state conventions.

A Declamatory Contest will be held here on the evening of May 15th, the competitors to be students in the Garrard schools. The best young lady will be awarded a handsome necklace and the best young man a gold watch.

Mrs. Robert Holcomb died at her home in north Garrard after a protracted illness from tuberculosis, aged 23 years. She leaves a young husband, an 18 months old infant, a mother and several brothers and sisters. She was formerly a Miss Poor and a niece of Merchant, R. S. Brown, of this city.

J. Fleece Robinson sold 100 barrels of corn to the Garrard Milling Company at \$4.50 per barrel; the milling firm reserved 100 bushels of this superior grain to be sold in the local market for seed corn at \$1.50 per bushel.

B. L. Kelley exhibited in Lexington his five fine varieties of seed corn selling 200 bushels at \$2 and could have sold much more, such is the excellence of this Garrard maize. J. B. Leavelle sold several wagons of corn to D. F. Rankin at \$4 per barrel.

The backwardness of the season has retarded the poultry business as well as all other branches of industry. Some thrifty farmers' wives have so far only about two or three dozen young chicks to their credit, though Mrs. J. M. Cress the champion poultry raiser of this section, reports as many as 150 chickens and a daily gathering of 100 eggs.

Some Garrard farmers are wise enough to improve their barnyard breeds, Carlton Elkin having just received a pen of fine chickens of the Buff Orpington strain from an Indiana fancier and W. S. Embry having added to his poultry a pen of Rose Comb Brown Leghorns, and can soon supply eggs to those who wish for hatching purposes.

V. A. Lear has engaged about 1,500 lambs for June and July delivery at from \$6 to \$7. J. M. Cress, of the Frenchersville section has already engaged 2,000 lambs most from Lincoln county farmers at from 6 to 6 1-2 cents to be delivered in June and July. J. M. Cress bought 50 sheep from W. O. Walker at \$6 and 12 head from John B. Anderson at \$5. J. M. Cress bought 75 hogs in Rockcastle, weighing from 100 to 200 pounds at 5 and 5 1-2 cents; the same trader purchased of G. A. Brown 25 200-pound porkers at 6 cents and 35 hogs of the same weight, from Thomas Rice at 5 1-2 cents. Cress and Jones shipped two car-loads of hogs Saturday to Green and Embry at Cincinnati.

That Garrard is the banner tobacco county of Central Kentucky if undoubtedly proven by the fact that a sample basket of 5 pounds was sold at Lexington for 15c per pound, a record breaking price for the nicotine producer. About all the 1911 crop of tobacco has been sold. Sulton and Yates have delivered at Lexington on the 21st 9,000 pounds receiving from 2 1-2 to 30 cents, 4,500 pounds selling at \$13.75 to \$39; Jas. Lackey sold 2,500 pounds at from 7 to 20 cents; Elijah Ray recently sold a crop on the Fayette floors, and J. B. Bourne has 6,000 pounds there to be sold this week.

W. S. Embry sold a three-year-old mule to W. T. Robinson of Boyle, for \$245. T. L. Yantis bought a two-year-old mule from William Palmer for \$140.

Denny Bros. sold a pair of 3-year-old mules to V. A. Lear for \$400. W. S. Embry bought a three-year-old hybrid from J. M. Picard for \$200.

R. E. Thompson bought two cows from Taylor House for \$100. Frank Broadus bought a 6-year-old mare of Thomas L. Yantis for \$175.

Taylor House bought a work mule from Arch Stevens.

T. L. Yantis bought a 5-year-old mule from Mrs. Carrie Davidson for \$150. Captain Am Bourne sold court day for J. R. Ruble 57 head of sheep to Sweeney Morgan for \$4.35 per head. A pair of coming 5-year-old mules were sold court day for \$300.

V. A. Lear sold a harness mare to Ed. Clark for \$200. Charles Dean, of north Garrard bought 6 head of 1000-pound cattle from B. F. Bruner, of Jessamine for about 5 cents

AN ITEM OF HOME INTEREST

Charles Gornley, 307 Maxwell St., Lexington, Ky., has lately been cured of kidney and bladder trouble. He says: "I heard of Foley Kidney Pills and the good they were doing, and after taking them a few days the pain left my back, the tired feeling pressed away, and I am glad to recommend them." Shugars and Tanner.

CARROLL PRESTON 4383

A horse that is distinguishing himself both as a sire and in the show ring. There were few better rings of colts seen in a ring this year than those exhibited at Lancaster, Ky., by Carroll Preston. He is by Preston 922, by Washington 54, by Cromwell 73, by Washington Denmark 61; 1st dam Baby Pence 7049, by Enoch Arden; 2nd dam by Almont Forrest. Fee \$25.00 to insure. Carroll Preston is nominated in the Saddle Horse Futurity Stake at Lexington, Ky.

Also in service

HIGH CLOUD 3334,

by Highland Gay 1149, by Highland Denmark 730; 1st dam Patsy Lambert 3359, by Red Cloud 2197. Fee \$20.00. High Cloud is a dark bay horse with white markings. Stands 16 hands high and is full made. Has not had much handling but shows lots of action and speed. Both will stand at Nunneley's stable.

W. O. WALKER,

Stanford, Kentucky.

A Permanent Cure For Chronic Constipation

Although those may dispute it who have not tried it, yet thousands of others, who speak from personal experience, assert that there is a permanent cure for chronic constipation. Some testify they were cured for as little as fifty cents, years ago, and that the trouble never came back on them, while others admit they took several bottles before a steady cure was brought about.

The remedy referred to is Dr. Caldwell's Syrup Pepsin. It has been on the market for over a quarter of a century and has been popularized on its merits, by one person telling another. The fact that its strongest supporters are women and elderly people—the ones most persistently constipated—makes it certain that the claims regarding it as a permanent cure for constipation have not been exaggerated.

It is not violent like cathartic pills, salts or waters, but operates on the system. It contains tonic properties that strengthen the stomach and bowel muscles so that in time medicines of all kinds can be dispensed with and nature is again solely relied on. Among the legions who testify to these facts are J. P. Blankenship, Sharon, Tenn., and Beulah L. Rogers, Kennesaw, Ky., and they always have a bottle of it in the house, for it is a reliable laxative for all the family from infancy to old age.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 465 Washington St., Monticello, Ill. Your name and address postal card will do.

ED BALLARD, Stanford, Ky.
