Cedron Seed Plant.
In Central America many natives are gathering the seeds of this plant, Cedron Seed, a rare medicine that has valuable curative powers. But few drug stores carry this seed, owing to the high cost of the article.
This country is a large consumer of this costly seed because it enters into the famous catarrh remedy, **Peruna**, sold the world over.

TIRED RUN-DOWN PEOPLE

A North Carolina Man Suggests a Remedy

Greensboro, N. C.—"For a long time I was so run down and debilitated that I could hardly drag around. My appetite was poor and I could not sleep nights. I had tried different so-called tonics without benefit. I was advised to try your cod liver and iron tonic, Vinol, and I am so glad I did, for it gave me a hearty appetite, I soon commenced to sleep soundly, and I feel strong, well and more active than I have for years. Every run-down or debilitated person should just give Vinol a trial." K. Allsbrook.
What Vinol did for Mr. Allsbrook it will do for every weak, run-down or debilitated person in this vicinity. To show our faith we will furnish the medicine free if it does not do as we claim. Come in and get a bottle on these terms.

G. L. Penny, Stanford, Ky.

Tonic—Alterative

What is a "tonic"? A medicine that increases the strength or the tone of the whole system. What is an "alterative"? A medicine that alters or changes unhealthy action to healthy action. Name the best "tonic and alterative"? Ayer's Sarsaparilla, the only Sarsaparilla entirely free from alcohol. Ask your doctor about it.

Bilious attacks, sick-headaches, indigestion, constipation, dizzy spells—these are some of the results of an inactive liver. Ask your doctor if he endorses Ayer's Pills in these cases. The dose is small, one pill at bedtime. Made by the J. C. AYER CO., Lowell, Mass.
