Twelve Reasons Why You

Should Vote For Wilson

BECAUSE:

- 1.—He is the only candidate for President who represents the real, the vital and the effective progressive forces in this country. 2.—He stands for tariff revision downward in the interest of lower prices and the elimination of monopoly. 3.—He stands for trust legislation which will prevent the control of prices through any sort of monopoly. 4.—He stands for the income tax and believes that wealth should share the burdens as well as the blessings of the government. 5.—He stands for the rights of labor and the protection of the man who earns his bread by the sweat of his brow, as shown in his record as Governor of New Jersey. 6.—He stands for the revival of our merchant marine, and for the government encouragement of agriculture, industrial and vocational education. 7.—He trusts the people and believes the governed should govern; and that Senators should be chosen by the people.

8.—He faithfully performs in office the promises made out of office; 9.—He will "CLEAN HOUSE" at Washington as he has "CLEANED HOUSE" in New Jersey. 10.—He preaches and practices clean politics, and practices it effectively. He unalterably opposes machine politics and the rule of the bosses. 11.—He stands for legitimate big business every day, but for monopoly never. 12.—As Senator LaFollette says: "He approaches every problem with the solemn promise to be really in the highest sense a servant of the people."

Lincoln county hows her head in shame over the disregard for life so frequently shown lately, our news columns telling of three double tragedies within our borders in a period of less than a year. What is the cause of this? What is beneath it all? The I. J. will be glad to give space to opinions of others on the direful subject and invites discussion of such a regrettable and awful state of affairs.

Clarence Lebus was re-elected president of the Burley Tobacco Society this week. Future generations of tobacco growers will truly appreciate what Lebus has done for them. Many of the present do not.

In a speech in Louisiana, Colonel Roosevelt said, "We are through once and for all with the Republican party." That is one thing to his credit. The whole country seems tending that way. The G. O. P. is thoroughly discredited. Its life is well nigh spent. When it lived it lived in clover and when it dies November 5th it will die all over. Democracy's day is brightly dawning.

Lancaster.

Two cases of typhoid fever are reported in the home of Mr. Wm. Conn on Stanford street. The home of Mrs. Hallie Hamilton Dunlap is being much improved by a modern porch all around the front of the house. On Wednesday evening October 16 at 8 o'clock at the Christian church Elder F. M. Tindler will unite in marriage his daughter, Miss Frances Crenshaw Tindler, and Benjamin F. Robinson. The maid of honor will be the bride's sister, Miss Della Tindler, and Miss Sue Shelby Mason will be bride's maid. The prospective groom's brother, Currey Robinson will be his best man. The work on the handsome new graded school building is being pushed forward more rapidly than at first. The contractors were retarded in their efforts on account of some of the fixtures being delayed in an order to Chicago.

Elder F. M. Tindler left Thursday for a visit of a few days to friends in Carlisle and also to preach in the newly equipped Christian church in that city.

Mrs. Fred P. Friebe entertained at a handsome dinner party for her aged and much beloved grandmother Mrs. Ann Walker, of Huntington, W. Va. About 20 elderly women were invited to meet the guest of honor. With ices and cakes and the pretty decorated home the occasion will long be remembered.

Miss Helen Thurmond who was married in the city of Louisville last week to Mr. H. E. Thomas, of Moreland is well known in Lancaster, having once lived here, and being a frequent visitor of her friends, Mrs. W. D. Simpson and daughter, Miss Kittie Simpson. The recent bride is quite a bright woman having been a school teacher and ever wide awake to the current events of the day.

Harry M. Estes formerly of this place and a son of Mr. and Mrs. Stephenson Estes, of this city and a Bible student in Georgetown College is now editing a paper known as "The Baptist Recorder," it being devoted to the interests of the Baptists throughout Central Kentucky.

W. P. Anderson aged 46 years died at his home in this city after several weeks illness of typhoid fever. He was thought to be holding his own when a sudden change for the worse hastened his death. He is survived by a widow and 6 children. The funeral occurred Tuesday afternoon at the home followed by interment in the Lancaster cemetery.

Mrs. Emma Higginbotham entertained the C. W. B. M. and The Young Peoples' Missionary Circle, Thursday afternoon at the home of her friend Mrs. James B. Kinna.

Mrs. James Ledford a young bride of only two weeks died very suddenly of heart disease at the home of her husband near Point Lick on last Saturday and the funeral was preached Sunday by the Christian minister, Elder F. M. Tindler who had so recently united her in marriage to Mr. Ledford.

Miss Joan Mount gave a Tea Pouring Tuesday afternoon for her guest Miss Charlotte Mount of La Grange. About 40 guests assembled to enjoy the hospitality of the fair hostess. The home was prettily decorated with ferns, palms and cut flowers.

Mrs. Ann Walker who has been visiting her daughters Mesdames B. F. Hudson and W. O. Rigney, is in Richmond for a short stay with her son before returning to her home in Huntington, W. Va. Mrs. W. B. Brown has been the guest of Dr. and Mrs. E. J. Brown in Stanford. Miss Franke Kauffman will leave shortly to spend the winter in Des Moines, Iowa with her sister, Mrs.

John Shackelford, Reverend C. C. Brown and Mrs. Brown and children left Saturday to reside in the city of Louisville. Mr. and Mrs. Roy Asa Hayes, of Hillsboro, O., are guests of Mr. and Mrs. W. B. Mason, Miss Minnie Brown is at home from a visit to Misses Josephine and Kathleen Hanley, of Nicholasville. Mrs. J. C. Robinson and Miss Helen Robinson are visiting in Lexington and Winchester.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. It that not better than to pay a five dollar doctor's bill? For sale by G. L. Penny.

Middleburg. Lucien Young and wife were here Sunday and took dinner with Mr. and Mrs. R. B. Young. F. L. Jones and little son Vernon went to Arabia Saturday. It was talked at Liberty last week that Caleb Newell would be the Republican candidate for Congress in this district. It seems the Republicans must have a Caleb, but we would greatly prefer Caleb Newell to Caleb Powers.

The Republicans are out in large posters announcing a big rally at Liberty on Oct. 6. They propose to kill the fatted calf, and offer every inducement to the prodigals to return to the fold before it is everlasting and eternally too late. Just what effect this blowout will have on the stubborn Bull Moosers remains to be seen. J. W. Dinsmore, the Bull Moose candidate for Congress spoke to a small crowd at the college here Tuesday of last week. He is said to have been very guarded in his talk, and said nothing that was the least offensive. He thought Harvey Helm had been elected often enough and had probably done all the good in Congress that he was able to do. He told the writer at Liberty that he was making an aggressive fight, and meant to give Rogers, so it might be well for democrats to be up and doing.

A few nights since John Rogers, who lives on John Lanham's farm two miles west of here was awakened by a noise in his room, and discovered a number of rats congregated in one corner of the room. He reached for his shot gun and fired into them and went back to sleep without investigation. On awakening next morning, he found ten dead rats, a large hole in a molasses can, and the floor covered with fine sorghum molasses as a result of the shot.

TESTED AND PROVEN

There is a Hean of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Interior Journal readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit? John H. Wren, E. Main Street, Stanford, Ky., says: "I know from experience that Doan's Kidney Pills are all that is claimed for them. Off and on for several years I had severe attacks of lame back. Often I did work that required stooping and at such times the backache became much worse. There was also a too frequent desire to void the kidney secretions both day and night. Doan's Kidney Pills relieved me and have never failed to benefit me since then when I have taken them." For sale by all dealers. Price 50 cents. Foster Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
