With fashion pointing to the very loose fitting, draped styles for Spring, no other materials will take the place of Soft Silks, Soft Woolens, Soft Cottons. We have all the pretty new materials for waists, skirts, and costumes. We are showing almost an endless variety of materials and colors. Among fabrics most in demand are Crepe de Chine, Messoline, Soft Moire, Embroidered Crepe, Splashed Crepe, Check and Stripe Crepes, Jewel Print Crepe. We have some choice patterns that come only one of a kind. If you select one of these we will not duplicate it. Come early and make a selection, as desirable materials are scarce.

In Memoriam
Mrs. Mary Martin died at her home March 3, 1914, aged 83 years, leaving two sons, J. M. Camden and Frank Martin, of Cincinnati, and several grandchildren to mourn her loss. She united with the Double Springs Baptist church at an early age and has all ways lived a consistent Christian life and after a few words given by Rev. Schwertner, she remains were laid to rest in the Waynesburg cemetery. Gone but not forgotten.

A precious one from us has gone
A voice we loved is stilled,
A place is vacant in our home
Which never can be filled.
God in His wisdom has recalled
The boon His love had given,
And though the body slumber here
The soul is safe in Heaven.

Retired Georgia Planter's Advice To Kidney Sufferers
Regarding the wonderful curative merits of your Swamp-Root, I cannot say too much. After suffering severely for three years or more with kidney trouble, I was finally induced to try Swamp-Root through a testimonial I read in one of the newspapers. I was in such a condition that I was obliged to arise from my bed six or eight times every night. I purchased a fifty-cent bottle and before it was used I felt so much relief that I purchased a one-dollar bottle and by the time this was taken the old pains had left my back and I could sleep the whole night through. I am a retired planter, 70 years of age, and owing to Dr. Kilmer's Swamp-Root, I am in the best of health and feel like a boy. I am always glad to recommend Swamp-Root to those who are in need of it. Sincerely yours,
C. E. USSERY, Browsersville, Ga.

Personally appeared before me, this 28th day of September, 1909, C. E. USSERY, who subscribed the above statement and made oath that the same is true in substance and in fact.

WISHED SHE COULD DIE
And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework.

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

A Message To Women

Those of Middle Age Especially.
When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.
BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak.

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

Was A Blessing To This Woman.
So RICHMOND, VA.—"I was troubled with a bearing down pain and a female weakness and could not stand long on my feet. Of all the medicines I took nothing helped me like Lydia E. Pinkham's Vegetable Compound. I am now regular and am getting along fine. I cannot praise the Compound too much. It has been a blessing to me and I hope it will be to other women."—Mrs. D. TYLER, 25 West Clopton St., South Richmond, Va.

Pains in Side, Could Hardly Stand.
Lodi, Wis.—"I was in a bad condition, suffering from a female trouble, and I had such pains in my sides I could hardly move. Before I had taken the whole of one bottle of Lydia E. Pinkham's Vegetable Compound I felt better, and now I am well and can do a good day's work. I tell everybody what your medicine has done for me."—Mrs. JOHN THOMPSON, Lodi, Wisconsin.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
