MRS. MABEN WAS MADE WELL

By Lydia E. Pinkham's Vegetable Compound and Wants Other Suffering Women To Know It.

Murfreesboro, Tenn.—"I have wanted to write to you for a long time to tell you what your wonderful remedies have done for me. I was a sufferer from female weakness and displacement and I would have such tired, worn out feelings, sick headaches and dizzy spells. Doctors did me no good so I tried the Lydia E. Pinkham Remedies—Vegetable Compound and Sensitive Wash. I am now well and strong and can do all my own work. I owe it all to Lydia E. Pinkham's Vegetable Compound and want other suffering women to know about it."—Mrs. H. E. MABEN, 211 S. Spring, St., Murfreesboro, Tenn.

This famous remedy, the medicinal ingredients of which are derived from native roots and herbs, has for nearly forty years proved to be a most valuable tonic and invigorator of the female organism. Women everywhere bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound.

Why Lose Hope. No woman suffering from any form of female troubles should lose hope until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

Talking Through His Hat. Dr. R. L. Davison, of Stanford, chairman of the Lincoln County Republican Committee and brother of former Congressman George M. Davison, who with his nephew, Attorney George D. Florence, member of the Resolutions Committee from the 8th District, which drafted the platform, comprised the biggest end of the Lincoln county delegation before leaving for home expressed himself delighted with the work of the convention, the enthusiasm displayed for Ed Morrow, who was the favorite gubernatorial candidate of the Republicans of that section of the State and the outlook for Republican victory at the November election. "It was a splendid convention—representative, harmonious and confident, and with Ed Morrow at the head of the ticket I see nothing but victory ahead in November. And the success of the party in Kentucky will be only a forerunner of the Republican landslide that will sweep the Nation in 1916."—Lexington Leader.
