You have noticed the little festering pimples on the face and body—swelling of the glands—soreness in the legs and arm muscles. These are the symptoms of Scrofula. You may have some of these symptoms, possibly the taint of Scrofula infection. But in either case, it is a dangerous condition. Your blood is infected, impure, and you can never

hope to gain perfect health until the impurities are washed from the system. If you feel badly all the time, you must crave health. If you want to feel renewed spirits, the glow of perfect health, bright eyes, clear skin, the knowledge that you are well, you can do so. Cleanse your blood by taking S. S. S. For fifty years it has been the standard blood purifier. It relieves the trouble by renewing the blood, renewing its strength, and stimulating the flow so that the blood regains its lost vitality, and throws off the poison. SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together. My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it. Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling? If so, let us urge you to give Cardui a trial. We feel help will be yours, just as it has a million other women in the past half century. Begin taking Cardui to-day. You won't regret it. All druggists.

Card of Thanks. We wish to extend our profound thanks and gratitude to those who have done all in their power to help us bear the great sorrow of giving our dear and dearly beloved son, Will, to Stanford and the entire community, everyone having done or said something to help us bear this terrible sorrow. The shock, the long wait and suspense could not have been borne alone. Especially do we thank Rev. Walker for coming to us in the great time of need, for his words and prayers and for his love for our boy. The choir which rendered the beautiful songs of hope and comfort. The pallbearers, his classmates and chums. To all who expressed their love with beautiful floral offerings. To Mr. McClary; to Mr. Milward; to all the friends who tendered their cars for our drive to Lexington. To his room mate for two years at Annapolis, Field Harris, for the beautiful floral design. To the Interior Journal and other papers for their many expressions of love and sympathy. May God in His infinite wisdom bless each and all.—J. M. McCarty and family.

OLDER BUT STRONGER. To be healthy at seventy, prepare at forty. It is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years. To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and avoid sickness. No alcohol in Scott's. Scott & Bowne, Bloomfield, N. J.

Hubble. A series of meetings are in progress at the Methodist church, being held by Rev. Davis, of near Louisville and the pastor, Rev. Hoffman. Come and be benefited. Miss Lucy, of Louisville, is visiting Mrs. Mabel Spoonamore and other friends of this place. Mrs. James W. Drye and pretty little son, of St. Louis, Mo., are visiting Mrs. L. P. Weaver and shaking hands with her many friends in this section. How fortunate we would deem ourselves if we could only claim her as our teacher again. Miss Etta McKechnie, of Monticello, is visiting Mrs. Jack Spoonamore. Crops of this section are very prospective so the I. J. realize why the farmers are wearing so many smiles. Some few have begun to cut tobacco. There's very little sickness in this part at present, this we should be very thankful.

In Honor of Mat. Mrs. Elvira Miller Slaughter, the noted poetess of Louisville, has composed the following poem in honor of Mat Cohen's victory in the recent primary: He's our Commissioner, you bet, Or have the knack for getting done yet. This fact Kentuckians are knowing, And take their hats off to Mat Cohen.

He has a hoss upon them all When bleak November comes this fall, And while Republicans make brags, He'll capture Commissioners' Stakes. The Bluegrass folks are awful flustered Since Lexington is to be the mustard, And folks up there, each saint and sinner For once, ha, ha, have picked the winner.

None but the brave deserve the Fair, Or have the knack for getting there, So here's to you and all are going To pin the blue upon Mat Cohen.

5 Women Avoid Operations

For years we have been stating in the newspapers of the country that a great many women have escaped serious operations by taking Lydia E. Pinkham's Vegetable Compound, and it is true.

We are permitted to publish in this announcement extracts from the letters of five women. All have been recently received unsolicited. Could any evidence be more convincing?

- 1. HONOLULU, ME.—"I had pains in both sides and such a soreness I could scarcely straighten up at times. My back ached and I was so nervous I could not sleep, and I thought I never would be any better until I submitted to an operation, but I commenced taking Lydia E. Pinkham's Vegetable Compound and soon felt like a new woman."—Mrs. HAYWARD SOWERS, Hodgdon, Me.
2. SHELVILLE, KY.—"I suffered from a severe female trouble. My right side hurt me badly—it was finally decided that I must be operated upon. When my husband learned this he got a bottle of Lydia E. Pinkham's Vegetable Compound for me, and after taking it a few days I got better and continued to improve until I am now well."—Mrs. MOLLE SMITH, R.F.D., Shelbyville, Ky.
3. HANOVER, PA.—"The doctor advised a severe operation, but my husband got me Lydia E. Pinkham's Vegetable Compound and I experienced great relief in a short time. Now I feel like a new person and can do a hard day's work and not mind it."—Mrs. ADA WILT, 303 Walnut St., Hanover, Pa.
4. DECATUR, ILL.—"I was sick in bed and three of the best physicians said I would have to be taken to the hospital for an operation as I had something growing in my left side. I refused to submit to the operation and took Lydia E. Pinkham's Vegetable Compound—and it worked a miracle in my case, and I tell other women what it has done for me."—Mrs. LAURA A. GRISWOLD, 2437 East William Street, Decatur, Ill.
5. CLEVELAND, OHIO.—"I was very irregular and for several years my side pained me so that I expected to have to undergo an operation. Doctors said they knew of nothing that would help me. I took Lydia E. Pinkham's Vegetable Compound and I became regular and free from pain. I am thankful for such a good medicine and will always give it the highest praise."—Mrs. C. H. GRIFFITH, 1598 Constant St., Cleveland, O.
