Then, and then only, will you be sure that your corn will loosen from your toe so that you can peel it right off gloriously easy with your fingers. Congressman Barkley, of the First Kentucky, has presented a bill to make July 18 a national holiday. It was on this day that the American soldiers first took part in the fighting in France. The event is worthy of celebrations, but our soldiers must think of some other way to celebrate than in idleness. There are too many holidays now. What we need are more working days to get the country on a peace basis again.

It has been decided, for the present, wheat flour may be sold without substitutes to all classes of trade. J. N. Saunders, County Food Administrator, Stanford, Kentucky, November 15th, 1918.

Two hundred per cent. proficiency was the record established by Sergt. A. G. Dadd, of Mt. Vernon, Ky., a member of the Provost Guard Company at Camp Taylor. He did double of what was expected of him. Sent to Evansville, Ind., to return two prisoners, he brought back four. The two additional soldiers he had arrested himself on the streets of Evansville.

MOTHER! GIVE CHILD "SYRUP OF FIGS" IF TONGUE IS COATED.

If cross, feverish, sick, bilious, clean little liver and bowels.

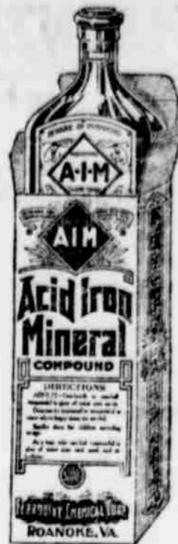

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely.

A child simply will not stop playing to empty its bowels, and the result is, they become clogged tightly with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system is full of cold, has sore throat, stomach-ache or diarrhoea. Listen, mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food food passes out of the system and you have a well playful child again.

Millions of mothers give "California Syrup of Figs," because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company." Refuse any other kind with contempt.
