GLEANED FROM MANY SOURCES.

Big Democratic Barbecue Will Be Held in Louisville, Sept. 25 and 26, and Plans Are Being Made for Record-Breaking Crowd.

Louisville, Ky.—Former Mayor Chas. F. Grainger has accepted the chairmanship of the general committee which will have charge of all the arrangements for the big democratic barbecue to be given here September 25 and 26. Plans are being made for a record-breaking crowd. Marching clubs from Chicago, Indianapolis, Cincinnati and other cities will be invited to participate in the parade, which, the promoters say, will be the biggest ever given here.

COMMITTEE SPLITS

On question as to how county and judicial tickets are to be selected.

Alexandria, Ky.—The Campbell county democratic executive committee, in a hot session held here, split badly on the question as to how the county and judicial district tickets are to be selected for the coming fall election. As a result, both a primary and convention were ordered, and the state central committee will have to straighten out the tangle in which the local democratic party finds itself as a result of the inability of the party leaders to agree. The primary adherents fixed August 23 as the time for holding their election, while those favoring a convention decided on July 24. They also decided that the convention should be held at Alexandria.

CINCINNATI MAN OFFERS

To supply Lexington with water if city can not arrange with old company.

Lexington, Ky.—A new angle in Lexington's water contract problem was opened when George R. Scragham, of Cincinnati, accompanied by Engineers E. T. Gwynn, of Delaware, O., and T. R. Spencer, of Poughkeepsie, N. Y., and Attorneys Rogers and Kurtz, of Cincinnati, appeared upon the scene with the declaration that he has gilt-edged financial backing and would be glad to cut into the water-supplying business here, if the Lexington Hydraulic and Manufacturing Co., which owns the local reservoir, pumping station and distributing mains, and the city of Lexington can not come to terms.

AUDITOR WILL DEMAND RETURN

To Treasury of Monies Paid to Assessors in Excess of Amount Due Them.

Frankfort, Ky.—Acting upon the advice of Assistant Attorney-General John F. Lockett, Auditor Frank P. James will make demands on the assessors of the various counties in Kentucky to return to the Treasury the money that has been paid to them in the past in excess of the amount due them under the statutes. It is said that a test case will be made against the assessor of Fayette county for the years of 1903-1906, inclusive. The amount to be sued for in this case is \$1,124.61.

Louisville, Ky.—A "water filter" dinner, to be the biggest banquet ever given in Louisville, is to be arranged in honor of President Sebastian Zorn, of the board of waterworks, and all his fellow officers and engineers, in celebration of the completion of Louisville's big \$1,000,000 filter plant.

Lexington, Ky.—Mrs. Kate H. Phipps, charged with "willfully and maliciously attempting to poison Mary Ryan," was dismissed by Magistrate Frank S. Graves, after a trial occupying nearly six hours, during which the courtroom was packed to suffocation.

Louisville, Ky.—Announcement is made here that Gov. Augustus E. Willson has formed a law partnership with James R. Duffin. The title of the firm will be Willson & Duffin, and it is presumed that a general practice will be entered into by the firm.

Louisville, Ky.—An enthusiastic meeting of the Tammany League, at which a larger number of members were present than have attended any meeting in months, adopted resolutions endorsing the democratic ticket in this city.

Louisville, Ky.—C. O. Reynolds, member of the republican state central committee from the Seventh district, tendered his resignation to take effect at once. Reynolds is a revenue agent, and it is understood the federal authorities ordered him to withdraw.

Lexington, Ky.—The Burley Tobacco Society at Winchester announced it would bring suit against all independent tobacco manufacturers who after purchasing tobacco refused to receive or pay for the same. About 1,000,000 pounds are involved.

CAPITAL NOTES.

Charges Being Investigated.
Charges of a serious nature are being investigated by Gov. Willson and the members of the State Board of Control of Charitable Institutions against Dr. W. H. Nuttall, 61, who resigned as superintendent of the Feeble-Minded Institute in this city recently.

Agree to Remove Miss Lyons.
The sinking fund commissioners agreed to remove Miss Amy Lyons as custodian of the state buildings and give the remainder of the unexpired term of her father, the late William M. Lyons, an old confederate soldier, to George A. Lewis, a republican.

Interesting News Items

Lexington, Ky.—At a race meeting given at the Kentucky Trotting Horse Breeders' association track 26 trotters were given records better than 2:30.

Hopkinsville, Ky.—W. W. Littlefield was shot through the abdomen and probably fatally wounded by E. C. Outlaw. Both are well-known business men of this city.

Lexington, Ky.—The executive committee of the State university ordered that the two dormitories for young men be remodeled and the work be completed by September 1.

Louisville, Ky.—This city was swept by one of the heaviest storms in years when a downpour of rain was interspersed by heavy hail. The electrical display was almost phenomenal.

Louisville, Ky.—By the terms of the will of Attila Cox, who died a week ago, his entire estate is left to the widow, Mrs. Kate Martin Cox. Mr. Cox left property valued at \$100,000.

Louisville, Ky.—Secretary of State Ben L. Bruner, a director of the Citizens' Life Insurance Co., retired from the board, and Hubert Vreeland, of Frankfort, was elected as his successor.

Owensboro, Ky.—Fourteen mules, valued at \$250 each, ate Paris green on the farm of Ellis & Wilson, in this county, and five of them died. It is expected that several of the others will die.

Louisville, Ky.—Survivors of the tattooed and torn Confederate Orphan Brigade have been called to meet in a reunion to be held at Cave City, August 5, which will be the forty-sixth anniversary of the battle of Baton Rouge.

Louisville, Ky.—A handsomely engraved invitation to the governor of every state requesting his attendance at the session of the International Tax association meeting to be held in this city, has been sent out by the invitation committee.

Louisville, Ky.—The body of William Bollinger, 72, a civil war veteran, who until recently was a clerk in a local hotel, was found floating in the river. It is believed Bollinger ended his life by jumping from the Kentucky and Indiana bridge.

Louisville, Ky.—Yetta Kauffman, 5-year-old daughter of Max Kauffman, was run down and killed almost instantly by a big touring car, driven by W. S. Garner, of Danville, Ky. Garner was stopped by police and arrested on a charge of manslaughter.

Frankfort, Ky.—Judge Cochran appointed Emmet Gough, of Newport, as temporary receiver for the coal, grain and feed firm of Freeman & Linnig, of Lexington, who are involuntary bankrupts, a petition having been filed against the firm by the C. & O. railway and other creditors.

Owensboro, Ky.—J. R. Holland, mail clerk on the Owensboro & Nashville division of the Louisville & Nashville railroad, arrested at Russellville on charge of taking a letter containing money from a mail pouch, was released when the letter arrived at Erin, Tenn., with contents intact.

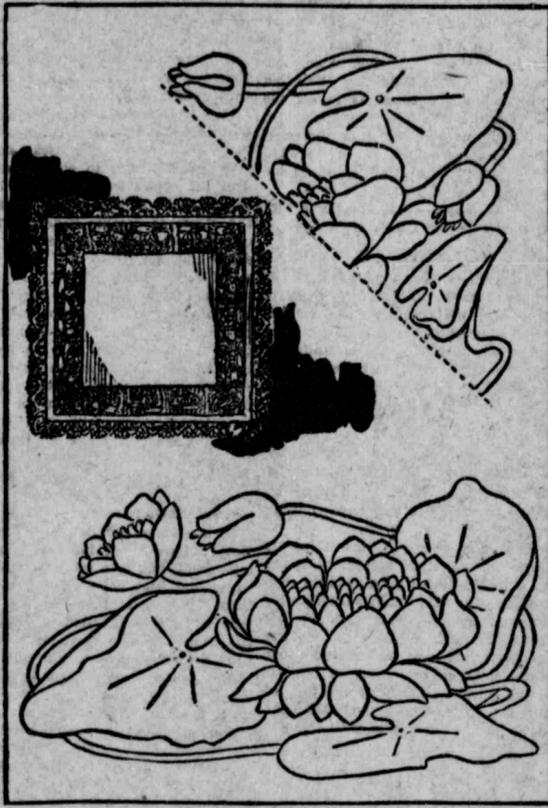

Owensboro, Ky.—Thousands of acres of tobacco (50 per cent of the crop) in the Green river district have been ruined as a result of the recent heavy rains. Railroad stations were destroyed by lightning, telephone and telegraph lines put out of commission and fences and barns blown down.

Louisville, Ky.—Frank H. Shriner, manager of a local theater, arrested on warrants sworn out by Miss George Wheat and Miss Sallie Brown, of the National Aid and Protective Society, charging him with employing and exhibiting children under 16 years of age, was dismissed in police court.

Louisville, Ky.—A young American eagle, measuring six feet from tip to tip, was captured eight miles from the city. The bird flew down into a cornfield, and the corn was so thick it was unable to spread its wings and get away.

Louisville, Ky.—A big stir in medical circles of Louisville followed the announcement that over two-thirds of the members of last year's faculty of the medical department of the university of Louisville have been let out by the board of trustees.

To Make Tea Cloth

Design in Outline in Old Blue on Gray Linen, with Fashionable Darned Background.

AFTERNOON tea on the porch is one of the most pleasant features possible on a summer day, and it is essential that the appointments of the tea table should be in keeping with the shady coolness of the porch. For this cloth, simple designs and materials of a rather rustic texture are the most effective, such as homespun linen, linen huckabuck and crash. Among the most attractive of the tea cloths are those with the design outlined and the background filled in with darning stitch. Such a one is shown in the sketch. The water lily design is outlined with dark green floss, and the background filled in with a lighter shade of green—a delightfully leafy, silvery shade like June foliage. The material is natural color crash, and the Cluny lace edge is dyed to match the darker green in the embroidery.

Another equally pretty color scheme

is grayish linen with outline stitch in dark old blue, darning in lighter blue, and the lace matching the darker shade.

One motif for the border and one-half of the corner are given, to be traced on the linen by means of carbon paper and a hard lead pencil. A plain, two-inch hem is put in, with a row of outline stitch five inches above it, and another row five inches from this, which forms the top of the border. Then the motifs are placed between the two rows, outlined, and the background filled in.

The cloth when completed should be one yard square, with a two-inch edge of lace for a finish. It is advisable to use a good grade of floss, so that it will not fade, and in washing it is well to put a good handful of table salt in the water to set the color. The cloth is quickly and easily made, and the result sure to be pleasing.

BLUE SERGE COSTUME.

Blue serge is very useful for costumes of this description. The skirt is quite plain, and is finished at the foot by a single row of stitching. White cloth is used for the collar and cuffs of the semi-fitting coat, which fastens down center of front by three large smoke-pearl buttons. Hat of straw, trimmed with a wreath of flowers and two quills. Materials required: Six yards serge 48 inches wide, one-fourth yard wide cloth, three buttons, four yards lining for coat.

Cravat with Double Ends.

If you have a strip of brown silk, taffeta or messaline, and a little silk in pretty contrasting color, such as ecru, delicate green or blue, make one of the new cravats with double ends. These are cut like a man's string tie, but with a difference. A perfectly plain bias fold of the silk is used to go round the neck, but where it meets in front each end branches off into two parts, giving four ends in all. These ends are all lined with silk of a contrasting color. The effect when tied is very pretty. The cravat must not be less than a yard in length.

NOVELTY IN HOME AQUARIUM

One That is Made with a Picture Frame Front and Intended to Hang on the Wall.

A novelty in balanced or self-sustaining home aquariums is made to hang up on the wall like a picture. The tank is oblong, narrow at the bottom, but wider at the top. The side to go against the wall is vertical, while the front slopes out outward, as a picture hangs, and this outer side is in fact surrounded with a picture frame.

The back and ends of this aquarium are inclosed in a metallic holder, with hooks at the top by which it may be hung, and at the back between this metallic holder and the back wall of the glass tank is inserted a picture, a landscape having at the bottom in the foreground a brook.

The bottom of the tank is covered with gravel, and set in the water is suitable vegetation sufficient to please the eye and to keep the water aerated, and then of course there are the fishes, and when you have it thus stocked you hang this aquarium up on the wall to have the effect of a picture with fishes swimming around in it.

Water.

Are you forgetting to drink the proper amount of water every day?

Do you drink two glasses before breakfast?

You should. But by all that is hygienic do not take your water until your mouth has been rinsed with an antiseptic and your teeth thoroughly cleaned.

People who know tell us that an acid forms during the night in the mouth and around the teeth. This acid will decay the teeth, therefore common sense tells us it is not good for the stomach; it certainly should not be washed down there deliberately anyway.

But a cold bath for the average stomach is a tonic just as it is for the body. Try it.

To Improve the Neck.

To fatten the neck massage with warm olive oil. A good cold cream is excellent, but the best results are obtained with the olive oil. To apply this first wash the neck with warm water and a mild, pure soap, then rinse carefully and apply a cloth or flannel wrung out of hot water and folded several times. This compress is kept on until it begins to cool, and then another is supplied, but do not prolong the treatment more than ten minutes. This softens the skin and opens the pores. The oil, slightly warmed, should be rubbed in, giving especial attention to the hollows, which should be massaged with a firm rotary motion.

1885 Berea College 1909

FOR THE ASPIRING YOUNG PEOPLE OF THE MOUNTAINS

Places the BEST EDUCATION in reach of all.

Over 60 instructors, 1175 students from 27 states.
Largest college library in Kentucky. NO SALOONS.

A special teacher for each grade and for each main subject. So many classes that each student can be placed with others like himself, where he can make most rapid progress.

Which Department Will You Enter?

THE MODEL SCHOOLS for those least advanced. Same lectures, library and general advantages as for more advanced students. Arithmetic and the common branches taught in the right way. Drawing, Singing, Bible, Handwork, Lessons in Farm and Household Management, etc. Free text books.

TRADE COURSES for any who have finished fifth grade (fractions and compound numbers), Brickwork, Farm Management, Printing, Woodwork, Nursing, Dressmaking, Household Management. "Learn and Earn."

ACADEMY, REGULAR COURSE, 2 years, for those who have largely finished common branches. The most practical and interesting studies to fit a young person for an honorable and useful life.

CHOICE OF STUDIES is offered in this course so that a young man may secure a diploma in Agriculture and a young lady in Home Science.

ACADEMY, COMMERCIAL, 1 year or 2 years to fit for business. Even a part of this course, as fall and winter terms, is very profitable. Small extra fees.

ACADEMY, PREPARATORY, 2, 3 and 4 year courses, with Latin, German, Algebra, History, Science, etc., fitting for college.

COLLEGIATE, 4 years, Literary, Scientific and Classical courses, with use of laboratories, scientific apparatus, and all modern methods. The highest educational standards.

NORMAL, 3 and 4-year courses fit for the profession of teaching. First year, parallel to 8th grade Model Schools, enables one to get a first-class certificate. Following years (winter and spring terms) give the information, culture and training necessary for a true teacher, and cover branches necessary for State certificate.

MUSIC, Singing (free), Read Organ, Voice Culture, Piano, Theory, Band, may be taken as an extra in connection with any course. Small extra fees.

Expenses, Regulations, Opening Days.

Berea College is not a money-making institution. All the money received from students is paid out for their benefit, and the School expends on an average upon each student about fifty dollars a year more than he pays in. This great deficit is made up by the gifts of Christian and patriotic people who are supporting Berea in order that it may train young men and women for lives of usefulness.

OUR SCHOOL IS LIKE A FAMILY, with careful regulations to protect the character and reputation of the young people. Our students come from the best families and are earnest to do well and improve. For any who may be sick the College provides doctor and nurse without extra charge.

All except those with parents in Berea live in College buildings, and assist in work of boarding hall, farm and shops, receiving valuable training, and getting pay according to the value of their labor. Except in winter it is expected that all will have a chance to earn as much as 35 cents a week. Some who need to earn more may, by writing to the Secretary before coming, secure extra employment so as to earn from 50 cents to one dollar a week.

PERSONAL EXPENSES for clothing, laundry, postage, books, etc., vary with different people. Berea favors plain clothing. Our climate is the best, but as students must attend classes regardless of the weather, warm wraps and underclothing, umbrellas and overshoes, are necessary. The Co-operative Store furnishes books, toilet articles, work uniforms, umbrellas and other necessary articles at cost.

LIVING EXPENSES are really below cost. The College asks no rent for the fine buildings in which students live, charging only enough room rent to pay for cleaning, repairs, fuel, lights, and washing of bedding and towels. For table board, without coffee or extras, \$1.35 a week in the fall, and \$1.50 in winter. For room, furnished, fuel, lights, washing of bedding, 40 cents a week in fall and spring, 50 cents in winter.

SCHOOL FEES are two. First a "Dollar Deposit," as guarantee for return of room key, library books, etc. This is paid but once, and is returned when the student departs.

Second an "Incidental Fee" to help on expenses for care of school buildings, hospital library, etc. (Students pay nothing for tuition or services of teachers—all our instruction is a free gift). The Incidental Fee for most students is \$5.00 a term (\$4.00 in lower Model Schools, \$6.00 in courses with Latin, and \$7.00 in Collegiate courses).

PAYMENT MUST BE IN ADVANCE, incidental fee and room rent by the term, board by the half term. Installments are as follows:

FALL—14 weeks, \$29.50,—in one payment, \$29.00.
Installment plan: first day \$21.05, (including \$1.00 deposit), middle of term \$9.45.

WINTER—12 weeks, \$29.00,—in one payment, \$28.50.
Installment plan: first day \$21.00 (including \$1.00 deposit), middle of term \$9.00.

SPRING—10 weeks, \$22.50,—in one payment, \$22.00.
Installment plan: first day \$16.75, (including \$1.00 deposit), middle of term \$6.75.

SPRING—4 weeks term for those who must leave for farm work, \$9.40.
SPRING—7 weeks term for those who must leave for teachers' examinations, \$16.45.

Winter and Spring terms together, one payment, \$49.00.

REFUNDING. Students who leave by permission before the end of a term receive back for money advanced as follows: (No allowance for fraction of a week.)

On board, refund in full.
On room and "Special Expenses," (see below) there is a large loss occasioned by vacant rooms or depleted classes, and the Institution will refund only one-half of the amount which the student has paid for the remaining weeks of the term.

On Incidental Fee, students excused before the middle of a term will receive a certificate for one-half the incidental fee paid, which certificate will be received as cash by Berea College on payment of term bills by the student in person, or a brother or sister, if presented within four terms.

The first day of Fall term is September 14, 1909.

The first day of Winter term is January 4, 1910.

The first day of Spring term is March 30, 1910.

For information or friendly advice, write to the Secretary.

WILL C. GAMBLE,
BEREA, KENTUCKY.

That Premium Knife

takes the eyes of the men and boys who see it. The mountain people like a good thing when they see it, and to get a 75 cent knife with two blades of razor steel and a dollar paper that is worth more to the mountain people than any other dollar paper in the world—

The Knife and The Citizen for \$1.25.

That brings in subscriptions all the time. If you have not got it, you ought to have.
