

ANNUAL SUMMER CLEARANCE SALE

A GAIN we inaugurate this great sale, under the most favorable conditions, and we expect to nearly double the selling of any previous event, for if values, choiceness of furniture and large assortment are an incentive, our expectations will be fully realized. The enormous growth of our business during the past year has necessitated our carrying almost double the amount of stock, and a much greater variety in every department, which, of course, means just so much more for clearance. Our buyer is now at market for the fall goods, and summer goods must go to make room for new stock. Remember our liberal credit system is at your disposal during this great sale.
