The class colors, orange and black, were selected. Other elections will follow this week.

The Teachers' Literary society has selected the course of study which will be pursued this year and the first literary meeting will be held Friday, October 19, at the High school, Supt. C. M. Lieb presiding. The course of study selected is "Adam's Herbartian Psychology." This is the subject for the general meetings. The special meetings, which follow, will be more applicable to the various grades. The general meeting will last one hour and the special meetings about three quarters of an hour.

**Football Manager Resigns.**

On account of other duties D. A. Yeiser, Jr., resigned as manager of the High school football team and Brent James was elected in his stead. The suits have not yet arrived.

**57 CLUB.**

Capt. James M. Lang Talks of Organization.

Capt. James M. Lang and a number of other gentlemen are discussing the organization of a 57 club. It is proposed to form a club of the residents of the city or county who were born in the year 1857. This club would be similar in its purpose to the '49 club, only to belong to it, it is requisite to have been born in this city or the county. They would have an annual outing with their families and around the picnic spread or camp fire, grow reminiscent of the good old days—their youth. Capt. Lang has counted twenty-five who would be eligible to membership in the '57 club.

**Charge of Wife Murder.**

A trial which promises to arouse more than usual interest is scheduled to begin at Toms River, N. J., today, when Dr. Frank Brouwer will be put on trial charged with the murder of his wife. It is alleged that Brouwer caused his wife's death by giving her ground glass and arsenic while ostensibly treating her for a sudden and severe illness.

**SALE OF COOPER'S  
REMEDIES ENORMOUS**

St. Louis.

Interviews Obtained With Number of  
Callers at Young Man's Headquarters.

**WHAT PEOPLE HAVE TO SAY**

St. Louis, Oct. 8.—The most interesting feature of the enormous sale of the Cooper preparations, now going on in this city, is what the medicines are actually accomplishing among the people of St. Louis.

At the commencement of his visit here Mr. Cooper prophesied that during the latter part of his stay he would receive hundreds of callers daily who came simply to thank him for what the preparations had done. He also stated that stomach trouble is the foundation for a great many diseases, and that his New Discovery, as it is called, would prove very effective in all cases of rheumatism, simply by getting the stomach in working order.

That this prophecy has been fulfilled cannot be doubted after a half hour spent at the young man's headquarters, listening to what his callers have to say.

A reporter who watched to ascertain, if possible, some light on the reasons for the immensity of Cooper's success interviewed about twenty of his callers yesterday afternoon. The statements made by those seen indicate that physicians who claim that Cooper is merely a passing fad, have not looked into the facts.

Some of these statements were as follows: Mrs. Anna B. Hampton, living at 1422 Michigan avenue, upon being questioned, said:

"I have been troubled with general debility, weakness, dizziness, headache, sleeplessness and stomach trouble, for over three years. I had tried a number of medicines and visited several doctors but none helped me. I heard on all sides of these Cooper Remedies and decided to try them. Any one who says that they are not wonderful medicines, does not know what they are talking about. After I used the first bottle, I noticed a decided improvement. I have taken three bottles of the New Discovery and I now feel as well as I ever have in my life. I sleep and eat as I have not done for years, and I am happier than I have been for a long time. I have come here to thank Mr. Cooper for what he has done for me."

The statement of John F. Ehrndal, living at 927 N. Eleventh street, was as follows:

"I have suffered with stomach trouble and constipation for a year or so. When I ate I would have bloated spells, sour stomach, fermentation, bad taste in my mouth. In the morning, I was tired as when I went to bed. I had a dull pain in the lower part of my back, and had to get up several times in the night. I have almost taken one bottle of the New Discovery and I am so wonderfully improved that I have come down here to thank Mr. Cooper in person and obtain more of the medicine."

Another statement was made by Miss Margaret Gordan, living at 219 Center street, who said: "I have been a sufferer with rheumatism for several years. I have tried many remedies, and have been treated by a number of physicians. Nothing helped me in any way and I despaired of finding relief. I was in a general run-down condition, also, and had some stomach trouble. I was told by friends of the Cooper remedies and decided to try some of them. I purchased some of the New Discovery medicine, although it took me three hours to do so, as the crowd was so dense. This was last Thursday. I was improved almost immediately."

"I have continued to take this wonderful medicine and I am now without a sign of rheumatism. My general health is also greatly improved, and I have not felt so well for years. I would not have believed that there was a medicine on earth that would do what this has done for me. I am so much happier that I am very grateful to the man that has made it possible for me to regain my health. He has the most wonderful medicine that I know anything about."

Other statements taken from those who had previously used the medicines seem to prove that Cooper's success throughout the country is genuine.
