**DUTY OF CITIZENSHIP.**  
 Tomorrow is the supplemental reg-  
 istration day. The polls are open  
 in the various precincts from 6 in  
 the morning until 9 at night. This  
 is an important occasion for those  
 who have not already secured their  
 certificates, and appreciate the right  
 of citizenship. The men who made  
 this country free and established this  
 form of government did their duty  
 as it was presented to them. A good  
 citizen today can do no more and no  
 less than this. The duty of the citi-  
 zen today is to vote, and no business  
 engagement is as important as the  
 exercise of the right of suffrage.  
 The men who sacrificed themselves  
 and their property and strength to  
 founding this nation did not live to  
 enjoy the blessings of peace and  
 prosperity. Had they been consider-  
 ing only their own convenience and  
 comfort they would have accepted  
 the overtures of England and we  
 would have been colonists. If in ten  
 or a hundred years from now some  
 great civic catastrophe overtakes  
 this country, the cause of it may be  
 the lack of active interest in the  
 government by voters, and the cata-  
 strophe may in part be directly trace-  
 able to those who neglect to register  
 tomorrow. There are more good  
 people in this country, state and city,  
 than there are bad, and when the  
 bad influence in politics predominates  
 it is not a matter of apprehension  
 and shame, because the bad peo-  
 ple are in control; but it is a shame and  
 disgrace, because the bad people are  
 better citizens than the good people.  
 A good citizen is not a man, who  
 thinks right and condemns the wrong.  
 The good citizen is the man, who  
 does his duty, and the duty of the  
 hour is to register and vote.  
 The man who cries out against corrup-  
 tion in politics and then doesn't vote,  
 is not a good citizen. He's just a  
 knocker. He is worse than the In-  
 dians. They take what the govern-  
 ment gives them and do not kick.  
 Are you a good citizen or a knocker?

**MARRIED IN METROPOLIS.**  
 The Dick Fowler carried two cou-  
 ples to Metropolis this morning  
 the town where marrying depends  
 only upon inclination. Hamilton  
 Darrall, 21 years old, and Miss  
 Alice Cheateat, age 19, and John H.  
 Jones, 21 years old, and Miss Emma  
 York, age 19. The two grooms are  
 from Benton and the brides are from  
 Hardin. They drove to this city in a  
 buggy, went down to Metropolis on  
 the Dick Fowler, were married by  
 Squire Liggett and returned on the  
 George Cowling.

**Fear Sherley's Defeat.**  
 Washington, D. C., Oct. 15.—The  
 Democratic campaign managers fear  
 for the safety of Representative Swa-  
 gar Sherley, and have made a tenta-  
 tive engagement for Representative  
 John Sharp Williams, the minority  
 leader, to speak at Louisville, Octo-  
 ber 25. After that Williams will be  
 at the disposal of Vice Chairman  
 Lloyd, of the congressional commit-  
 tee's western headquarters, and may  
 be assigned to speak in the Third and  
 Ninth Kentucky districts.

John Jennings, the little son of  
 Mrs. J. W. Bean of Madison street,  
 who cut his foot with an ax two  
 weeks ago, is able to get out.

publican state of Pennsylvania  
 that party expects to lose three  
 congressmen. It will also lose  
 one in Kentucky. Patience and  
 shuffle the cards.

A Columbus O. wedding party is  
 to be entertained with a Turkish  
 bath followed by a Dutch lunch. The  
 experiment will be watched with in-  
 terest, as it is customary for the  
 Turkish bath to follow the Dutch  
 lunch.

The local evening organ in speak-  
 ing of the municipal ticket refers to  
 it as "from 'Honest Dave' Cross  
 down to the last man." We would  
 like to know, which one the L. E. O.  
 considers the "last man," going down.

A Rio Janeiro sport, after losing  
 everything at cards, hired a cage of  
 hungry lions from a circus and let  
 the animals eat him up. When a  
 man "bucks the tiger" he has to  
 "feed the kitty."

Grover Cleveland regards William  
 Randolph Hearst as an affliction. We  
 pray that local treatment may erad-  
 icate the evil.

If the lone bandit in Nevada, who  
 took \$5,000 from a stage strong box,  
 did not get stage money, he is all  
 right.

Some women like dogs better than  
 children; but that is no reflection  
 either on the children or the dogs.

**THE CHURCHES**

**Broadway Methodist.**  
 Special services were held yester-  
 day at the Broadway Methodist  
 church. At the morning hour the  
 Rev. T. J. Newell delivered a ser-  
 mon in honor of the soldiers of the  
 war between the states, but especial-  
 ly applicable to their descendants. It  
 was on the theme "Our Inheritance  
 of the War" and was a strong and  
 thoughtful delineation of the "Civil  
 War," and the good that has re-  
 sulted from it. A fine tribute was  
 paid to the soldiers of both sides; to  
 the devoted women of the southland,  
 and to the former slaves and their  
 faithfulness and the advantage this  
 training has been to them in their  
 work as farmers, etc., today. Mr.  
 Newell especially stressed the  
 thought that the south today would  
 never be what it is, however, if slav-  
 ery had continued to exist.

At the evening hour there was an  
 especial song service, arranged by  
 Mrs. Samuel H. Winstead, the tal-  
 ented organist. She was accompa-  
 nied by Mrs. Will Clark on the vio-  
 lin. The offertory was a violin solo  
 beautifully executed by Mrs. Clark.  
 There was a choir composed of:  
 Miss Emma Knauss of Evansville,  
 and Miss Julia Scott, contraltos;  
 Mrs. Samuel T. Hubbard and Miss  
 Lucyette Soule, altos; Mr. John U.  
 Robinson and Mr. Richard Scott, ten-  
 ors; Messrs. Robert Scott, Edward  
 Scott and Will Clark, bass.  
 Miss Knauss who has delighted  
 many with her singing during her  
 stay here, rendered "Redemption"  
 very beautifully last evening. Miss  
 Knauss and Mr. Robinson's duet,  
 "Come Unto Me," was very fine. Mr.  
 Robert Scott sang, "O Dry Those  
 Tears" most impressively, and Mr.  
 Richard Scott's solo "Trusting in  
 Thee" was sung with feeling and  
 power. A large congregation was  
 present.

The Rev. Dr. Snedecor, of Tusca-  
 loosa, Ala. filled the pulpit of the  
 First Presbyterian church yesterday.  
 Dr. Snedecor is a prominent min-  
 ister in the southern Presbyterian church  
 and preached two able sermons. He  
 was here on no special work but came  
 from the state synod meeting at  
 Henderson by invitation of Dr. Cave.

At the Sixth and Kentucky avenue  
 Presbyterian church the Rev. Alexan-  
 der Lindsey, of Flemingsburg, Ky.,  
 delivered two strong sermons yester-  
 day. Dr. Lindsey is an eloquent  
 preacher and a man of intellect, and  
 greatly pleased his congregation  
 both morning and evening.

Married in Metropolis.  
 The Dick Fowler carried two cou-  
 ples to Metropolis this morning  
 the town where marrying depends  
 only upon inclination. Hamilton  
 Darrall, 21 years old, and Miss  
 Alice Cheateat, age 19, and John H.  
 Jones, 21 years old, and Miss Emma  
 York, age 19. The two grooms are  
 from Benton and the brides are from  
 Hardin. They drove to this city in a  
 buggy, went down to Metropolis on  
 the Dick Fowler, were married by  
 Squire Liggett and returned on the

**How the Blood Flow Affects Health.**  
 Few people appreciate the necessity  
 of keeping the blood in every way  
 in good condition if they would have  
 good health.

There are two factors in disease,  
 which, by an endless variety of chan-  
 ges and combinations define every  
 departure from normal conditions.  
 These are the BLOOD and the  
 NERVES. They sustain life, and  
 END IT.

The blood must maintain a steady,  
 swift and equal flow or bad conse-  
 quences follow. Every organ and tis-  
 sue must get its right share of blood,  
 no more, no less. Stop it and the sys-  
 tem is soon poisoned with accumu-  
 lated body sewage, and lack of prop-  
 er nourishment sets up, headaches,  
 tired, worn out sensations, no life,  
 no energy and other kindred ail-  
 ments follow.

Right the blood flow, and they all  
 leave.  
 This is the Osteopathic theory. It  
 merely goes back to the beginning  
 of disease. It finds most disease is  
 associated with an abnormal blood  
 flow.

Especially during the fall and win-  
 ter months it is necessary to keep the  
 blood flow right. Exercise of the  
 right sort is a good stimulant for  
 circulation, but the dry hot air treat-  
 ment, followed by the Osteopathic  
 treatments, which I am giving with  
 such marked good results, is the best  
 treatment yet discovered.

Why? Simply because they go to  
 the basis.  
 Come to see me at any time and I  
 can easily satisfy you that I can soon  
 build up the run-down system, while  
 you are attending to your usual du-  
 ties. I shall, too, be pleased to refer  
 you to people you know well who are  
 enthusiastic in their praises of the  
 treatments.  
 My office hours are from 8 to 12  
 a. m. and 2 to 4 p. m.

**Woman's Kidney Troubles**

Lydia E. Pinkham's Vegetable Compound is Espe-  
 cially Successful in Curing This Fatal  
 Disease.

Of all the diseases known, with  
 which women are afflicted, chronic  
 kidney disease is the most fatal. In  
 fact, unless early and correct treatment  
 is applied, the weary patient seldom  
 survives.  
 Being fully aware of this, Lydia  
 E. Pinkham, early in her career, gave  
 exhaustive study to the subject, and in  
 producing her great remedy for  
 woman's ills—Lydia E. Pinkham's  
 Vegetable Compound—was careful to  
 see that it contained the correct combi-  
 nation of herbs which was sure to con-  
 trol that fatal disease, woman's kidney  
 troubles. Lydia E. Pinkham's Vegeta-  
 ble Compound is the only one espe-  
 cially prepared for women, and thou-  
 sands have been cured of serious kidney  
 derangements by it. Derangements of  
 the feminine organs quickly affect the  
 kidneys, and when a woman has such  
 symptoms as pain or weight in the  
 loins, backache, bearing-down pains,  
 scalding or burning sensations or de-  
 posits in the urine, unusual thirst,  
 swelling of hands and feet, swelling  
 under the eyes or sharp pains in the  
 back, running through the groin, she  
 may infer that her kidneys are affected  
 and should lose no time in combating  
 the disease with Lydia E. Pinkham's  
 Vegetable Compound, the woman's  
 remedy for woman's ills.  
 The following letters show how  
 marvellously successful it is.  
 Mrs. Samuel Frake, of Prospect  
 Plains, N. J., writes:  
 Dear Mrs. Pinkham—  
 I cannot thank you enough for what Lydia  
 E. Pinkham's Vegetable Compound; a Woman's Remedy for Woman's ills.

Dear Mrs. Pinkham—  
 I have been a great sufferer with kidney  
 trouble. My back ached all the time and I  
 was discouraged. I heard that Lydia E.  
 Pinkham's Vegetable Compound would cure  
 kidney disease, and I began to take it, and it  
 has cured me when everything else had failed.  
 I have recommended it to lots of people and  
 all the bad symptoms have disappeared.  
 I cannot praise your medicine enough, and  
 would advise all women suffering with kidney  
 trouble to try it.  
 Mrs. J. W. Lang, of 626 Third Ave-  
 nue, New York, writes:

 ness, are invited to promptly communi-  
 cate with Mrs. Pinkham, at Lynn,  
 Mass. The present Mrs. Pinkham is the  
 daughter-in-law of Lydia E. Pinkham,  
 her assistant before her decease,  
 and for twenty-five years since her  
 advice has been freely given to sick  
 women. Out of the great volume of ex-  
 perience which she has to draw from,  
 it is more than likely she has the very  
 knowledge that will help your case.  
 Her advice is free and always helpful.

**Shoes Are Often Deceptive**

You think they fit the first day.  
 You know they don't forever  
 after. The proof of a shoe is in  
 the wearing. That is when the  
 tight places begin to rub and  
 pinch. The makers of the

 recognize this. They have studied  
 the human foot as carefully as  
 they have the art of good shoe

 This feature of the Hanan  
 Shoe has been tried out by hun-

 during the last fifty years. We
