MASONIC CHARM

PRESENTED TO SUPERINTENDENT BY HIS EMPLOYEES.

Doing Rapid Work Laying Tracks on Broadway for Paducah Traction Company.

To show their respect and appreciation for their popular superintendent, Mr. J. H. Hallett, employes of the Columbia Construction company, which is putting in the double tracks and curves for the Paducah Traction company, presented him yesterday with a handsome gold Masonic watch charm. Mr. Hallett thanked the men and is appreciative of the esteem in which he is held. The construction company under Supt. Hallett's guidance has done excellent work here. The double track work on Broadway is an example of the speed with which the company does

its work. The switch at Fifth and Broadway was taken out last night and put in at Fourth street. One side of the track will be used by later afternoon.

Postmaster Robbed.
 G. W. Fouts, Postmaster at Riverton, Ia., nearly lost his life and was robbed of all comfort, according to his letter which says: "For 20 years I had chronic liver complaint, which led to such a severe case of jaundice that even my finger nails turned yellow; when my doctor prescribed Electric Bitters; which cured me and have kept me well for 11 years." Sure cure for Biliousness, Neuralgia, Weakness and all Stomach, Liver, Kidney and Bladder derangements. A wonderful tonic. At all druggists, 50 cents.

THERE IS NO REASON
 Why your baby should be thin, and fretful during the night. Worms are the cause of this, sickly babies. It is natural that a healthy baby should be fat and sleep well. If your baby does not retain its food don't experiment with colic cures and other medicine, but try a bottle of White's Cream Vermifuge, and you will soon see your baby have color and laugh as it should. Sold by all druggists.

OVER THE FENCE

AND OUT FOR NURSE AT ILLINOIS CENTRAL HOSPITAL.

Alleged Mad Dog Gives Men and Boys a Chase---It Was Tired But Escaped.

Residents on Broadway from Eleventh street to Ninth street, and out Ninth street to Trimble street, were given a genuine mad dog scare this morning, and the little black and tan canine which caused the stir had things going his way until he disappeared in the woods north of Trimble street.

The dog was first noticed near the Washington school house about 8 o'clock. The dog was snapping right and left. A nurse at the Illinois Central hospital jumped a fence to escape the dog.

Conductor William Briggs, of the

Illinois Central, was not to be frightened, and securing his pistol went after the flying dog. He fired once but the dog escaped. Briggs was out-distanced and did not shoot again for fear of hitting some one.

At Ninth street the dog snapped at a horse and turned out Ninth street. By this time a large crowd of boys and men were following it. The dog was tired by this time, but frightened, and escaped into the woods.

the effect that at the recent conference attended by James Bryce, chief secretary of Ireland, leaders of the Irish party in the commons, John Dillon, a member of parliament for East Mayo, and Senator Anthony MacDougal, under secretary to Earl Aberdeen, and lord lieutenant of Ireland, Sir Anthony read a draft of a plan for the reorganization of the government of Ireland.

The draft provided for the establishment of a central or castle board, an educational department, a department of agriculture, and for the transfer of land.

It creates an Irish council with between two-thirds and three-fourths of its members elected on the existing parliamentary franchise, and the remainder on a restricted franchise, or nominated.

Clergymen of all denominations are eligible for membership in the council. Ireland is to retain her present representation in parliament. The police are to remain under imperial control, but the force will be reduced numerically and the judiciary remains unaffected.

CHINESE HOUSES

FIVE HUNDRED OF THEM BURN IN CITY OF CANTON.

No Lives Lost, But Damage Exceeds Million Dollars---Marines in Harbor to Aid.

Hong Kong, Nov. 9.---Over 500 houses have been destroyed by fire in Canton, including all the restaurants, brothels and gambling houses, and the fire is still burning fiercely. The window of a godown on the Island of Shameon became ignited, but the blaze was promptly extinguished and Shameon is not in peril.

Marines from the foreign vessels in the harbor have been landed and are heroically combatting the flames. No lives have been lost, but the damage already exceeds one million dollars. The cause of the fire is unknown.
