## Bargains You Cannot Afford to Pass Up

greatest in our history. Owing to the very mild weather we find our stocks larger than they should be and we are getting them out quickly by making an UNPRECEDENTED CUT. We are especially overstocked with overcoats---\$25 and up---and have priced them at the ridiculously low price of \$23. This includes suits priced at \$40. At such prices as these below, you can afford to buy for future needs, as well as another opportunity again.

**Suits and Overcoats**  
that sold at \$25 and down  
go in this sale at \$15.50

In this lot will be found the best suits that the price ranges would buy anywhere earlier in the season, and when this cut is considered, the value of the opportunity offered you can be appreciated. We have an unusually big assortment in suits, overcoats and raincoats to select from, all this season's styles and goods.
