Impressive Millinery Showing for Dress and Tailored Wear

WITHOUT question this is to be a season of BECOMING millinery. To be sure there are also millinery "freaks" this season, but we are making an authoritative presentation of the styles that women will wear--a presentation infused with all the spirit of beauty-creations, evidencing the Paris and New York ideas that deserve permanence. The season's most becomingly fascinating novelties are shown here. This season, more than ever, you will be surprised at the moderate prices we put upon superb millinery. Come and see.
