## THE TOWN OF NOTHING-TO-DO.

(Edgar A. Guest in Detroit Free Press.)

They say somewhere, in the distance fair,  
Is the town of Nothing-to-Do,  
Where the sun, they say, shines every day  
And the skies are always blue;  
Where no one tries for a silver prize  
And no one strives for gold.  
There every race, has taken place,  
And every tale been told.

The blacksmith sings as his anvil rings  
Of the town of Nothing-to-Do,  
And vows in his song, though the road is long,  
When with anvil and forge he's through,  
He will wander far, where the glad folks are,  
And will rest in that happy town.  
He dreams of the day when he'll put for aye  
His hammer and apron down!

O it matters not, what the toiler's lot,  
Be he preacher or soldier brave,  
Though he delve a ditch, be he great or rich;  
Be he judge or a statesman grave,  
He dreams always of the future days  
When he'll come to Nothing-to-Do,  
When he's faced life's test, and his hands will rest  
And his time to toil is through.

But Nothing-to-Do, folks tell me who  
Have journeyed the hills and found it,  
Is a hollow fake, and a big mistake,  
For the streams of care surround it,  
And the people there, they all declare,  
Are gloomy and sad and sighing,  
And they yearn for strife, for the joy of life  
Is something to do, worth trying.

**Arizona Wedding of Interest Here.**  
Friends in the city have received invitations to the wedding of Miss Maude Welborne and Mr. Samuel Paxton, of Safford, Ariz. Miss Welborne is quite well known in the city and counties surrounding, having been an accomplished musician and taught music in McCracken and Graves counties. She was formerly of Auburn, Ky., and quite a social favorite among her friends. She left Kentucky about four years ago and since that time has made her home in Safford, Ariz. The wedding will be a quiet home affair and after the ceremony the couple will leave for a trip through the mountains. After their return, they will be at home to their friends in Globe, Ariz., where Mr. Paxton has a very profitable business.

**Entre Nous Club.**  
The Entre Nous club was entertained quite charmingly yesterday afternoon by Miss Sarah Saunders at her home, Fifth and Kentucky avenue. The pink and green motif was prettily carried out in the decoration of carnations in the rooms and the refreshments. The little squares of cake were laid in white with the pink carnation on top.

The club prize was won by Mrs. David Koger and the lone-hand by Mrs. John Swift Montgomery, of Thomasville, Ga. Both were silk hose. The visitors' prize, a bunch of pink carnations, went to Miss Lena Shelton.

Those present were: Misses Mary Wheeler, Carrie Trueheart, of Louisville, Emma Boyd, Mabel Shelton, Lena Shelton, Minnie Terrell, Helen Van Meter, Philippa Hughes, Robbio Loving, Margery Bagby, Sadie Paxton, Manie Cobb, Frances Terrell, May Owen, Mrs. Calhoun Riecke, Mrs. David Koger, Mrs. John Brooks, Mrs. Paul Province, Mrs. John Swift Montgomery, Thomasville, Ga.; Mrs. Hughes McKnight.

**SCARED INTO SOUND HEALTH.**  
Mr. B. F. Kelley, Springfield, Ill., writes: "A year ago I began to be troubled with my kidneys and bladder, which grew worse until I became alarmed at my condition. I suffered also with dull heavy headaches and the action of my bladder was annoying and painful. I read of Foley Kidney Pills and after taking them a few weeks the headaches left me, the action of my bladder was again normal, and I was free of all distress."—Gilbert's Drug Store.

## SENATOR BRADLEY ILL FROM INTENSE HEAT.

Washington, June 25.—Senator Bradley was taken ill today while attending to his duties in the senate. He retired to a sofa in the cloak room. Representative Langley is also on the list, both Bradley and Langley suffering from the heat.

## SENATOR GORE CHARGES GRAFT

DECLARES HE WAS OFFERED MONEY FOR HIS INFLUENCE.

Two Senators and Others Were Out For Big Loot of Indian Lands.

## HE ASKS FOR INVESTIGATION

Washington, June 25.—Senator Gore, of Oklahoma, disclosed in the senate today what he interpreted as an effort to bribe him in connection with legislation affecting the fortune in attorney's fees claimed by J. F. McMurray, of Oklahoma, for services rendered to the Choctaw and Chickasaw nations in the land and town-sites cases.

The charge created a sensation in the senate, which was later extended to the house. The latter body, in consequence, sent back to conference the general deficiency bill which carried an item relating to contracts between the Indians and their attorneys.

Three Others Involved.  
Senator Gore finally involved a member of the senate committee on Indian affairs, a member of the house committee on Indian affairs, two former senators—one from Nebraska and the other from Kansas

—but whose names were not made public in the debate. Senator Gore declared he would welcome an investigation of the charges. It is not improbable that such an investigation will be ordered.

It was brought out by Representative Murphy that the McMurray firm would receive 10 per cent of the tribal property of the Choctaws and Chickasaws under the terms of their contracts with the Indians in the event the contracts were approved.

According to reports of Madden, of Illinois, and Carter, of Oklahoma, there are 450,000 acres of local lands in Oklahoma, worth \$150,000,000 under the existing contracts.

**Most Gigantic Steal.**  
"This is one of the biggest steals ever attempted to be put through congress," said Murphy. He said McMurray was assisted by Cecil Lyon, chairman of the Republican committee of Texas, and national Republican committeeman from that state.

Mr. Gore contends that the conference provision is "ten thousand times worse" than the existing law which requires the approval of tribal contracts by the president and secretary of the interior, but gives them no authority over individual contracts.

Murphy tonight figured at \$20,800,000 the ultimate amount that would accrue to McMurray under the ten per cent contract.

**McMurray Makes Denial.**  
Washington, June 25.—J. F. McMurray declared tonight that the charges of Senator Gore are absolutely false. "I am amazed at the senator's statements. I have represented the Choctaw and Chickasaw nations 12 or 13 years, and never has there been anything of a dishonorable character in connection with my work.

"My work has been a meritorious one, and the only question that has ever arisen was whether congress would approve the contracts or whether they should be approved by the president and secretary of the interior. I have taken the latter position. Apparently Gore thinks congress should approve them. I have gone over the entire matter time and again with Gore, and our negotiations were always pleasant and friendly. I don't understand his attitude or charges."

## The Conservation of Nature's Resources

Applies as well to our physical state as to material things. C. J. Budlong, Washington, R. I., realized his condition, and took warning before it was too late. He says: "I suffered severely from kidney trouble, the disease being hereditary in our family. I have taken four bottles of Foley's Kidney Remedy, and now consider myself thoroughly cured. This should be a warning to all not to neglect taking Foley's Kidney Remedy until it is too late."—Gilbert's Drug Store.

## Cook in Comfort

You no longer need wear yourself out with the weakening heat of an intensely hot kitchen. You can cook in comfort.

## New Perfection Oil Cook-stove

entirely removes the discomfort of cooking. Apply a match and immediately the stove is ready. Instantly an intense heat is projected upwards against the pot, pan, kettle or boiler, and yet there is no surrounding heat—no smell—no smoke.

Why? Because The New Perfection Oil Cook-Stove is scientifically and practically perfect. You cannot use too much wick—it is automatically controlled. You get the maximum heat—no smoke. The burner is simple. One wick with a cloth cleans it—consequently there is no smell. The New Perfection Oil Cook-Stove is wonderful for year-round use, but especially in summer. Its heat operates upward to pan, pot, or kettle, but not beyond or around. It is useless for heating a room. It has a Cabinet Top with shelf for keeping plates and food hot. It has long turquoise-blue enamel chimneys. The nickel finish, with the bright blue of the chimneys, makes the stove ornamental and attractive. Made with 1, 2 and 3 burners; the 2 and 3-burner stoves can be had with or without Cabinet. Every dealer carries it; if not at yours, write for Descriptive Circular to the nearest agency of the

Her father is Mr. John Crosby, an employe of the Illinois Central railroad.

# LAST TWO DAYS OF THE CHAUTAUQUA

## Present Best Programs of the Session

**NOTHING** better has been presented than the attractions for the last two days of the Chautauqu—Saturday and Sunday.

Senator Gore, who lectures Sunday afternoon at 3:30 on "Social Duty" is the big attraction of the entire session. The life of story of Senator Gore, who has been blind for years, is nothing short of an inspiration, for his vigorous mentality, his broad culture and cheerful optimism have overcome the handicaps of nature and lead him on to magnificent success. He is one of the striking figures in the public life of America today and his message is full of deep interest. This is one of the two special attractions of the session.

**Saturday Night**  
Lecture - - "Tallow Dips"  
Robert Parker Miles

**Sunday Afternoon**  
Lecture - - "Social Duty"  
Senator Thos. P. Gore

**Sunday Evening**  
Vesper Service  
Concert by Fisher Shipp  
Concert Co.

**Be There and Bring Your Friends**

**TONIGHT** Robert Parker Miles, the eminent author, traveler and lecturer, will be the attraction, and those who spend the evening with him are promised a rare treat. "Tallow Dips" is a distinct novelty in the realm of the platform, for Mr. Miles impersonates, with startling realism, some of the most powerful figures of the age, the world over. Yet in his early thirties he has been the co-worker of Moody and Booth-Tucker, the visitor of Gladstone, Pope Leo XIII and the comrade of leading American literati.

Sunday afternoon at 3:30 the FISHER SHIPP COMPANY will entertain visitors to the Chautauqua, and if they may be judged by the reports heard of their earlier work, they will prove the star feature. They are pronounced by competent critics one of the best entertainment organizations in the country, and their work is versatile and pleasing.
