ADVANCE AGENT.

METROPOLIS YOUNG MAN GOES WITH THE EARHART'S.

Mr Jack Young, of Metropolis, has accepted a position as advance manager for Prof. Victor Earhart and wife, the entertainers, who have given three entertainments in Paducah for various organizations, and give one at Metropolis tonight. He goes on the road at once. The Metropolis Herald says of him:

"Jack is particularly well adapted to this line of work as he has a clever, jolly disposition and makes friends wherever he goes. He is not a novice either, having been out in a similar capacity for several other attractions. After going ahead and arranging several engagements he will join the Entertainers and assist in working up their popular programs.

BOTH CONVICTED.

METROPOLIS TOUGHS ADJUDGED GUILTY OF BURGLARY.

Omar Rose and Peter O'Brien were convicted at Metropolis of breaking into General May's saloon some time ago, and unless their cases are taken to the court of appeals and reversed, they must serve sentences at Chester.

The defendants attempted to show that they were not there, but Officer Pergande swore he saw them inside working with the cash register. Rose was arrested in Washington, Ind., some time later. He is well known in Paducah, having had a bloody fight with police officers a few years ago.

INDIANS THREATEN TROUBLE.

Ardmore, I. T., Jan. 29.—Federal officers here have been notified that several hundred full-blood Indians near Stonewall, in the Chickasaw nation, are threatening trouble. The Indians, who are dissatisfied with conditions pertaining to the allotment of their lands, threaten to tear up the railroad tracks and shoot the whites. Much excitement prevails among the settlers. Officers have been sent to the scene and it is believed they will be able to quiet the Indians.

GEN. LAWTON RETIRED.

Washington, Jan. 29.—Major Louis M. Lawton of the judge advocate general's department has been retired on account of disabilities incurred during the Chinese campaign. He was promoted by the president prior to retirement in recognition of his gallant conduct at Tien Tsin.

CHINESE NEW YEAR

It Has Begun and Lasts Three Days.

No Elaborate Celebration in Paducah—Some of the Celestial Customs.

ALL DEBTS MUST BE PAID

The Chinese New Year began yesterday and ends Friday night, but it is not being extensively observed in Paducah because there are very few Celestials here. In the large cities where there are Chinese colonies, however, the bustle and din in the Chinese quarters are something almost inconceivable.

It has been several years since there was anything like a formal observance of the event in Paducah, and then, outside of a display of fireworks in front of the laundry, the general public was not aware that anything unusual was going on among our pigtailed citizens.

The giving of gifts and the custom of making New Year's calls were originated by the Chinese. They have a sort of graded system of making calls, each class paying its respects to the classes above it.

There is no fixed date upon which the Chinese New Year begins. It is reckoned from the first moon after the sun enters Aquarius, and it can not happen earlier than January 21 nor later February 19.

The houses are decorated with fanciful colored bunting, lanterns and artificial flowers and strips of red paper, with mottoes on them, are pasted on the doors. A strip of blue paper indicates that there has been a death in the family.

The people don their gayest attire, and if any one is too poor to provide himself with holiday clothing he stays hidden.

New Year's calls are made by the men only. The women do not participate. Persons meeting on the street salute one another by saying, "Kung-hi kung-hi" (I humbly wish you joy) or "Sin-hi, sin-hi" (may joy be yours). It is from these salutations that we get our greeting, "A Happy New Year."

Another custom of the Chinese is that all debts must be paid at the ending of the old year. This custom is strictly observed in China, but contact with Americans has caused it to fall into disfavor in the United States.

HAD HEART DISEASE

WHEN A MEMBER MENTIONED PROHIBITING PASSES.

Washington, Jan. 29.—The house had an attack of heart disease when Representative Randall of Texas tried to amend a law which would make it prohibitive for congressmen to accept railroad or telegraph passes.

Representative Mann of Chicago got his breath in time to object and this morning there were a few private conferences to see that nothing like that will ever happen again. Randall was cautioned that it was dangerous to shock the old members in such a violent fashion.

JOINT CONFERENCE.

REPRESENTATIVES AGREE TO MR. BOWEN'S PROPOSITION.

Washington, Jan. 29.—The Italian and British ambassadors and the German charge d'affaires, at a joint conference, agreed to cable their governments urging a prompt acceptance of Mr. Bowen's last proposition to enable the lifting of the Venezuela blockade at once.

In this cablegram, it was suggested that the consideration of the details of the proposition be postponed until after the signing of the preliminary protocol.

INJURIES FATAL.

DIES OF INJURIES RECEIVED A FEW DAYS AGO.

Bardstown, Ky., Jan. 29.—B. H. Lewis, former deputy sheriff of Nelson county, is dead at his home near here. Deceased was a prominent man in many ways, and was widely known and popular. Death resulted from injuries received several days ago, in which a rib was broken. This was followed by a congestion of the lungs. He is survived by his wife and several children.

IS TO BE CUT DOWN

Aldermen Unanimously Pass an Ordinance Reducing Police Force

Will Have Twenty-one Men Instead of Twenty-six, if Measure Passes Council.

APPROPRIATION ORDINANCE

Seven of the aldermen were at the called meeting last night, Alderman Singleton being absent.

The appropriation ordinance was passed without objection, and Alderman Starks then presented an ordinance cutting down the police force to twenty men and one chief, the officers to receive \$720 annually, with the exception of the chief, whose salary will be fixed by the commissioners.

A letter was read from the municipal authorities of Newport stating that they had 20 patrolmen, a chief and a day and night lieutenant. Newport is larger than Paducah and its property assessment is many more millions than ours. A letter was also read from Racine, Wis., stating that they have only 15 patrolmen and a chief, while Racine is a city of 33,000 people and its property assessment is over \$16,000,000, while ours is less than \$3,000,000.

This ordinance was passed unanimously.

Chairman Smith, of the special committee to investigate the advisability of having Mr. Frank Rieke move the new residence he is building on West Washington street back off the right of way of the street should it be extended, reported that the house had been started, and recommended that \$500 be appropriated to pay Mr. Rieke as costs for moving the foundation. Mr. Rieke agrees to then deed the city the right of way for the extension of the street. The report of the committee was received and the recommendations concurred in.

The coffee house license of A. M. Churchill, 504 South Fifth street, was transferred to Dunn & Bryant. The board then adjourned.

UGLY CHARGE.

GIRL SWEARS OUT A WARRANT AGAINST HER FATHER.

Bardwell, Ky., Jan. 29.—Miss Callie Rogers, aged 18, living four miles from town in the Buffalo settlement, came to town and swore out a warrant for the arrest of her father, R. I. Rogers.

On going to the home to make the arrest, it was found that he had left the country. The people are much worked up over the affair, and there is considerable talk of lynching him when caught.

DEATH IN HENDERSON.

Henderson, Ky., Jan. 29.—Mrs. Ballard Jones died here. She was a sister-in-law of former Governor Brown.

STATE BANKRUPTS

Report Shows That Over Two Thousand Have Been Filed.

Statistics About Federal Prisoners and Other Matters in Kentucky.

THREE PARDONS DURING YEAR

The attorney-general has sent out from the department of justice, in Washington, statistics for Kentucky, which will prove of interest, especially in the nature of bankruptcies.

The summary from clerks of Kentucky courts of bankruptcy for the year ending September 20, 1902, are as follows:

Voluntary petitions filed, 417; involuntary petitions, 33.

Petitions filed since passage of act: Voluntary, 2,152; involuntary, 150.

Discharges granted, 352; refused, 1. The summary of referees' reports: Voluntary bankruptcy cases closed for Kentucky, is as follows: Number of cases, 396; total assets, \$135,240; total liabilities, \$1,173,893.27. Nature of business: Farmer, 95; wage earner, 173; merchant, 79; manufacturer, 3; professional men, 15; miscellaneous, 31.

According to the report there are only three prisoners in the Industrial School for Reform in Louisville. There are 26 Kentuckians in the United States penitentiary at Fort Leavenworth, Kas.

In the list of pardons of Kentuckians given by President Roosevelt during the year are the names of E. L. Jones, serving in the Detroit house of Correction, arrested for forgery; John Harris, serving in Jeffersonville prison for perjury; Isaac Sloane, serving in Jeffersonville prison for conspiracy to murder.

During the fiscal year from July 1, 1901, to June 30, 1902, there were 64 criminal prosecutions pending in the Western Kentucky district and circuit courts. There were four convictions in these cases under the pension laws, four convictions for embezzlement and five convictions for miscellaneous charges.

PAY FOR CANAL

ABOUT \$50,000,000 WILL BE PAID OUT SHORTLY.

Washington, Jan. 29.—Officials of the treasury are now giving some attention to the financial arrangements for paying for the Panama canal, and for the concession granted by Colombia, and for meeting the cost of construction and fortification of the proposed waterway. Problems both important and interesting are presented which will require careful attention.

When the treaty has been ratified by Colombia and by the United States the first requirement will be the payment of \$40,000,000 to the new Panama Canal Co. and of \$10,000,000 to Colombia. It is probable that three or four months will elapse before these payments must be met. Should the United States senate ratify the treaty before March 4 Colombia's ratification will still be wanting. The Colombian congress is now being elected. It will not meet in extra session until March. It is assumed that there will be opposition to its ratification at Bogota. No one can tell how strong such opposition will be, but some delay in its ratification, should it be ratified, is to be expected perhaps until next summer.

NEW CARDINALS

EIGHT OR TEN ARE EXPECTED BY END OF FEBRUARY.

Washington, Jan. 29.—Word has reached here from Rome that the next consistory probably will be held at the end of February, when the pope will celebrate the attainment of the twenty-fifth year of his pontificate. The occasion, according to the best information obtainable in Rome, will make the creation of eight or ten cardinals, all of whom, it is understood, will be Italians save one. The exception, it is said, is a German prelate, possibly the head of the Strasburg diocese.
