### Novelties for Ladies.

We have added a new department to our store for the ladies and we invite them to see our line of Stock ties, Stock Collars in all the new things; 50-inch Four-in-Hand Ties, all colors; The Midget String Tie, and Wash Belts made by Kaiser.

### New Straw Hats

Old Sol is right on us, but thank goodness straw hats are with us. Styles are different this year. Low crown, wide brims are very stylish for young men. The Panamas are worn a great deal also; we have them in all prices and shapes. See our Straw Hat Department for Summer Styles.

### New Negligee Shirts

You can't have too many and you can't find as many to select from as you can at our store. A superb selection of most new and stylish patterns made by the best known manufacturers. They are made mostly of Percale and Madras cloth, woven or printed, fronts plaited or plain.

### CROWDS TURN OUT

Last Night the Patronage Was Good at all the Shows.

Today Many People Are Out Availing Themselves of the Pretty Weather.

### MANY STRANGERS ARRIVING

Last night came an awakening. The weather cleared and the people were out by the thousand to attend the carnival. Broadway was packed and crammed until midnight and all the shows did a big business. There was probably never another carnival town like Paducah. Everybody turns out, and some of the shows had to turn the people away at times, so crowded were the tents.

The street car company hauled during the day about 10,000 people, which is a good record, considering the fact that the weather most of the day was bad.

No. 7237 last night won the suit of clothes at the country store, with 6,705 next, if the other number is not presented. Mr. J. C. Caldwell presented coupon 3,867 and secured the fine umbrella. A big consignment for the country store has been received from Chicago and business is expected to improve today and tomorrow.

Messrs. E. C. Buck, C. B. Bryson and E. E. Hite, of Fort Wayne, Ind., and the Muncie, Ind., and Grand Rapids delegations, which came here to see the Ferrari attractions, were well pleased with the shows, which cannot be surpassed anywhere, and left for home after making a contract with

the company to furnish the attractions for their cities this year. There was never a better, larger array of attractions offered by any company in America and this the visitors who come here to see them readily agree.

The free acts will be as follows today and tomorrow: Speedy high diver, 2:30 and 8:30 p. m.; cycle whirl 8 and 8 p. m.; riding wheel down ladder, 3:30 and 9 p. m.

Another big parade will be given tonight at 7:30 and a large crowd is expected out to witness it.

One of the best features of last night's entertainment was the German band, which is composed of a number of well known people of the city with "bazoo" instruments, who were well made up and visited many of the attractions. Mr. J. J. Freunlich is leader of the band, and City Jailor Tom Everts and Councilman Young Taylor are important soloists in it.

The bricks in the street at Second and Broadway that were damaged by spikes driven to support the cycle whirl will be replaced by the carnival people when the carnival is over.

The Carnival association members have taken heart now and are working to make today and tomorrow the gala days of the entire carnival week. The fact that so many persons turned out during the rain is a positive proof that the city will be filled to the overflowing with visitors.

This morning the Hopkinsville and Fulton trains carried countless numbers of visitors and every train and boat is bringing more visitors.

Director General Lagomarsino stated this morning that he thought the city would be filled by night and already the streets are nearly impassable. The shows have all done a good business considering the weather and last night the proceeds far exceeded the expectations of the show people. All the free attractions were well attended and the German village was a hummer. The place was filled from 7

o'clock at night until the wee sma' hours. The country store is also one of the centers of interest and the sales have been enormous. Mr. Sam Foreman and several carnival promoters have been running the automobile and the tickets are going fast. Some persons have collected as many as two hundred tickets each and some have made pools of the chances.

Dean's band gave several creditable concerts on the streets this morning and the Ferrari show band was also out giving concerts. The music this year has been excellent and the band concerts in the German village are features of that attraction.

Two ladies and twenty-five children from the Home of the Friendless are this afternoon enjoying the carnival as guests of Secretary Bronaugh and the Carnival association, seeing all the shows. They seem to be enjoying the treat very much.

Miss Tylene Wilcox of Kuttawa returned home this morning after a short visit to Miss Williametta James.

### RETURNS NOT YET IN

Chairman Young Says it May be a Week Yet.

Possible They May be Held Up Until the Appellate Court Decides Primary.

### THE SORENESS IS INCREASING

Frankfort, May 15—The official returns from fifty counties have been received at the headquarters of the state executive committee here. Mr. Young says it will probably be a week before all of the returns are in, and until that time no final announcement of the result can be made. The official announcement will be made on May 30, when the certificates of nomination are granted. It is probable that the uncertainties will not be removed until after the court of appeals renders a final decision as to the legality of calling the primary.

It is thought here that the desire of the executive committee is that the final results be held up until the decision of the appellate court, which will probably be rendered in a few days.

Mr. Young declares that he cannot say whether Greene or Chinn is the winner, and that his interest is only in seeing the returns impartially canvassed. The outlook is that if the court of appeals does not set aside the primary Chinn will be nominated, and Greene will contest the nomination, as he is used to do so by many influential Democrats, and it is believed that frame's could be proven that would set aside Chinn's nomination. There is also some probability of other

candidates uniting with Greene to set aside the whole primary by contest suits if the court of appeals does not decide that it was illegally called.

The soreness in the ranks as well as among the defeated candidates increases rather than diminishes.

### HELPING THE COMPANY.

Mobile, Ala., May 15—A special from Jackson, Tenn., says that the wives of railroad men have come to the assistance of the Mobile and Ohio company during the strike of trainmen and switchmen and says that Mrs. H. E. Jones has been assisting her husband as baggagemaster and Mrs. Lancaster has made several trips with her husband and wears the conductor's cap like an old timer. Both Mrs. Jones and Mrs. Lancaster are prominent in society.

### WANT IT DISMISSED.

Frankfort, Ky., May 15—Chairman Allie W. Young, Democratic state central and executive committees has presented to the court of appeals an affidavit made by Charles M. Meacham stating that he had ordered the suspension of the primary injunction case litigation, and had authorized no one to reinstate the case. Mr. Young asks for appropriate action on the affidavit.

### CHEATED THE GALLOWS.

Lexington, May 15—William McCarty, who was to have been hanged here at 8 o'clock this morning for the murder of his wife, cheated the gallows by taking poison some time last night, dying at 8 a. m.

### HANGING IN LOUISVILLE.

Louisville, May 15—John Black, colored, was hanged this morning at 5:33 o'clock and was pronounced dead at 5:41. He murdered his uncle some time ago.

### BUSH GETS IT.

Eddyville, May 15—Hush nominated and given the certificate of election by 147 majority.

### CAPT. NORTON DEAD

Philanthropic Kentuckian Expires in California.

Left Louisville a Few Months Ago in Search of Health.

### HE LEAVES RELATIVES HERE

Relatives in Paducah today received a telegram announcing the death at Coronado, Cal., of Captain W. F. Norton, of Louisville, who had gone there for his health. The news was a great shock to them, as they were under the impression that Captain Norton, while ill, was not in any immediate danger of dying.

The deceased was born in Paducah about fifty years ago, and was a son of the late W. F. Norton, a prominent banker, but he moved to Louisville when a child. He had always been a great public benefactor and was always identified with some of the most important enterprises in Louisville, being for years manager of the Auditorium there.

Captain Norton's health recently became so bad that he wound up his affairs in Louisville and a few months ago went to California to live. He was building a handsome mansion when death overtook him, a friend predicting only a few days ago that he would never live to see it finished.

Captain Norton was the last of his family, and was quite a wealthy man, despite the large sums he gave away. His donation to Louisville's proposed coliseum was about \$75,000, and he gave much to charity.
