DESTROYER COMING

Reaches Cairo Today and Passes Paducah Tomorrow.

Will Probably Not Stop On Her Way Up But On Her Way Back.

The torpedo boat destroyer left Memphis yesterday afternoon at 1:40 o'clock for Cairo, and at noon had not reached the Egyptian city, but was expected there every minute. It is not known whether she will come on up or not, but if she tries she can reach Paducah before night and anchor here.

The boat does not travel at night. It is possible, however, that she will remain at Cairo tonight, and pass Paducah early in the forenoon.

She travels with the speed of an express train and is quite a curiosity.

The Nashville was able to get under the bridge at Memphis today, and will proceed at once to St. Louis. The Lawrence is expected to be there to join her April 29.

At 3 o'clock this afternoon a telephone message from Cairo said that the Lawrence had just come in sight of that place. If it comes on up it would hardly reach Paducah before dark.

Mr. Harris has been guaranteed eight horses by local horsemen and soon rare sport is promised to lovers of horsemanship in watching the fast steppers, as horses of the class named, have never before been handled over the local track.

SAWDUST PILE

FOR FREE ADVICE

Every Woman Should Write Dr. S. B. Hartman, President of The Hartman Sanitarium.

MRS. JOSEPH LACELLE.

Mrs. Joseph Lacelle, Ottawa, East, Ont., Canada, writes: "Peruna is better by far than any other medicine sold in the Dominion for the troubles peculiar to the sex. I suffered with backache, headache and dragging down pains for over nine months, and nothing relieved me a particle until I took Peruna. A few bottles relieved me of my miserable half-dead, half-alive condition. I am now in good health and have neither ache or pain, nor have I had any for the past year. If every suffering woman would take Peruna they would soon know its value and never be without it."—Mrs. Joseph Lacelle.

Free Home Advice.

In view of the great multitude of women suffering from some form of female disease and yet unable to find any cure, Dr. Hartman, the renowned specialist on female catarrhal diseases, has announced his willingness to direct the treatment of as many cases as make application to him during the summer months without charge.

Those wishing to become patients should address The Peruna Medicine Co., Columbus, Ohio.
