

WORRY GOES TO THE STOMACH

Tears Down the Little Telegraph Lines That Operate the Control of the Digestive Processes.

HOW TO REPAIR THESE TELEGRAPH LINES.

I Will Gladly Give Any Stomach Sufferer a Full Dollar's Worth of My Remedy Free to Try.

I ask no deposit—no reference—no security. There is nothing to risk—nothing to pay, either now or later. Any stomach sufferer who does not know my remedy may have a full dollar's worth free, if he merely writes and asks.

I willingly make this liberal offer because Dr. Shoop's Restorative is not an ordinary stomach remedy. It does not, indeed, treat the stomach itself. It goes beyond it, it treats the nerves that control and operate the stomach. The nerves that wear out and break down and cause stomach trouble. For stomach trouble is really only a symptom that there is serious nerve trouble inside. That is why ordinary remedies fail. That is why my remedy succeeds. That is why I can afford to make this offer.

Yet do not understand me when I say "nerves." I do not mean the nerves you ordinarily think about. I mean the automatic stomach nerves over which your mind has no control. I have not the space here to explain to you how the nerves control the stomach, or how they may be vitalized and restored. When you write I will send you a book which will make these points clear. But this much is certain—ailing nerves cause all forms of stomach trouble, indigestion, heartburn, insomnia, nervousness, dyspepsia. No stomach medicine will cure these ailments. Only nerve treatment will do that. No other remedy than Dr. Shoop's Restorative ever claims to reach these nerves.

What ails the stomach nerves? Worry, probably. Mental anguish destroys their tiny fibers and tears down the telegraph lines without which the stomach has no more self control than a sponge. Overwork will do it. Irregular habits will do it. Overeating will do it. Dissipation will do it. Put the effect is the same—stomach failure.

No matter how these nerves become impaired—I know a way to rebuild their strength—to restore their vigor. It is a remedy which took thirty years of my life to perfect—remedy which is now known in more than fifty thousand homes—as Dr. Shoop's restorative.

If you have stomach trouble and have never tried my remedy, merely write and ask. I will send you an order on your druggist which he will accept as gladly as he would accept a dollar. He will hand you from his shelves a standard sized bottle of my prescription, and he will send the bill to me. This offer is made only to strangers to my remedy. Those who have once used the Restorative do not need this evidence. There are no conditions—no requirements. It is open and frank and fair. It is the strongest test of my limitless belief. All that I ask you to do is to write—write to—

For a free order for a full dollar bottle you must address Dr. Shoop, Box L. 171, Racine, Wis. State which book you want.

Too Much Fluor Spar.

There is a strong probability during the current year of overproduction of fluor spar. Should shipments average last week's tonnage throughout this year the possibilities of lower prices would materially become certainties. A Kentucky paper gives the shipments from the Marion, Ky., field for the week ending March 19 as 17 car loads of gravel, lump and ground. Add to this the Golconda output of 39 cars and we have nearly 1500 tons for the week, or a yearly tonnage of some 75,000 tons, which is considerably more than is required by the consumers. We appreciate the fact that a high grade product such as is mined here, will be given the preference by purchasers, and especially the dollar per ton lower freights will cut a very large figure, but it is quite as well to be a trifle conservative in mining as well as in anything else.—Golconda Herald Enterprise.

REPORTED GRAHAM MAY FILE CONTEST

Did Not Take Kindly to Questions When Asked.

He Did Not Deny—The Tie in Circuit Clerk's Race Has Been Settled Now.

MR. MILLER GETS NOMINATION

It is reported that County Clerk Charles Graham will contest the nomination of Mr. John Ogilvie for sheriff. He has ten days for the primary in which to file his notice, the time expiring Monday next.

Mr. Graham when asked about the report today, benevolently conigned newspaper men in general to the hot regions, and said when he had anything to say he would let them know. Nothing definite could consequently be learned in regard to the report, as no one seemed authorized to either affirm or deny, and Mr. Graham would do neither.

When the Democratic county committee meets tomorrow it will be relieved of the matter of settling the tie vote for the nomination for circuit clerk. Messrs. Joe Miller and John Smith, who each received 824 votes, have agreed that Mr. Miller is to have the nomination, and Mr. Smith will ask the Democratic committee tomorrow to award it to Mr. Miller.

Mr. Smith in his statement gives several reasons for conceding the nomination to his opponent, one of which is that he is younger than Mr. Miller and can get along better without the emoluments of the office than Mr. Miller, that he desires to do nothing that will engender any more bitter feeling in the Democratic party of the county and that his friendship for Mr. Miller precludes the idea of another contest under the circumstances. As it was his first candidacy before the people, he is willing that Mr. Miller have the nomination.

Mr. Miller offered to make Mr. Smith a deputy clerk, but it is understood the offer will be declined.

It is said that the real agreement made between the candidates, however, is that Deputy Clerk Will Kidd will be retained to do the work in the office in case Mr. Miller is elected in November, and Messrs. Miller and Smith will divide the fees.

Feet Swelled From Frightful Eczema

Could Not Wear Shoes—Cured by D. D. D. Prescription

Read This Letter From a Columbus, Ohio Business Man.

Columbus, Ohio, Nov. 5th, 1904.

Gentlemen: For several years I was a sufferer from Eczema, the affliction affecting my hands, arms and feet. At times my feet became so swollen that I could not wear my shoes, while the constant itching of the eruption on my hands and arms became almost unbearable. Upon the recommendation of another sufferer I gave up the use of D. D. D. and it gave me immediate relief. I have now fully recovered from my ailment, and I give D. D. D. the credit for affecting what is to me and my friends, a marvelous cure.

Truly yours, GUY J. GOBLE.

Don't be fooled into thinking that skin troubles come from blood impurities, and don't ruin your stomach with purges and blood remedies. Eczema and all skin diseases are caused by little germs that attack the skin externally. D. D. D. Prescription kills these germs and leaves the skin clear, soft and healthy. Its work seems almost miraculous. If you are skeptical go to the druggist whose name appears below and he will show you photos and proofs positive that D. D. D. will actually cure any and all skin diseases.

D. D. D. costs but \$1.00 per bottle and is guaranteed to cure any skin disease or money refunded.

RECEIVE HOSPITAL MONDAY MORNING

Believed the Building Will Then be Ready to Open.

The Board of Managers to Be Completed and Arrangements Made to Furnish the Building.

TWO DOCTORS TO BE APPOINTED

With the exception of half a dozen ventilator grates, the new city hospital is ready for acceptance by the city and the mayor will be urged to call a meeting of the joint hospital committee to receive it Monday morning.

The grates will be here before that time and all is in readiness to accept them in place immediately on arrival. The committee will accept and report its action to the joint boards, which will ratify its action in receiving.

At this meeting it is probable that the two doctors who will be on the board of managers will be named and the board take immediate charge of the institution.

The first thing to do will be the furnishing and a recommendation in regular written form will be presented to the legislative boards at the first meeting following the organization of the board of managers, recommending that an appropriation be made to furnish the institution. The managers will have to secure this before the hospital can be furnished and the medical fraternity especially is urging immediate action.

A STRONG SERMON

DELIVERED BY BISHOP WOODCOCK LAST EVENING.

Rites of Confirmation at Close—The Bishop's First Visit to Paducah—A Fine Impression.

A large congregation heard the Right Reverend Charles E. Woodcock, of Louisville, last night at Grace Episcopal church, and the bishop made a fine impression on all.

Both as a man and a minister, and quite bore out the assertion made at the time of his election to the bishopric that Kentucky had secured one of the strongest men of the Protestant Episcopal church. His sermon last evening was an eloquent exposition on the general theme of "Love," but was even more a forcible guidance for daily living along that line. He is an eminently practical and vigorous thinker, and not without the keen sense of humor that betrays his Irish descent. At the close of the sermon he administered the rites of confirmation to a class of ten in a most impressive manner. His address to the class was particularly fine.

Many of the parish and friends called on Bishop Woodcock at the rectory on Kentucky avenue after the service, and found him most agreeable socially. He left at noon today for other Kentucky towns between here and Louisville where he has classes to confirm. He came here direct from Morgantown yesterday afternoon.

Revival to Continue.
Rev. W. H. Pinkerton decided last evening to continue the revival services through the week, instead of closing last night as intended. The work has been so successful and the interest continuing good the meeting will be protracted until Sunday night at least.

On next Monday evening Rev. P. M. Kendall will deliver at the church his lecture on "Egypt." Mr. Kendall has done an excellent work here in assisting Dr. Pinkerton in the meeting, and his illustrated songs and evening Bible drills have been features of interest each night.

WHY TWO PREACHERS HAD TO RETIRE

Too Good a Horse Trader.
(Sioux City, Ia., Telegram to the Chicago Inter Ocean.)

Because he is a good horse trader, the Rev. S. Koster, of Orange City, will lose his job and his license as a minister of the Gospel.

He was tried by a board of twelve Dutch Reformed clergymen. The evidence showed that he had managed to get the best of several deals, manifesting a capacity for business quite worldly.

The preachers decided that such competence was not compatible with priestly robes. Solemnly and with great seriousness the incriminating evidence was weighed. The accused was found wanting.

Today a verdict was returned finding Mr. Koster guilty "of sharp practices in horse trading." "This enough, he will be unfrocked at once.

Successful in Stocks.
(Wilmington, Del., Telegram to the Chicago Inter Ocean.)

The Rev. Dr. Wilbur E. Cochran was successful in his speculations on the Board of Trade; too successful, in fact, for a committee of fifteen ministers has found him guilty of stock trading and he will be suspended for one year.

The inquisitors were chosen from among the delegates to the Wilmington Methodist Episcopal conference. Tonight they presented a report charging the accused with "gambling, highly imprudent and unministerial conduct." It is added incidentally that this comprises his faults, as he was not involved in "falsehood or fraud."

Mr. Cochran was not without his defenders, who urged that it was quite commendable for a preacher to show business ability.

Notice.
Frank Tardy and others vs. Steamer Lotus, in Admiralty:

Whereas, libels were filed in the district court of the United States for the Western district of Kentucky, at Paducah, Ky., on the 27th and 28th days of March, 1905, by Frank Tardy and others against the steamer Lotus, her engines, tackle, apparel, furniture, etc., alleging in substance that said steamer was indebted to them in the sum of \$— for supplies, material, barge, hire, etc., furnished said steamer and on the credit of same. That said steamer Lotus is justly indebted to them in said sum and that same has never been paid; and prayed process against said steamer Lotus, her engines, tackle, apparel, furniture, etc., and that said steamer be condemned and sold to pay said claims with costs and expenses. Now, therefore, in pursuance to the motion under seal of said court to do hereby I do hereby give public notice to all persons claiming the said steamer Lotus, or in any manner interested therein, that they be and appear in the district court of the United States in the city of Paducah, Ky., on or before the first day of May, 1905, at 10 o'clock in the forenoon of that day, then and there to interpose their claims and to make their allegations in that behalf.
