I. C. NEWS BUTCH GETS INTO BAD BOX

Charged With Robbing Man On Memphis Train.

He Was Arrested in Louisville and Claimed He Found roll of \$200 Under Seat.

HELD FOR THE GRAND JURY

Charged with having "touched" a drunken man, who lives at Ripley, Tenn., of a roll amounting to \$200, Rolly Pike, a news "butcher" employed by the Illinois Central railroad on the line between Louisville and Memphis and well known in Paducah, was arrested at Louisville as he left the train upon its arrival at the Seventh street depot. He denied the charge, but was taken to the office of Capt. Sullivan, chief of detectives, and searched. He was found to have a roll of bills amounting to \$160 thrust into a popcorn box in an inside pocket, and \$30 in bills and 90 cents in small change was found in his pocket.

He then declared that he had found the money, but was unable to explain to Supt. A. H. Egan, who was on the train when the robbery took place, why he had not reported his find. He was lodged in jail on the charge of grand larceny, and as the offense was committed in Tennessee, the charge of being a fugitive from justice was also lodged against him.

The train on which Pike served left Memphis at 8 o'clock Saturday morning, and on it was a man considerably under the influence of liquor. Pike was seen to hover over the man often, and when Covington, Tenn., was reached, the inebriate

cried out that he had been robbed of \$200.

The charge created great commotion on the train, and the conductor, J. G. Dugan, made a thorough inquiry and investigation, finally suspecting Pike. The drunken man got off at Ripley, Tenn., without having given his name, and Conductor Dugan telephoned to this city notifying the detective.

Pike has a wife and two children and lives in Louisville. He is 26 years old, and is thought to have had previously a good reputation. He will be taken to Ripley for trial as soon as the usual formalities have been observed.

FIRST BLOOD.

Won By the Fusionists in Louisville Fight.

Louisville, Ky., Dec. 11.—Several runnings on questions involving pleadings of the Fusionists in their contest suits for the offices of all persons elected on the Democratic ticket in Louisville and Jefferson county at the November election were made in joint session by Judges Miller and Kirby.

Save in one or two minor instances the sweeping motion of the Democrats to strike about 50 pages of matter from the petitions of the Fusionists which it was charged were vague and misleading, was overruled. The Democratic motion to make the petitions more specific where particular precincts are attacked is sustained.

The judges upheld the motion of the Fusionists to appoint a receiver for the election paraphernalia for all the precincts which have been called into question by the Fusionists.

So great is the interest evinced that it has been decided to continue the meeting, probably through the week, although Dr. Cates had expected to close last night. It has been in progress for three weeks.

Strong sermons were preached yesterday by Dr. G. C. Cates, of Louisville, who is in charge of the revival. At 2:30 p. m. a meeting for men was held in the church auditorium, and a woman's prayer meeting was held downstairs at the same hour, both were largely attended and deeply impressive.

The Charity Bureau of the Broadway Methodist church is called to meet at 7 o'clock Wednesday evening at the church before the prayer service. Every member is urgently desired to be present.

Yesterday closed the "Week of Prayer," observed by the Woman's Foreign Missionary Society of the Broadway Methodist church with special services each afternoon last week. Rev. T. J. Newell preached a sermon for the occasion on "The Emphatic Word of the Age." A special collection was taken at the close of the service for these societies.

HORSES MISSING.

Three Reported Lost and One Cow Apparently Stolen.

The police do not know what to make of the mysterious disappearance of so many horses and cows. Some of them are found killed and skinned, and others turn up apparently after having been used by some one.

Before daylight this morning three horses and one cow had been reported missing. The horses belonged to the Sisk grocery, on South Fifth street, Taylor Wright, Ninth and Dayl, and to the Terrell Brothers. In addition a Mr. Thomason, of South Second, who works on the main line, reported that his cow was gone, and he did not understand what had become of it, as it could not have left the place unless someone had taken it.
