NEWS BY WIRE.

Hopkinsville, Ky., May 4.—State Inspector Hines today produced the missing removal papers and Dr. E. B. McCormick was relieved of the duties of superintendent of the asylum. His card to the public today is very salty, and in it he scores Gov. Beckham. Inspector Hines and others, alleging that he is a victim of liars and slanderers.

Danville, Ky., May 4.—Harvey Pope, a prominent Boyle county farmer, committed suicide this morning by hanging himself. He was insane when the deed was committed.

Washington, May 4.—Mr. J. R. Puryear, who has applied for reapportionment for surveyor of customs at Paducah, is opposed by Mr. Enos P. Byng, also of Paducah.

Louisville, May 4.—The strike of building trades is at standstill. A mass meeting of the workmen will be held Monday, which may result in an amicable settlement.

Danville, Ky., May 4.—The jury in the Pope murder case was unable to agree and was this afternoon discharged.

Ashland, Ky., May 4.—Thomas Botts was shot and killed here today by Jim Thomas, who claimed that Botts insulted his sister. He was arrested.

Washington, May 4.—Secretary Gage has recommended to the war department the appointment of Jared D. Terrell, of Michigan, as auditor for Cuba, at \$5,000 a year. The salary is paid out of the Cuban revenues. Mr. Terrell is chief law clerk in the office of the controller of the treasury.

Louisville, May 6.—John C. Lewis has received a letter from J. J. Smythe, postoffice inspector for the Paris, Tenn., district, stating that Sam Crawford was under arrest in Paris on the charge of taking parcels from the United States mail. The news was gratifying to Mr. Lewis, as he had been compelled to send goods to his patrons in Paris by express, having suffered so many losses by mail that he was afraid to trust it.

The thefts began last May. Packages addressed to patrons in Paris never reached their destination. At first only an occasional package was lost, but as time passed and the thief was not detected he grew bolder and appropriated about all the mail having the stamp of the Louisville firm.

TUESDAY IT WILL BE COMPLETE

—THE BEST EVER GOTTEN UP.

Cairo Elks to Attend in Uniform—Some of the Details of the Two Big Parades.

The complete program for the Elks carnival will be ready Thursday, and will be the finest ever seen in Paducah.

The opening of the carnival gates will be at 7 p. m. Monday, following a magnificent parade. This will consist of 20 mounted Elks mounted police officers, the mayor and city officials, officers of the Elks and the members of the Ladies' auxiliary in carriages, Dean's band, and the fire department, the Paducah Riding club, the Smithland band and the Midway attractions.

The procession will stop at the arch, and Mayor Lang will make an address of welcome and deliver the keys of the city to Director General L. A. Lagomarsino. The gates will then be thrown open.

The flower parade Thursday will begin at 10 a. m. and will be headed by the automobiles, followed by the band, queen's float, and mounted officers, then the various vehicles, the Riding club and the bicycle club.

Mr. H. P. Nunn went down the N. C. & St. L. yesterday to further advertise the carnival.

The booths are ready for the exhibitors, and have been arranged, the even numbers on the left side and the odd numbers on the right. They begin at the arch and extend around to Court. The decorations begin Monday.

The Elks caps are going rapidly and are very attractive. They are at headquarters for those who ordered them, all ready to be delivered.

Miss Maimie Pettit, of Princeton, has written that she cannot be here to act as maid of honor, and another will be appointed next week for that city. The Cairo and Mayfield maids of honor are to be appointed Tuesday. Miss Jennie Wilson will be the maid of honor from Murray.

A watchman will be stationed on the carnival grounds today to remain until dark. One is deemed necessary in day time to prevent mischievous boys from punching holes in the roofs of the booths.

Mr. Henry Schiro, who is building the queen's float, is making good progress, and it will be one of the finest works of art ever seen in Paducah.

The Cairo Elks will probably attend the carnival in uniform, and bring a brass band with them.

SHORT CHANGED

BUT THE GRAFTER HAD STRUCK THE WRONG MAN HE DISCOVERED.

City Attorney B. T. Lightfoot came near being skinned by the man in the ticket office of Buckskin Bill's aggregation last night, and nothing but his courageous defiance of the bold would-be robber saved him. He had a pass himself, but bought a ticket for his boy and tendered a ten dollar bill in payment, and the ticket seller gave him back but 75 cents. He at once demanded the proper change, and the police were called and the remainder of his money was finally returned to him.

The short change grafters are often found with shows, and the one last night had a narrow escape from arrest. He tried a bold game, but struck the wrong man.
