METHODIST THANK OFFERING.

Methodists north are going to end this calendar year with a round \$15,000,000 of their \$20,000,000, Thank Offering Fund. Of this large sum, all for strengthening existing enterprises, \$5,800,000 goes to the endowment of colleges and seminaries; \$250,000 to the fund for the support of worn out preachers; \$2,000,000 to philanthropies and charities almost wholly to pay debts on buildings and \$6,950,000 to pay debts on church buildings. In scores of cities the debts of every Methodist church have been, or are in process of being paid off. The meetings, designed to insure the raising of the remaining \$5,000,000 are to begin in January, and are to be held in Boston, New York, Philadelphia, Baltimore, Cincinnati and Chicago. In other large cities no meetings are to be held, for the reason that in them the task has already been accomplished, and cities selected are intended to be national. Speakers at all of them are to be governors and United States senators. A personal letter is now going out, signed by the bishops and addressed to presiding elders, virtually telling the latter that it is up to them to get the rest of the big stint. A small percentage of such district leaders are still holding back, and some of their enthusiastic rivals have gone so far as to suggest that they be pensioned and retired in order to get them out of the way.

MOST POPULAR HYMNS.

It is said that the most popular hymns among English speaking Christians are:
First—Rock of Ages, Cleft for Me.
Second—When I Survey the Wondrous Cross.
Third—Jesus, Lover of My Soul.
Fourth—All Praise to Thee My God, This Night.
Fifth—Jesus, I My Cross Have Taken.
Sixth—Sun of My Soul, Thou Savior Dear.
Seventh—Awake, My Soul, and with the Sun.
STUCK BY A CAR.
Messrs. E. W. Whittemore and W. B. Walters, the real estate men, were struck by a street car near Ninth and Broadway yesterday afternoon about 5 o'clock, and had a narrow escape. The horse shied and the car struck them going at good speed. Mr. Walters was hurled onto the car platform, where he lodged, while Mr. Whittemore was knocked about fifteen feet. The horses and remnants of the vehicle were pushed about twenty feet by the car. All escaped with a few bruises, but the buggy was demolished.

A FEW REASONS

WHICH ARE RAPIDLY MAKING A NEW CATARRH CURE FAMOUS.

Stuart's Catarrh Tablets, the new catarrh cure, has the following advantages over other catarrh remedies: First: These tablets contain no cocaine, morphine or any other injurious drug and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain these very objectionable ingredients. Next: Being in tablet form this remedy does not deteriorate with age, or an exposure to the air, as liquid preparations invariably do.

Next: The tablet form not only preserves the medicinal properties, but is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will entirely supersede liquid medicines, as it has already done in the medical department of the United States army.

Next: No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principles of Eucalyptus bark, red gum, blood root and Hydrastin, all harmless antiseptics which, however, are death to catarrhal germs wherever found, because they eliminate them from the blood.

Next: You cannot cure catarrh by local applications to the nose and throat, because these are simply local symptoms, and such treatment cannot possibly reach the real seat of the catarrhal disease, which is in the blood; for this reason inhalers, douches, sprays and powders never really cure catarrh, but simply give temporary relief, which a dose of plain salt and water will do just as well.

Catarrh must be driven out of the system, out of the blood, by an internal remedy because an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment, because they contain every safe specific known to modern science in the antiseptic form of the disease.

Next: The use of inhalers and spraying apparatuses, besides being ineffective and disappointing, is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States and Canada for 50 cents.

'DESERVED BETTER.

"The Sorrows of Satan" is a strong, clever play, adapted from Marie Corelli's novel by that name. Two performances were given at The Kentucky, yesterday, and both were fine. It is regretted that the patronage was distressingly poor. Both audiences were small, but appreciative. Seldom has there been seen here a better actor than Mr. Edward Mawson, who played the star role, Prince Lucio Rimanes.

The support was good, and the trappings, scenery and settings first class. It is regretted that more playgoers did not witness it. They would have enjoyed it.

NO TRANSFER MADE.

Through a typographical error it was reported that Mr. L. A. Lagomarsino had transferred his coffee house license. The mistake was made in the report of the council proceedings and Mr. Lagomarsino has done nothing of the kind.

SMALL DAMAGE BY FIRE.

The fire department last evening was called to Ross' grocery, on Ninth street, between Husbands and Bookman, about 6 o'clock, by a small blaze from coal oil becoming ignited. The damage was slight.
