Capital and Surplus, \$65,000.00

#### Hickman Boy Wins.

Going up against the best oratorical talent in the High Schools of Fulton and Hickman, at the former city, Monday, Frank C. Smith, son of Mr. and Mrs. C. C. Smith, of this city, carried off first honors as the best orator in a spirited contest of six entries. While every oration on the program was good, Smith won in a walk. The subject of his address was "A Republic That Never Retreats." The patriotic and fluent manner in which young Smith handled his subject, made him at once the favorite—the hero—of the occasion. Edwin Rice made a master effort to keep the medal at Fulton, but only succeeded in tying for second place with Willie Bondurant, also of Hickman.

The contest was held under the auspices of the School Improvement League, of Fulton county, and the gold medal was a gift from Herschell T. Smith. The Carr Institute building, in which the contest was held, was crowded with visitors and student bodies from Martin, Union City, Hickman and Fulton. We understand the League will continue these contests, and hold them annually.

It is no small honor to come off the victor from such an aggregation of trained and talented contestants. While Frank wears his honors in a most modest manner, he has merited, and the Courier joins his many friends in extending congratulations.

Miss Gerlie Perry, aged 18, residing in Graves county, died from hydrophobia at the home of her uncle, Thomas Phillips. On Christmas Day, while playing with a pet dog, she was bitten on the hand, but the wound seemed to heal and no danger was feared until Thursday night, when she was thrown suddenly into convulsions.

Jno. A. McClure left Tuesday for Elizabethtown, Ky., to attend the State Convention of the Farmers Institute. He is a delegate sent by farmers of Fulton county.

#### In Five Minutes.

Take your sour stomach—or maybe you call it Indigestion, Dyspepsia, Gastritis or Catarrh of Stomach: it doesn't matter—take your stomach trouble right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapiesin and let you eat one 22 grain Triangule and see if within five minutes there is left any trace of your stomach misery.

The correct name for your trouble is Food Fermentation—food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle, and nothing tempts you, or you belch gas or if you feel bloated after eating, or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause—fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapiesin.

#### Resolutions of Respect.

Crotona Lodge No. 671 F. & A. M. held at Cayce, Ky.

In loving remembrance of our late brother, W. O. Johnson, who departed this life November 17th, 1908.

Whereas the call has again been answered, removing from us our loving brother and, as we recall the many noble traits in connection with his devoted life, we are reminded that we have parted company with a brother who was indeed endowed with these rare qualifications, which sum up to make the devout Christian character of a Master Mason.

His was the simple life, characterized by the many idealistic performances putting together the working forces of our order, and we shall long continue to refreshen our lives and be encouraged by the memories thereof.

We deplore the loss sustained, not only by our lodge, but to the community as well, knowing that his absence will be felt keenly by all, and to his church, unto which he contributed so freely of his precious gifts, and to the poor and needy, whose rare good fortune it was to place dependence in him.

Be it resolved, that we cause these resolutions to be inserted on our memorial page in our minute book, and that a copy be sent to the family of our late brother, referring them to our cognizance of the many noble traits he possessed, in an endeavor to console them in their sad hour of bereavement, by our appreciation of his worth, and extending unto them such sympathies and proffers of aid as may be in our power to give.

Resolved that a copy of these resolutions be sent to the Masonic Home Journal, also to the Hickman Courier for publication.

#### The Passing of Eugene Naylor.

Thursday night, Feb. 18th, 1909, at the home of his brother at Cayce, Eugene Naylor, a prominent and influential citizen of this county, answered the summons to the Great Beyond. He had been a patient sufferer for many months from the consequent frailties of general break-down in his system, and all that loving hands could do to retrieve the loss proved in vain.

Eugene Naylor was born on the old Naylor place, near Cayce, where he grew to manhood. After completing his education, his first step in the business world was accepting a position with the Johnson Mercantile Co., of Cayce, where he remained two years. From there, he came to Hickman, in 1886, and was identified with the firm of H. Buchanan for several years, remaining in Hickman until 1906, at which time he left for East Prairie, Mo. Two years were spent at East Prairie, but his failing health caused him to leave for his old home at Cayce.

Deceased was 45 years, 3 months and 11 days of age—being born Nov. 7, 1863. On December 25, 1884, he was united in marriage with Miss Mattie Albritton, of Cayce. To this union were born six children, Edgar Naylor, of this city, Misses Ethel, Swan, Lucile and Violet, all of whom survive him. Besides his wife, he is also survived by his father Judge Joshua Naylor, two sisters, Mrs. Lucy Burnett, of near Fulton, and Mrs. Laura Oliver, of Paducah—and three brothers—County Judge W. A. Naylor, of Hickman, Dr. J. W. Naylor and Dr. Lon Naylor, of Cayce, all prominent men in the affairs of Fulton county.

The funeral services were conducted in this city, Friday afternoon at 3 o'clock, by Rev. J. W. Waters, after which the final obsequies were conducted at the City Cemetery by Elm Camp No. 3, W. O. W., of which Mr. Naylor was a charter member.

A large concourse of sorrowing friends and relatives followed the remains to their last resting place.

Mr. Naylor made many friends here and elsewhere, and his untimely departure from earth is deplored by all who knew him.

The Courier extends sympathy to the sorrowing ones in this dark hour of grief.

#### Fell From Scaffold; Injured Back.

Thirty years age James C. Lee of 1100 9th St., S. E., Washington, D. C., fell from a scaffold and seriously injured his back. In telling about it he says:—"My suffering was terrible; from the small of my back all around my stomach was just as if I had been beaten with a club. I tried all kinds of plasters, belladonna, caprine and porous, without getting relief, and bought so-called electric belts, but none of them did me any good.

One day, while working near my daughter's house, my back pained me so badly that I had to quit. I went into the house and lay down for ease. My daughter had a bottle of Sloan's Liniment in the house and she rubbed my back well with it and gave me some to take home. I used six and a half bottles of Sloan's 25c. Liniment and can do as much work now as any man in the shop, although I am sixty-seven years old. I would not be without Sloan's Liniment for any consideration and recommended it to anyone suffering pain."

One of the severest electrical storms to occur in this city for many years, struck here about 2 o'clock Tuesday morning. Lightning struck and damaged the Christian church to the extent of many dollars. About 3 o'clock the lightning followed the electric light wires into the power house and damaged the armature of the dynamo to such an extent that the city was in darkness until daylight. An incessant flare of lightning followed by a continual rumbling and an occasional deafening burst of thunder made the "wee small hours" anything but pleasant. This was followed by a down-pour of rain, doing great damage to streets.

Tom Wade, colored, was arrested Saturday by Deputy Sheriff Rob Goalder, and landed in the county bastille. Wade was indicted by the last grand jury for bootlegging, but evaded the officers up to this time. He will be tried at the May term of Circuit Court.

Wednesday evening at the palatial home of Chas. Parker in South Fulton, occurred the marriage of unusual interest of his lovely daughter, Miss Nettie Parker, to Mr. James Snow, of Obion county, a son of Levi Snow, one of the most influential men of Obion county.

## Millet & Naylor

If the river continues to rise six days at the present rate, no less than \$50,000 worth of logs, now ready to mill, on the river banks between Cairo and Hickman, will be washed away by the high water. The Mangel will be a big loser, having already lost a number at Mabel last week. W. J. Logan says he will lose about three barge loads, worth \$4,000. In fact, if the river continues to rise, it will prove one of the most damaging overflows ever experienced in this section.

#### Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

To Collect License.

W. J. Cahune, of Frankfort, a deputy internal revenue collector, was in the city for some time yesterday making an effort to collect from all the soda water dealers in the city who had fountains an extra tax, alleging that their license called for the privilege of selling soft drinks but that it did not bear upon the subject of possessing and operating a fountain for the manufacture of these drinks. After collecting from several merchants here, the firm of Irby Bros. challenged the collector for a citing of the law on the subject and Attorney T. N. Smith was called upon to decide the matter.

Mr. Smith ruled that the collector was not within his power, and it was finally agreed to leave the question to the Attorney General of Kentucky to decide. The question involved is a most unusual one.—Fulton Leader.
