Str. Quincy, now in St. Louis-New Orleans Service.

The handsome Steamer Quincy, formerly of the Diamond Joe line, now in the regular service of the Streckfus line. Two other boats will be added which will give them a swell fleet. The Quincy passed Hickman last week on her initial trip.

W. T. Parham has had in his keeping a Masonic sword, which was formerly the property of C. M. Woodring, who died at Troy, Tenn. Mr. Parham left the sword at the Courier office Friday to be given to Hickman's Masonic lodge, believing the Masons would appreciate it more than he could, as Mr. Woodring was a member of this lodge 65 years ago. The sword is handsomely engraved and it and its scabbard are both in excellent condition.

Remarkable values in boys clothing at Sullivan Bros.

If your child is pale and sickly, picks at the nose, starts in the sleep and grinds the teeth while sleeping it is a sure sign of worms. A remedy for these parasites will be found in WHITE'S CREAM VERMIFUGE. It not only clears out the worms, but restores health and cheerfulness. 25c per bottle. Sold by Hickman Drug Co.

There is a man in Brooklyn named O Hell. We hear his name mentioned quite frequently in Hickman.

Buy a Heater Early

Get your New Cole's Hot Blast set up in your home before real cold weather comes, and let it save for the full season for you. If you have any idea of buying a heater this winter get it early. Many readers will remember that during the cold snap of last winter they wished they had done away with the old heater that will no longer do the work. Don't go through the chilly experience of last winter again. Enjoy the comforts of the new stove the whole season now. (R-16) HICKMAN HARDWARE CO., Incorporated

Your Breakfast Room Made Comfortable With Fuel Supplied the Night Before

Cole's Hot Blast Heater maintains a continuous fire—also a steady even heat. It will hold fire from Saturday night until Monday morning (48 hours) without attention. It will hold fire over night with less coal than any other stove.

Open the drafts in the morning and the rooms are quickly heated with the fuel put in the night before. No other stove does this.

Burns Soft Coal, Slack, Siftings, Hard Coal or Lignite. One ton of either kind of fuel goes further and gives you more comfort than two tons, using any other kind or make of stove.

Your attention is called to the unparalleled statement made by the manufacturer of

Cole's Hot Blast Heating Stove

"For several years we have authorized our Agents to sell Cole's Original Hot Blast Heater on the guarantee as follows:

- "1—A saving of one-third in fuel over any lower draft stove of the same size, with soft coal, slack or lignite.
- "2—That Cole's Hot Blast will use less hard coal for heating a given space than any base burner made with the same size fire pot.
- "3—That the rooms can be heated from one to two hours each morning with the soft coal or hard coal put in the stove the evening before.
- "4—That the stove will hold fire with soft coal from Saturday night until Monday morning.

- "5—A uniform heat day and night, with soft coal, hard coal or lignite.
- "6—That every stove will remain absolutely air-tight as long as used.
- "7—That the feed-door is and will remain smoke and dust-proof.
- "8—That the Anti-Puffing Draft will prevent puffing.
- "All we ask is that the stove shall be operated according to directions and connected with a good flue.

"(Signed) COLE MANUFACTURING CO., Inc.
(Makers of the Original Patented Hot Blast Stove.)

This remarkable guarantee from the makers of this stove should be of interest to you if you contemplate buying a heating stove.

Years of use has proven that no heater—at twice the price—equals it for radiating heat, for holding fire, requiring so little attention, never giving trouble, and cutting down your coal bill one-third to one-half.

Come in and examine Cole's Original Hot Blast which is now imitated by nearly every other stove manufacturer. Price \$12.00 and upward, according to size.
