### NEW CORN DANGEROUS.

Hogs often take cholera soon after being put on a ration of new corn, and its use is often condemned on this account. New corn alone is not the cause of hog cholera, but it may be a factor, along with other conditions, that helps weaken the vitality and renders the animal less resistant to disease. In order that new corn may be fed with safety, the animals should be put in a healthy, vigorous condition before time to begin feeding.

When the animals are in a thrifty growing condition, there should be much less danger but the herd should be gotten on full feed gradually. It is well to give them about a stalk of corn per hog the first day, gradually increasing it by one stalk a head every day or so that it is getting two stalks the third day, three stalks the fifth day, and so on until they are on full feed.

This gives the stomach time to adjust itself to the new ration and is a specially good thing to do before turning old hogs into the field to hog down corn.

### AN APPEAL.

From State Campaign Chairman J. C. Cantrill To The Democrats of Kentucky.

As you are doubtless aware it takes a large amount of money to pay the absolutely legitimate expenses of a campaign. Even the matter of postage is a big item and to prepare the campaign matter and mail it to the voters require a small army of stenographers and typewriters. The postage, preparation and stationery of a single letter to every voter in the State costs \$15,000 and all of them will have been written to several times before the election. Besides there are many other expenses that must be met such as office rent, office force expense, traveling expenses for speakers, etc. The Democratic party has no large contributors to rely upon, no Wall Street, no railroad managers. The expenses of the campaign must be met by the people as I will not seek the contribution of a single corporation in the State.

President Wilson, supported by a Democratic Congress, has achieved more in the last three and a half years of control than was ever before achieved in ten times as many years by any administration. Its useless to enumerate the list of splendid laws that have been passed on the statute books which have vitalized the nation. The people owe it to President Wilson and to themselves to retain him in office to continue the good work he is doing.

By filling out the following blank and enclosing amount you desire to donate you will greatly aid the cause of Democracy:

J. C. Cantrill, Chairman Dem. Campaign Com. Lock drawer D 2344, Louisville. I enclose \$ . . . . . For Democratic Campaign.

Name . . . . . Address . . . . . Hickman, Ky . . . . .

Enclose this blank with contribution. Contributions may be sent to the Hickman Courier or direct to Mr. Cantrill.

### SUN BROS. CIRCUS HERE NEXT MONDAY.

Strange sights and still stranger animals will be among the many things that will be unloaded when the big show train of the Sun Brothers World's Progressive Shows arrive in Hickman next Monday morning.

This is the date of the appearance here of this well known amusement enterprise. Long before dawn the railroad yard will be the center of attraction for the younger generation of town and many a household will be startled from its peaceful slumbers at an unseemly hour by the tinkling of the alarm clock under the pillows of the small boy. In fact, a few comfortable beds will be left undisturbed throughout the entire night, their usual occupants preferring to remain awake and thus run no risk of missing the opportunity of witnessing the arrival and unloading of these great shows. The Sun Brothers' Shows for this season have an all new equipment and brand new plethora of acts and performances in all its departments, in fact it can truthfully be said that it is an all new show. The only recognizable thing of its past seasons is the adherence to their old time policy of never allowing at any time or place any gamblers, sure thing men, confidence games, fortune tellers, dancing girl show or anything in the nature of a roper-in-device. These issues have never been tolerated with this show nor will they ever be countenanced. Two complete performances will be given here during their engagement and the assurance is made that both performances will be presented without any curtailment whatever. Many new and novel free outside exhibitions are offered this season and are said to be of an unusually entertaining and "thriller" character.
