## THE H. C. O. L.

Ohio County Grand Jury Reports Its Findings at Union City.

After a careful investigation of living costs, the Ohio County Grand Jury made a lengthy report to the court last week. Below is a short excerpt from the report, which will give an idea of the profits charged in our neighboring county:

We have made a careful investigation of the prices of foodstuffs, dry goods, shoes, gents' furnishings, ladies' ready-to-wear, coal and lumber; we find the following profits made by retail merchants on the following articles: Ladies' hose, 50 per cent; ladies' shoes, 50 per cent; ladies' furs, 80 per cent; ladies' dresses, from 33 to 50 per cent; ladies' suits, 40 to 50 per cent; ladies' waists, 33 to 50 per cent; ladies' sweaters, 25 to 50 per cent; ladies' underwear, 25 to 40 per cent; crepe de chine and silks, 40 per cent; children's shoes, 33 1/3 to 50 per cent. In this connection we find from the testimony of witnesses that in the case of ladies' dresses and ladies' suits high prices are marked on these goods by the merchant so that he can come down below the price marked on the goods, the merchant claiming that they do not expect to sell goods at the price they are marked, but that they put the high price on so that they can come down. This would indicate that some women are paying more than others for their suits, dresses, etc., depending on their ability to drive for a lower price. The admission along this line of merchants are astonishing. There is probably more profiteering in ladies' goods than in any other line of the dry goods business."

## YOUTH KILLED

Wingo Boy Loses Life by Hopping Train Last Saturday.

Paul Tribble, 18 years old, the youngest son of Mrs. Nannie Tribble, died Saturday afternoon in Riverside hospital at Paducah, three hours after he had been run over by a freight train at Wingo, Ky., and both legs horribly crushed above the knees.

Tribble left the home of his mother, who resides one mile and a half north of Wingo, at 12 o'clock Saturday afternoon on his way to Wingo. He boarded a freight train running in that direction and rode to the platform at Wingo when he made an attempt to get off. His feet slipped and he was thrown under the moving train. When picked up by persons near the station, both legs were almost entirely severed.

A special train was made up and was pushed to Paducah. An operation was immediately performed, but one of his family living with his mother, and they sold their property near Wingo and were to move to Texas in the very near future to make their home.

## NEWTON BADLY HURT.

Burton Newton was seriously hurt Saturday afternoon when he fell several feet from a scaffold while at work in the reconstruction of the Episcopal church. Mr. Newton's nose was badly broken and a deep gash cut on his forehead. He is confined to his room at his home on Vine street and is reported to be resting as well as could be expected today.—Fulton Leader.

Mr. Newton formerly lived at Hickman and is well known here.

## FARM BUREAU

Fulton County Farmers Perfect New Organization Last Week.

Several of the leading farmers of the county met at Cayce last Thursday evening and perfected an organization known as the Fulton County Farm Bureau. The temporary officers are:

Chas. Nugent, President.  
Jas. W. Mayes, Vice President.  
Tom McMurry, Treasurer.  
H. W. Whipple, Secretary.

There are now 31 members, but these merely form a nucleus for a large organization, they hope. In order to give the public an idea of what this is, a meeting will be held at Hickman tonight and the matter thoroughly explained by a good speaker from the state department of agriculture. Farmers and townsmen both are invited.

It is not within the province of the Courier to state fully and intelligently the objects of this bureau.

but in no sense a "union" or "grange." Farmers are to have a head, so to speak. There will be a bureau office in town, where its members will transact business, receive daily grain and market reports, etc. An executive committee will look after business matters. This committee will be composed of two members from each magisterial district, etc.

If you would know more about the Farm Bureau, attend the speaking tonight.

Pres. Wilson was forced to cancel his speaking dates in Tennessee and Kentucky and return to Washington on account of illness. Quite a number of Hickmanites went to Memphis last week, with the expectation of seeing the president there Saturday night.
