1886 NEW DEPARTURE! 1886

Five years experience in Dillon, doing business under the credit system has convinced us that this system is wrong in theory, wrong in practice, without pleasure or profit to the seller, and an injustice to the large number of consumers, who not only pay for what they get themselves, but are obliged to pay an increased price to make up for the losses and expense caused through bad and uncollectable accounts.

We have therefore concluded to **ABANDON THE CREDIT SYSTEM** entirely, and after this date we will sell goods for **CASH ONLY.**

Our prices will be reduced in proportion as our expenses and losses are cut off, and to those who want good articles at **BELOW ROCK** figures, we say **GIVE US A CALL.**
