CASES IN COURT

DEFENSE TRIES HARD TO EVADE THE CONTEST.

JUDGE SMITH ALL BUSINESS.

No Trifling or Evasion While He is on the Bench—Must Fight it Out.

The close of the nineteenth century finds a spirited election contest in progress in Deer Lodge county. The court house upon the hill is a center of interest in Anaconda today, and will be, no doubt, for more than a week to come.

In the legislative contest suits, W. R. Allen, M. J. Fitzpatrick, Charles Jakways, C. H. Williams and J. C. English, who were the candidates of the republican party, as contestants, have undertaken to show to the members of the forthcoming legislative assembly that by means of fraud and intimidation, J. R. Toole, J. M. Madden, Thomas MacTague, Michael Geary and Joseph McDonnell were declared elected, and they will ask that the election certificates of the latter be declared null and void, and that the contestants be declared elected and seated in their places.

Attorneys Duffy and Boorman undertook to quote law sustaining their point, but this was promptly met by Attorneys C. J. Walsh and T. O'Leary, who appeared for the contestants, who also proved themselves just as apt in quoting the statutes. Mr. Walsh also called attention to the fact that when the justices failed to appear in the forenoon, Col. T. O'Leary and J. W. James, as counsel for the contestants, found protection under Section 236 of the Political Code, and demanded of the clerk of the court that citations be issued to two other justices of the peace to fill their places; that the clerk refused to acquiesce in the demand made upon him, and that the clerk stated to the attorneys that the language used in the statutes

conferred discretionary powers upon him. Justice Emerson spoke for himself and colleague and said: "We have come up here to hear these cases. We know nothing about the citations, and as we believe no one has been injured by our not reaching here sooner, we are ready to proceed with these contest cases."

Stenographer Sackett of Butte, who has been employed to make record of everything that takes place, was sworn by Justice Powell, whereupon Attorney Duffy interposed an objection to the justices going any further with the cases.

Attorney Walsh then suggested an adjournment until Monday afternoon at 2 o'clock.

Attorney Duffy opposed this on the ground that the county cases were set for 10 o'clock Monday morning in the district court; that Judge Smith would be here from Helena to try them, and that those cases could not be deferred. Duffy wanted an adjournment until the latter part of the week, but Attorney Walsh said this could not be done, as the time was short, and the law expressly states that the depositions in contest cases must be spread before the legislature not later than the second day after the assembly convenes.

It was a clever move on the part of Mr. Duffy to have the legislative cases go over until it was an impossibility to get the depositions before the legislature in time.

Justice Emerson did not propose to delay the matter, however, and he adjourned the session to the date and time suggested by Mr. Walsh.

The attorneys for the contestants issued subpoenas for J. H. Durston, John R. Walkup, John R. Toole and C. H. Eggleston as witnesses.

JUDGE SMITH IN EARNEST.

Judge Henry C. Smith was delayed in convening court this morning one hour on account of neither the clerk or his deputy putting in an appearance. Clerk Corcoran had gone over to Butte. Deputy Maroney was finally induced to get out of bed, where he had been threatened with pneumonia for several days, in order that the trial might go on.

Justice Smith does not propose to have any delay in the hearing of the county test cases which he was called to try. He let the attorneys know it very pointedly soon after he took his place on the bench this morning. Col. T. O'Leary, one of the attorneys for the contestants, asked for a continuance of the county contest cases until after the disposal of the legislative cases, now up before Justices Powell and Emerson. The motion was denied by the court, and while he said he did not desire to act arbitrarily in the matter, he thought the justices could appear in the court room while he is presiding; that inasmuch as the same witnesses are to appear in both legislative and county contests, all cases could be disposed of at the same time. The court thought these were important matters and should not be delayed.

A demurrer was filed and overruled in the case of C. W. French, contestant for the office of sheriff, against Jack Conley, J. R. Boardman, attorney for the contestee in this case, then made a motion to dismiss the action, on the ground of irregularities made in drawing up the complaint. This was denied, whereupon Mr. Boardman withdrew his motion.

Court then adjourned until 1:30 p. m.

AMERICANS GO UP.

Stocks Take a Turn For Better in the London Market.

London, Dec. 31.—The fears of further failures in connection with the collapse of the London and Globe Finance Corporation, limited, were not realized up to 1 p. m., and the whole tone of the stock exchange steadied in consequence. Later the failures of Thomas W. Egan, G. W. Barber and Fitzgerald & Co., jobbers in the West Australian market, were announced, but they had little effect.

Americans were marked up from 1 1/2 to 4 points and the rapidly with which all the offerings were taken up for New York had a good effect in steadying other departments. There was a better feeling in West Australians. Lakeviews showed a recovery but London and Globe was offered and further declined 2s 6d. British Columbia were steady. Lerol No. 2 was one point higher.

The London and Globe finance corporations sent a circular to its shareholders today calling for a meeting for January 9 for the purpose of passing a resolution to wind up the company. The capital of the company is locked up in securities on which they find it impossible at the present time to realize and the corporation therefore, by reason of its liabilities is unable to carry on its business.

A FORGED TELEGRAM.

Gen. Colville Was the Victim of a Scoundrel.

London, Dec. 31.—Since his arrival in London, Major General Sir Henry Colville has received information tending to show that Lieut. Colonel Sprague actually received a forged telegram purporting to be signed by General Colville, dated Lindley, May 23 saying: "I am badly in need of mounted troops. Come here at once."

The above telegram was sent off three days before General Colville reached Lindley and was the cause of Lieutenant Sprague hastening there.

One of the principal charges against General Colville is that, after appealing to the yeomanry for help, he abandoned them to their fate.

"I never heard of this telegram" says General Colville, "until now. But it explains the mystery of my alleged message to Colonel Sprague. It was known at the time that some one was tampering with the wires near Lindley in the interests of the Boers."

General Colville himself was at the war office today. General Sir Evelyn Wood, the adjutant general merely sent a subordinate to meet the general.

W. 1/4, and lots 1 and 2, Section 32, Township 4 N., Range 8 W., by Henry M. Wolf, Contestee in which it is alleged that said Henry M. Wolf died in the year 1898, since which time his heirs have wholly abandoned said tract and failed to reside upon or cultivate the same, and that the absence of claimant and his heirs from said tract was not due to employment in the military or naval service of the United States in war times, said parties are hereby notified to appear, respond and offer evidence touching said allegation at 10 o'clock a. m., on December 24, 1900, before C. M. Parr, a Notary Public, at his office at Butte, Montana, and that final hearing will be held at 10 o'clock a. m., on December 31st, 1900, before the Register and Receiver at the United States Land Office in Helena, Montana.

She is much suffering from hunger in the outlying districts of Guam, but no starvation. Two-thirds of the population are at Agaña, the chief city of the island, and its vicinity.

PEOPLE HAVE DECIDED.

And Gen. Miles Rests His Case With Them.

Washington, Dec. 31.—General Miles was upset today by newspaper men seeking to secure from him some expression of opinion as to the recently published article by former Secretary Alger relative to the beef supply of the United States during the Spanish-American war. He was still undecided as to whether he should make any answer to the criticisms passed upon his course, or should ignore what he denominated as false statements contained in the article on the ground that the American public had already passed upon the controversy. The general was in consultation during the day with some of his close adherents and friends in the army and in civil life.

WANTS MONEY FOR LOVE.

Miner Should Pay For Winning His Prize.

Spokane, Wash., Dec. 31.—Frank Hodges, an actor, has begun suit against Ed F. Carpenter, a mining man of Republic, asking \$50,000 for alienation of his wife's affections. Hodges claims the woman eloped with Carpenter from a town in Michigan three years ago, taking with them Hodges' 11-year-old child. He says he has been trying to track them ever since, and just missed catching them in Chicago several months ago. Carpenter is said to be the son of a millionaire.

GREAT RISE IN WHEAT.

Chicago, Dec. 31.—The excitement of Saturday was repeated in the wheat market today on a more extensive scale. May wheat opened at 75 3/4 @ 76 1/4 c compared with the previous close at 75 1/2 @ 75 3/4 c. An hour served to satisfy the demand and trade became quieter, men in the pit finding time to throw flour, wheat and other missiles at each other, after the annual custom on the last day of the year. The announcement of a decrease in the supply of 65,000 bushels re-awakened speculation during the afternoon. May wheat touched 75 3/4 c in leaps and bounds, and soared to 78 c under enormous buying pressure. The close was 2 1/2 @ 2 3/4 c higher, at 77 1/2 c.

WILL OFFER REWARD.

The Mayor of Omaha Not Afraid of Threats.

Omaha, Neb., Dec. 31.—Mayor Moores today made the following statements: "Bullets or no bullets, I intend to offer a reward for the arrest of the Cudahy kidnapers. That last letter from the kidnapers puts such a serious coloring on the case that it is not right to expect Mr. Cudahy to continue his offer of \$25,000 reward for the arrest and conviction of the men who stole his boy."

"I have wired the governor urging him to offer a reward. A special meeting of the council has been called for this afternoon to consider the advisability of appropriating \$10,000 for any person who may bring about the conviction of the kidnapers. The county will also be asked to give some money and I have no doubt but we will swell the sum to \$25,000."

BICYCLISTS WRECKED.

Bad Beginning of Boston Races—Riders Injured.

Boston, Dec. 31.—The six-day bicycle race at the Park Square garden was started at 1:20 this afternoon with 17 competitors. There were 3000 spectators present. Alexander McLean, of Chelsea, and W. L. Baker, of Sydney, Australia, were entered to start, but did not appear to the start-off. The men will ride from 1 p. m. until 6 p. m., and from 7 o'clock to 12 o'clock, thus giving a one hour's rest for supper and eleven hours intermission each day. The track is pronounced admirable. It measures eight laps to the mile. The riders were all in very good shape today.

At 3 o'clock Gougoltz was in the lead, with McEachern second, Kaiser third, Stinson fourth and McLean fifth. The score at the end of an hour and a half was 55 miles and 7 laps.

At 3:32, while the riders were bunched, Kaiser's wheel slipped and he fell, with the other riders piled on top of him. His arm was broken, and he was carried from the track. The other riders scarcely had returned to the track when Frederick Ryser, Miller and Fisher went down in a heap and were removed from the track.

Just after the second accident, McLean ran into a post and was considerably injured.
