### "THE BLUE PARADISE" AT BROADWAY NEXT FRIDAY NIGHT

The Messrs. Shuberts production of "The Blue Paradise" will be the stellar attraction at the Broadway theater next Friday night only, Feb. 16. This beautiful Viennese operetta has just finished a remarkable engagement of over a year at the Casino theater in New York, which is a record for a musical entertainment on Broadway. The popularity it enjoyed on Broadway has resulted in glowing reports of

the delights it affords every playgoer to spread to all parts of the country and its local visit is regarded as one of the foremost treats of the year. The originality and genuine appeal of its refreshing story alone would have insured "The Blue Paradise" scoring a popular success but its musical score abounds in some of the most tuneful numbers heard in recent years. One of the vocal gems, "Auf Wiederseh'n,"

it will be recalled, has become the most popular song of the day. Included in the company to be seen here are John E. Young, Robert G. Pitkin, Shep Camp, George Everett, Fred Harten, Sam Hearn, Madeline Nash, Helen Eley, Louise Kelley and others. Frank Walker returned to his old stand today as proprietor of "The Mint."—Adv.

### SPARKLE AND DASH FEATURES OF NEW PANTAGES PROGRAM

It has come, been seen and already has conquered the affections of many of Butte's theatergoers, meaning the new Pantages vaudeville show that went into effect at the children's special Saturday matinee at the Broadway today. It is a show with plenty of sparkle, dash and originality. It also has many other characteristics that cause it to be worthy of credit as one of the best of the season thus far. Harry Langdon and company enact a very clever affair, entitled "Johnny's New Car," which is a fun proposition from start to finish, being centered about a practical automobile which, however, is of unique and also laughable build. Earle Reynolds and Nellie Donnegan have a roller skating and dancing combination act that is a charming affair. Their work is deserving of high praise. This act also is splendidly staged. Klein Brothers, listed as "The Naval Admirals," have a rapid-fire line of comedy that makes an audience laugh every moment of the time they are on the stage. Elizabeth Otto certainly does win favor with her excellent offering, "Musical Milestones." Miss Otto is haptsome and highly accomplished. Acrobatic dancing and tumbling of very clever sort are splendidly carried through by Feeley and McCloud. Mahoney and Auburn have a comedy talking with club-juggling act that is in a class by itself. The Pantagescope offers a new Fox motion picture comedy in two reels, entitled "The Social Pirates." It is excellent. Added to the regular show as herein announced is a special attraction, a very charming animal posing offering well named, "The Act Beautiful," and which is of intense and pleasurable interest to all. Worms Make Children Fretful. If your child cries out in sleep, is nervous, puny and listless, he may be a victim of worms. Begin treatment at once with Kickapoo Worm Killer. This candy laxative in tablet form kills the worm and removes it quickly and easily. Don't permit your child's development to be retarded by the continued draining of his vitality by worms. Get Kickapoo Worm Killer at your Druggist, 25c.—Adv.

### CONAN DOYLE FILM DRAMA AT LIBERTY

How a maid in love with the drink-sozzled younger Girdlestone sacrifices her own life, and how the Girdlestones have to face the ghost of their misdeeds and meet a terrible end, make for a crime drama which has spell-bound a horde of Conan Doyle's readers and which will also gather more enthusiasts for him because of this screen production. This picture will be shown at the Liberty Sunday and Monday.
