

Everywhere You Hear People Saying "It's Cheaper to Buy at the Warehouse"

By coming direct to the warehouse you save money. Here you can secure distinctive pieces or complete outfits of furniture for less money than you ordinarily would have to pay for commonplace furnishings. Our low prices are the results of owning our own building; no heavy expenses. We sell direct from warehouse to home. The offerings in this advertisement are indicative of others equally notable that space does not permit us to mention.
