### Food Disagrees Drink Hot Water

When food lies like lead in your stomach and you have that uncomfortable bloated feeling and your stomach is sour and burning it is usually because of insufficient blood supply to the stomach combined with acid and food fermentation. In such a case the best and safest treatment you can possibly use is to take a teaspoonful of pure bisphurated magnesia in half a glass of water as hot as you can comfortably drink it. The hot water draws the blood to the stomach and the bisphurated magnesia, as physicians can tell you, is a powerful but harmless antacid which quickly neutralizes the excess acid, sweetens your stomach contents and stops food fermentation.

This hot water and magnesia treatment is a far better plan than that of swallowing some pill or tablet which simply artificially digests your food and sends it into the intestines where it will do almost as much harm as in the stomach.

As there are various forms of magnesia be sure in following above directions to seek the drugist for Bisphurated Magnesia (either in powder or tablet form) which is especially prepared for correction of stomach acidity.

Try this simple plan of using Bisphurated Magnesia after meals to prevent food fermentation and to neutralize stomach acidity. You will be astonished at the immediate relief and comfort that always follows the restoration of the normal process of digestion.

jured, is improving slowly. She is still under the care of a physician, but her condition is no longer dangerous.

H. B. Thurston has moved from 1428 Harrison avenue to his new home at 1660 Grand avenue.

Members of the Emerson Parent-Teacher association who will be able to donate refreshments for the evening social meeting to be held in the school building Friday night have been requested to see Mrs. H. Gillis, 1954 Carolina avenue, who has charge of the refreshments for the evening.

H. M. Soule, who has been employed in the Andrus meat market for the past four years, will leave tonight for Baker, Ida., to enter into the stock business with two brothers. While on the south side Mr. Soule has made many friends who regret his departure. Recently he purchased a number of sheep and will take charge of them with a herd of cattle on a large ranch near Baker. Mr. Soule knows stock and understands the business as well as many old time stockmen.

### WOMEN WHO FADE EARLY

How often we hear the expression, "How she has faded!" or "Hasn't she grown old!" Her friends see it. Her husband sees it. She realizes it herself with a pang. Often she knows the reason, some female derangement has fastened itself upon her and makes it almost impossible for her to drag around from day to day. Such women should remember there is one tried and true remedy for their condition, and that Lydia E. Pinkham's Vegetable Compound for more than forty years has been restoring women to health and happiness. Try it.—Adv.

### REASON ENOUGH.

"Do you think she loves him?"  
"Desperately."  
"Why desperately?"  
"Because he is her last chance."

# \$2000 GIVEN AWAY

THE UNITED STATES BUILDING AND LOAN ASSOCIATION WILL GIVE AWAY on Friday and Saturday, March 9 and 10, the sum of \$2,000.00 in cash, at its office, 115 Hamilton street, Butte, Mont.

The membership fee is especially provided by law and has a twofold purpose—that of paying a part of the expense of the association and that of imposing a penalty upon those who might otherwise be careless and likely to give up the effort too easily.
