"THE GIRL PHILIPPA" is above all else a drama of intense power.

True, it is a wonderful spectacle, but that is merely the setting.

Secret service agents in a baffling chase that leads half across the world, Europe on the brink of the Great War, daring adventure and thrilling fights, and through it all as sweet a love story as has ever been told.

Here is a pulse-quicken drama that will make you forget even the spectacular beauty of the picture. It's the kind of a play you'll want to see again and again.
