LOCAL ORGANIZATIONS ASKED TO CO-OPERATE

Deer Lodge, April 19.—The local commercial organizations have received communications from the department of commerce in Washington asking them to co-operate in every way with the department of agriculture in its campaign to increase the crops of the country. It is suggested that every organization have a committee on the production of foodstuffs and that the assistance of women's organizations be enlisted in the campaign. The food supply of the country must be increased, the letters state, for in the United States, as in the warring countries of Europe, the effects of this struggle will be felt by everyone and complete preparedness will greatly lessen the burden that we must carry.

HALF-BREED INDIAN HANGED AT SPOKANE

Spokane, April 19.—Edward Mayberry, a half breed Indian, was hanged at Fort George Wright today by the United States marshal. He was convicted in the United States court of killing Alice Vivian, an Indian woman on the Colville Indian reservation with whom he had lived. The killing took place near Colville. Because the death penalty has been abolished in Washington the war department granted permission to the United States marshal to hang Mayberry on the reservation at Fort George Wright, which adjoins Spokane. President Wilson refused to commute the sentence to life imprisonment. The Mayberry case attracted national attention because the federal marshal asked permission to hang the man on the roof of the federal building here. This was refused.
