

**SLEUTH WATCHES ROBBERY OF BOY**

**Van Orden Occupied Box Seat When James Gavin Was Robbed.**

Detective Van Orden was an interested spectator at an early hour this morning in a holdup in which James Gavin, a 17-year-old boy was robbed of \$3. Harry Moran was the robber, according to the accusation placed against that young man this morning. The detective was out looking for a bunch of suspicious characters on West Mercury street. He saw one man stop another and watch the alleged holdup from a place where he could witness all the proceedings. Then the arrest was made. Moran was to have appeared in police court this morning, but the charge against him of vagrancy was changed to that of highway robbery and he will be turned over to the sheriff. John Bader was fined \$10 this morning by Judge P. J. Whitney for a disturbance on South Main street. Mrs. Thomas was also fined \$10 for disturbing several roomers in a South Main street rooming house at an early hour this morning. Ellis Montors exceeded the speed limit yesterday and was fined \$10. John Sweeney paid \$10 because he left the muffler of his automobile open.
