BULGARIAN SOCIALISTS WANT NATIONS RESTORED

They Oppose Domination Over Countries Conquered During the War.

Stockholm, May 24 (via London).—The restoration of Belgium, Serbia, Montenegro and Rumania was demanded by the Bulgarian socialist delegates in a conference with the Dutch and Scandinavian committee. They also declared themselves in favor of a national reunion of Bulgarians as a step to give permanent tranquility to the Balkans.
The Bulgarian delegates further declared that the right to settle their own affairs should be extended to all peoples, such as the Armenians and Poles. They expressed the hope that the problem of Alsace-Lorraine be settled on these lines. The convocation of a general socialist conference was also advocated.

WHAT HUBBY SAID.
Wife—Mercy! What's the matter with your face? You look as though you had been in a battle.
Hub—I was getting shaved by a lady barber when a mouse ran across the floor.

ENSORSHIP CLAUSE TO BE DEBATED ONCE MORE

Conference is Now Expected to Suggest Amendment to the Espionage Bill.

Washington, May 24.—Under President Wilson's personal pressure for a newspaper censorship section in the espionage bill, all indications today were that the question would again be taken to the floor of congress for more discussion and another vote.
If the conferees, as was indicated today, report a new censorship section, the house will first debate and vote upon it. If rejected there its defeat as a part of the espionage measure will be final without necessity for the senate to reconsider the question.
When the conferees resume tomorrow Senator Overman will offer a substitute for the Gard amendment now in the house bill. The Overman proposal would authorize the president to prescribe the rules to prevent disclosure of information regarding military operations, but would not prevent criticism of public officials or policies.

All the Boy Scout Uniforms

Worn in the United States

ARE supplied by one maker, and because of the unprecedented demand for Boy Scout equipment, he is far behind with his orders. For this reason our boys' shop, the official distributors of Boy Scout uniforms in Butte, must ask the local scouts to wait for their new equipment. We are doing everything in our power to get shipments and hope to shortly announce their arrival.
