LADIES' TOURNEY AT THE GOLF CLUB

One-Day Event Announced for Wednesday at the Local Links.

The annual ladies' one-day golf tournament of the Butte Country club will be held at the links Wednesday, Memorial day, starting early in the morning. There will be from 25 to 30 contestants and two special prizes, one for the best and one for the second best net medal score for 18 holes, have been offered by Fred T. Greene. Mrs. I. Wheeler is chairman of the ladies' sports committee of the Country club.

The ladies' one-day tournament is one of the chief events of the golf season at the local club. The ladies have been awaiting the announcement of the annual contests with the greatest of interest and for the past few weeks the intending contestants have been going over the links. As the day is a holiday in the city there will be a large attendance of the lady friends of the contestants and of the men, and following the conclusion of the contests the prizes will be presented and refreshments served. All interested are urged to be at the club grounds early Wednesday morning.

NEWS OF THE SPORT WORLD

WHIRLWIND FINISH BY THE IRONMEN

Take Two Extra-Inning Games From League Leaders Yesterday.

Tacoma, May 28.—With the Ironmen slugging hard all the way, the Butte team carried the honors through 22 innings of fast baseball, winning both games of a double header yesterday, the first game by a score of 6 to 5 in 12 innings, and the second, 4 to 3, in 10 frames.

McCarthy gave Melike a chance to come back in the first game and the big twirler tamed the Tigers, despite a sore arm. "Studs" Sutherland disappointed the three thousand Tacoma fans and allowed the Ironmen 12 safe ones. Butte garnered four runs in the sixth inning from heavy slugging. The winning run in the twelfth was the result of hits by Johnson and McCarl.

The Ironmen took the mound in the second game, and remained a mystery until the eighth frame when the Tigers tallied a series of hits and tied the score. Leifer, McCarl and Knifora figured in the hitting line that won for the Ironmen in the tenth. Leifer walked to the plate 10 times and made a total of six hits.

NEW MEXICO FURNISHES THE SHIP'S LIBRARY

Santa Fe, New Mexico, May 28.—No battleship probably will be better supplied with literature concerning its name state than the New Mexico should present plans be carried out to their logical end. These plans, which are being fostered by Mrs. Mary C. Prince, wife of former Gov. L. Bradford Prince of New Mexico, call for the collection of copies of all possible volumes on the state from their authors. Many volumes, including some which are now quite rare, have been contributed to the ship's library and will be placed aboard when the New Mexico is commissioned.

PLAY BALL! STRAW HATS AND TIN HORNS BILLED TO FEATURE OPENING OF NORTHWESTERN LEAGUE AT HEBGEN PARK TOMORROW—WEATHER PERMITTING

"Batter up!"
The old familiar cry will be heard at Hebgan park tomorrow afternoon, unless the elements forbid, for the first time this year when the Ironmen are billed to battle with the Vancouver club. Both teams will arrive from the west on an early train this evening.

The ceremonies will begin with a luncheon at the Butte Grill when some one will say a few nice things about the managers of both teams, the players and the local board of directors. It is not presumed that Umpire Eckman will be outgazed by any of the Butte backers, as last week he forfeited a fourteen inning game to Tacoma because a Butte man kicked and again on Saturday drove half the Ironmen from the field when another decision was disputed. But this will probably be forgotten in the joy of arriving home and appearing before the home crowd. Good fellowship will reign supreme until the battle starts, then the fireworks may begin.

The big feature of the opening will be the procession which will be led by the members of the Butte 44 club bedecked in straw helmets and supplied with tin horns from which they have promised to discourse soul-inspiring music, and armed with canes to add a tinge of dignity to their hilarious antics. All the members of the club have agreed to be on hand and they will be joined by members of various clubs of Butte who will assist on the gladsome occasion. The procession will also include members of both teams and fans in automobiles. The program at the park will be brief—thank goodness—and will consist merely of raising a United States flag and the hoisting of the first ball by Mayor Maloney. There will be no speechmaking at the park, the directors state. However, they may be double crassed, as his "umpire" or some of the players may inject a few extemporaneous remarks as the game progresses. But that is always to be expected.

It is not known today just who McGinnity will use in the box, but it is probable that the choice lies between "Lefty" Schroeder and "Big Ben" Hunt. Both have been going good of late and either can be depended upon to give a good account of himself. The balance of the team will be the same as has been playing at Tacoma during the past week.

Last year there were about 6,000 fans at the park on the opening and if the day is fine tomorrow it is expected that there will be a greater number on hand this year. Since recovering from the slump a while back the Ironmen have been going at a good clip and their work has been as good as any in the league. The breaks on several occasions have been against them but the pitchers seem to have struck their stride and the fans here can count on seeing some high class baseball.

The game is billed to start at 2:15, which will be the hour for starting all games on the home grounds this season. The park has been wonderfully improved and the soil diamond, while still a bit rough, will be in fine shape in the course of a few days.

WAY OPEN FOR GOPHERS TO RESUME GRID SPORT

Minneapolis, May 28.—Sentiment in favor of the restoration of intercollegiate athletics at the University of Minnesota next fall was given added strength by the news that President Woodrow Wilson has put himself on record as being strongly against allowing the war to interrupt athletic training in the schools and colleges of the country. The president has expressed the hope that the normal course of college sports will be continued as far as possible, to afford diversion to the people and also train the athletes for national defense.

YOUNG ERTL SHOWS SIGNS OF SLIPPING

Johnny Ertle, who is technically the holder of the bantamweight title by virtue of a foul in the fifth round of his battle with Kid Williams at St. Paul on September 10, 1915, has joined Johnny Coulon on the down grade. Not yet 21 years old, Ertle's quick retrogression is one of the mysteries of the ring today.

For the last year, in spite of the fact that Ertle has not fought himself out as fast as Nelson or Terry McGovern did, Ertle has been knocked and buffeted around and nowadays almost any third-rate boxer in his division beats him or holds him even.

Ertle has traveled the route, there might be some excuse for his slipping. In some circles it is said that Ertle's handlers have been taking him along the gray white way where the lights burn brightly, and if this is the case it is quite easy to see the reason for his being burned out just at the time when he should be at his best.

Only the other night Kid Barrone, a third-rater of Pittsburg, beat him in a six-round battle.

Ertle's performances in the last year have been most disappointing. He was outpointed by Abe Kaufman in Philadelphia in six rounds. Dick Leonard beat him by a comfortable margin in Baltimore. Pekin Kid Herman (not Kid Herman, of New Orleans), who is a third-rater, held Ertle even in Milwaukee, and now Barrone holds his own with the former terror of the bantamweights.

WAY OPEN FOR GOPHERS TO RESUME GRID SPORT

Because there was a fear that such expression might be viewed as unpatriotic, Ertle has been said in regard to the mistake of calling off intercollegiate athletics at Minnesota, but in view of President Wilson's stand Professor Paige is believed likely to take steps to mend the condition before next fall or perhaps before the Big Nine conference meeting in June.

PHILLIES DRIVING AT TERRIFIC CLIP
Take 13 Out of 15 Games From Western Teams—Red Sox Strengthen Place.

New York, May 28.—Many changes took place in the race for the National and American league championships during the past week. In the National league Pat Moran's Phillies are leading with New York in second place and Chicago in third position. Chicago held the lead last Monday to be displaced by New York which team in turn was displaced by the Phillies, who now hold a lead of two games. Pat Moran's boys are playing great ball, having taken 13 out of 15 games from the western teams.

Boston went into first place in the American league at the beginning of the week and strengthened its position by winning five games. By winning but one of four games the New York Yankees dropped into third position, while Chicago is holding onto second place by winning three out of four games.

The American league teams were handicapped by adverse weather conditions throughout the entire week.

There were a number of brilliant contests in the National league. The Phillies dropped only one game. On Wednesday pitcher Alexander held the Cincinnati Reds to two hits. While the Phillies were whaling the life out of the Cubs Monday and Tuesday the Giants could do no better than divide two games with the Pirates. In one of these McGraw's men suffered their first shutout of the season, going down to defeat 2 to 0. Schupp pitched his fifth straight victory by beating Chicago Wednesday, but the Giants dropped the next two games.

Brooklyn and St. Louis took on a brace throughout the week, the former team winning four out of five games. Brooklyn's pitchers seem to have hit their stride and the players have been swatting the pill more freely.

Leslie's one game to Boston the Chicago White Sox managed to win the remainder of its games.

PETERS HIGH AT RIFLE COURSE
Rohn and Davis Tied for Second—High Winds Held Down Scoring.

With a total score of 110 the high man on the three ranges today's shoot of the Rocky Mountain club at the range south of Butte. Rohn and G. W. Davis were tied for second position with 100 points each. The day proved dark and the the gunners were handicapped by the wind which prevented most of the rapid fire 250 and 300 yard targets. The members were treated to a getting off roast by Capt. L. G. Mr. Stevens had kept the range storage since his great arena had last fall.

Great interest is being shown by members over the contest for the Hunn medal which will be given June 10. Practice for the medal place next Sunday. The winning the match are: Tom target, 100; the "A" target, 100; standing, one minute and 30 seconds at 600 yards, "B" target, with two sighting shots and 100; if desired, 10 shots at 100; target, slow fire, 100; 10 shots at 100; 10 shots at 100.
